Cowl Neal Asher,2005-05 This time-travel novel for the 21st century is a violent thrill ride that will leave readers breathless. During a bitter war, some of the enemy have escaped into the distant past, positioned to wreak havoc across time and undo their defeat.

Cowl Neal Asher,2005-05-01 With *Cowl*, Neal Asher, acclaimed author of *Gridlinked* and *The Skinner*, has created a powerful time-travel novel for the 21st Century, a violent thrill ride that will leave you breathless In the far future, the Heliothane Dominion is triumphant in the solar system, after a bitter war with their Umbrathane progenitors. But some of the Umbrathane have escaped into the distant past, where they can position themselves to wreak havoc across time and undo their defeat. The most fanatical of them is the superhuman Cowl, more monstrous than any of the creatures outside his prehistoric redoubt. Cowl sends his terrifying hyperdimensional pet, the torbeast, hunting through all the timelines for human specimens. It sheds its scales -- each one an organic time machine -- where its master orders. Anyone who picks one up is dragged back to the dawn of time, where Cowl awaits. Then the beast can feed, growing ever larger . . . In our own near-future, Tack is one of U-gov's programmable killers. When a scale latches onto him, his doom seems inevitable, but the Heliothane have other ideas: they can use Tack against Cowl. Tack is no stranger to violence, but the Heliothane, hardened in their struggle for humanity's very existence, have much to teach him. He will need it all for his encounter with Cowl. Once one of Tack's targets, Polly escaped with her life when a torbeast scale snatched her. Now, like Tack, she must learn fast as she is dragged back to Day Zero. To cheat death again, she will have to help him save the human race. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

2020 Cowl Collection Olivia Hope Designs,Tessa Madson,2020-07 2020 Cowl Collection is a month-by-month celebration of the year Two Thousand Twenty. In honor of the year 2020, I have created 20 crocheted cowl patterns. The cowls are a timely reflection of each month throughout the year; laid out in a thematic, monthly format with two cowl patterns each month. However, I did choose four of my busier months to assign just one cowl: July, August, November, & December. The cowls in the 2020 Cowl Collection offer a great variety in skill level, construction technique, and weight. Some strictly accessorize, while others function for warmth. Any of the cowls constructed in horizontal, short rows can be made as scarves, and most can be made wider to function as a wrap.Crochet your way through the year; from Icicles on Snow to Lilacs in Bloom, Rainbow Sherbet to Falling Leaves. Whatever the season, 2020 Cowl Collection is sure to have a pattern to inspire your creativity.Make a few or make them all; follow the pattern exactly or put your own spin on it. Whatever you choose, I hope you find time to celebrate this unique 2020 year with cowls from my 2020 Cowl Collection!
