

Cowshed

William Golden Lumley

The Cowshed Ji Xianlin, 2016-03-08 The Chinese Cultural Revolution began in 1966 and led to a ten-year-long reign of Maoist terror throughout China, in which millions died or were sent to labor camps in the country or subjected to other forms of extreme discipline and humiliation. Ji Xianlin was one of them. *The Cowshed* is Ji's harrowing account of his imprisonment in 1968 on the campus of Peking University and his subsequent disillusionment with the cult of Mao. As the campus spirals into a political frenzy, Ji, a professor of Eastern languages, is persecuted by lecturers and students from his own department. His home is raided, his most treasured possessions are destroyed, and Ji himself must endure hours of humiliation at brutal "struggle sessions." He is forced to construct a cowshed (a makeshift prison for intellectuals who were labeled class enemies) in which he is then housed with other former colleagues. His eyewitness account of this excruciating experience is full of sharp irony, empathy, and remarkable insights into a central event in Chinese history. In contemporary China, the Cultural Revolution remains a delicate topic, little discussed, but if a Chinese citizen has read one book on the subject, it is likely to be Ji's memoir. When *The Cowshed* was published in China in 1998, it quickly became a bestseller. The Cultural Revolution had nearly disappeared from the collective memory. Prominent intellectuals rarely spoke openly about the revolution, and books on the subject were almost nonexistent. By the time of Ji's death in 2009, little had changed, and despite its popularity, *The Cowshed* remains one of the only testimonies of its kind. As Zha Jianying writes in the introduction, "The book has sold well and stayed in print. But authorities also quietly took steps to restrict public discussion of the memoir, as

its subject continues to be treated as sensitive. The present English edition, skillfully translated by Chenxin Jiang, is hence a welcome, valuable addition to the small body of work in this genre. It makes an important contribution to our understanding of that period.”

From the Cowshed to the Kop Peter Cormack, 2012-05-10 In a playing career spanning nearly two decades, Peter Cormack became a real fans' favourite both at Hibernian FC and with the mighty Liverpool team of the 1970s. Snatched from under the noses of local rivals Hearts, Peter Cormack soon established himself as a skilful and immensely talented midfielder in an excellent Hibs side and went on to score 75 goals in 182 appearances including in the legendary game against Napoli when Hibs beat the Italian giants 5-0 at Easter Road to overturn a seemingly impossible 4-1 deficit. In 1970, he moved to Nottingham Forest, partly as a result of receiving a 12-match ban for two consecutive red cards, and realizing it was finally time to move on. After Forest were relegated, Peter Cormack was signed for Liverpool by the legendary Bill Shankly and joined Reds heroes Kevin Keegan, Tommy Smith and Emlyn Hughes in a team that would later go on to conquer the footballing world. In Cormack's time, however, Liverpool were warming up for European Cup glory with a League Championship, a UEFA Cup double and an FA Cup victory. After a serious injury, Ray Kennedy took over his role in the team and Cormack's time at Liverpool came to an abrupt end. Following a stint at Bristol City and a short time playing alongside George Best back at Hibs, Cormack went into football management, with mixed fortunes, but his lasting achievements in the game both north and south of the border are told with honesty and humour along with some rare insights

into some of the greats of the game.

The Day Dad Blew Up the Cowshed Jennifer Somervell, 2012 Based on a true story of blowing a cowshed in the 1970s, told in rhyming verse from a child's perspective by Jennifer and illustrated by her sister Margery, just as they remember it. Suggested level: junior.
