The Autobiography of Corrine Bernard Kathleen Novak, 2018 The elusive lover of Do Not Find Me returns to tell her side of the story in *The Autobiography of Corrine Bernard*. From her hapless childhood under Nazi occupation to her life as a woman of letters in present-day New York City, Corrine remains scrappy and wise. As a schoolgirl in Paris, she goes her own way, disinterested in most friendships, intensely drawn to the heroines she finds in literature and daring in the favors she is willing to trade with boys. When she is seventeen, she travels to America to visit her godmother and meets Charles Bernard, whose wealth and ruthlessness will alter the entire course of her life. In a bold and mesmerizing voice, Corrine details her intense pull towards Charles, her lifelong attraction to the blue-eyed Italian named Gigi Paulo, and her observations of Paris, New York, St. Johns and London as she roams in exile for decades of her life. Dear Reader, she begins, I have my tales to tell. And so she does in this dark and compelling novel. Corrine

will surprise you, confide in you and ultimately win you, despite her ferocious and singular ways. The severed heart beats wildly beneath the floor boards. Do you hear it, she asks. By the end of her story, you will, dear reader, you will.

Her family struggled in the depths of grief. This divine revelation from the King of Kings healed their hearts. *A Royal Love Revealed* is Sharpe's memoir of loss, belief, and love. Are we loved? Are we valuable? Our material world has its opinions as to the nature of love. It wants to determine who or what is valuable. Through the author's personal moments and powerful imagery, the reader discovers that God's revelations are not coincidental. It is the unexplainable at work. Wake Up Or Die Corrine Sandler, 2013-09-05 "Action is the real measure of Intelligence." Napoleon Hill Every day in business we experience uncertainty, risks and emotional exposure to winning and losing the battle for growth. There are many

theoretical business practices out there, but none as brilliant and simple as *The Art of War* by Sun Tzu, which was used to win wars 2000 years ago. Sandler explains how to apply these ancient military tactics in a modern business economy – to win every battle without waging war. Her fundamental philosophy is no war has been won without intelligence and never will. *Wake Up or Die* is a powerful, exceptionally written treatise on the use of Intelligence in business today. Sandler shares the “must haves” to thrive and grow, with actual stories of winners and losers. This book is for all decision makers who want to succeed in today’s business world where “loss leaders” dominate, consumers hold all the power, and competition intensifies. Boldly said, *Wake Up or Die* goes where no one has dared to go and challenges every status quo. If you want to win business battles, *Wake Up or Die* will show you how. Sandler’s frank and candid approach holds no bars; she believes the pendulum of the mind oscillates between intellect and ignorance, not between right and wrong.

Italian Iced Kylie Logan, 2018-06-26 Hot pasta and a cold corpse make for quite a combination in the latest book in the *Ethnic Eats* mystery series. When Laurel Inwood features Italian cuisine on the Terminal at the Tracks menu, she knows she'll need to stock the shelves, the fridge, and the freezer with plenty of wonderful delicacies. She just never expected one of them to be her former employer, Hollywood superstar Meghan Cohan. And one day, when Laurel is at the restaurant early to get ready for the regular rush of customers, that's exactly what she finds--Meghan dead in the Terminal freezer. What's a Hollywood A-lister doing in Hubbard, Ohio? For Laurel, that's the real question, because the first question she'd ask in any other murder investigation--who would want the victim

dead?--seems pretty much a no-brainer in this case. Who would want Meghan dead? Just about anybody who had ever met her.
