Crashers Dana Haynes,2011-10-04 In this fresh and utterly compelling thriller, a team of Crashers must find the source of a deliberate plane crash—before another one takes place.

Crashers Dana Haynes,2011-08-18 Un aereo di linea si è schiantato al suolo vicino a Portland, nell'Oregon. Il dottor Tommy Tomzak, che si trova in città per un congresso, viene incaricato di coordinare le operazioni di soccorso. Soprattutto, deve isolare la scena del disastro affinché tutti gli elementi indispensabili all'indagine, dai resti sparsi alle scatole nere, siano a disposizione dei crashers: gli specialisti - medici, ingegneri, piloti, informatici, esperti di esplosivi - che hanno il compito di scoprire le cause dell'incidente. Mentre FBI, terroristi e un'affascinante ex agente dei servizi segreti israeliani sono impegnati in una mortale partita a scacchi, prende corpo la più inquietante delle ipotesi: che l'incidente sia stato non solo un attentato condotto con tecnologie avanzatissime, ma la prova generale di un attacco ancora più efferato. E il tempo per sventarlo è quasi inesistente.

Gate Crashers Patrick S. Tomlinson,2018-06-26 The only thing as infinite and expansive as the universe is humanity's unquestionable ability to make bad decisions. Humankind ventures further into the galaxy than ever before... and immediately causes an intergalactic incident. In their infinite wisdom, the crew of the exploration vessel Magellan, or as she prefers "Maggie," decides to bring the alienstructure they just found back to Earth. The only problem? The aliens are awfully fond of that structure. A planet full of bumbling, highly evolved primates has just put itself on a collision course with a far wider, and more hostile, galaxy that is stranger than anyone can possibly imagine. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Storm Crashers Richard Wickliffe,2016-06 Winner of Best Popular Fiction in the Florida Book Awards. Nature's most deadly force just got more terrifying. A category-four hurricane. Dark figures enter -they are the Storm Crashers: high-tech thieves who prey on storm evacuations. They must race the clock and are fearless -until they come across a mysterious young witness who fights back. The Crashers want to silence the woman who has seen them, and a new Cat-5 is on the way. Holms and the detective unravel their origin with action and twists that could inevitably impact our national security. A story inspired by real crimes, and so unique and action-packed, it was optioned by a big-six Hollywood studio.

Party Crashers Stephanie Bond,2011-11-11 No invitation, no alibi... Jolie Goodman is a perennial good girl—which is how she wound up selling shoes at Neiman Marcus during the holiday season: She walked out on her brokerage job because her boss asked her to do something unethical. Now she's trying to start her own brokerage firm in Atlanta at the worst possible time. Also pressing on her mind is the fact that her boyfriend of the last few months is missing...along with her car. With problems piling on, she manages to make a new friend at work, but too late she realizes her gal pal Carlotta Wren is a serial party crasher—which is fun...at first. But no one's laughing when a body turns up at an upscale party they've crashed and they're the only people who aren't supposed to be there! Jolie vows she'll never crash another party...if she gets out of this mess alive. "This is one of Stephanie Bond's best books to date, and her narrative sizzles with just the right blend of sensuality, mystery, and humor. There should be a notice on her books: For a really GOOD time, read Stephanie Bond!" -AOL Romance Fiction Forum "For a book that will keep you guessing until the finish, be sure not to miss PARTY CRASHERS." -Romance Reviews Today Bond lays on the laughs with such enthusiasm that "comic suspense" might be a better description [of the book]. -Publishers Weekly

Crashers Lindy Hudis,2013-10 Fraudulent car accidents is a multi-million dollar racket, involving unscrupulous medical providers, personal injury attorneys, and the cooperating passengers involved in the accidents and who also receive a portion of the illegal proceeds. Such is the fate of newly engaged, Nathan and Shari, whose joy is tempered by the dark cloud of mounting debt. A chance encounter with a stranger in whom Shari confides her troubles proves fortuitous: he tells her of a get-rich-quick scheme that will put her and her fianc on easy street. Seduced by the chance to move from hard times to good times in no time, Shari takes the carrot offered her, and finds herself acting as a stuffed passenger the victim in a staged auto accident. The act goes according to plan and Shari gets her payday, but getting out and breaking free of the insurance fraud underworld will take nothing short of a miracle. A modern day cautionary tale, Crashers is a true-to-life novel that uncovers how the innocent get lured into the scheme of cappers and hammers. A riveting story of love and desperation, greed and redemption.

The Party Crasher Sophie Kinsella,2022-07-12 NATIONAL BESTSELLER • From the #1 New York Times bestselling author of Love Your Life comes a humorous and heartwarming novel about family and finding a second chance at love, set against the backdrop of the most fabulous party you've ever snuck into. "Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter."—Jojo Moyes, author of The Giver of Stars and The Last Letter from Your Lover It's been almost two years since Effie's beloved parents got divorced, destroying the image of the happy, loving childhood she thought she had. Since then, she's become estranged from her father and embarked on a feud with his hot (and much younger) girlfriend, Krista. And now, more earth-shattering news: They've sold Greenoaks, the rambling Victorian country house Effie has always called home. When Krista decides to throw a grand "house-cooling" party, Effie is originally left off the guest list—and then receives a last-minute "anti-invitation" (maybe it's because she called Krista a gold-digger, but Krista totally deserved it, and it was mostly a joke anyway). Effie declines, but then remembers a beloved childhood treasure is still hidden in the house. Her only chance to retrieve it is to break into Greenoaks while everyone is busy celebrating. As Effie sneaks around the house, hiding under tables and peeping through trapdoors, she realizes the secrets Greenoaks holds aren't just in the dusty passageways and hidden attics she grew up exploring. Watching how her sister, brother, and dad behave when they think no one is looking, Effie overhears conversations, makes discoveries, and begins to see her family in a new light. Then she runs into Joe—the love of her life, who long ago broke her heart, and who's still as handsome and funny as ever—and even more truths emerge. But will Effie act on these revelations? Will she stay hidden or step out into the party and take her place with her family? And truthfully, what did she really come back to Greenoaks for? Over the course of one blowout party, Effie realizes that she must be honest with herself and confront her past before she'll ever be able to face her future.

Party Crashers Jonathan Roth,2018-03-13 Beep and his best friend Bob get blamed for a robbery on a fancy spaceship in this second book in the hilarious, action-packed Beep and Bob series! It's Bob's friend Lani's birthday, and she's having her party on a super luxury space cruiser called the Starship Titanic, whose motto is "The 100% safest ship in the galaxy." The Titanic boasts three water parks, sixteen amusement parks, and twelve-million hyper-show channels on TV! Beep and Bob pack their favorite swimsuits and their favorite TV watching gear. When Beep and Bob arrive on the ship, however, they realize they forgot the most important item: a birthday gift for Lani. Not only that, but Lani's parents are super rich and expect everyone to wear a suit to dinner (not the bathing suit that Bob wore by mistake). But that's not their biggest problem. No, that happens when the lights dim and guests' jewelry is stolen from right under their noses—and Beep and Bob get blamed for the crime! Things go from bad to worse when Beep and Bob discover that their "indestructable" ship is headed right for the ice rings of Neptune—and then starts plummeting toward the planet below! Can Beep and his squishy alien buddy save the Starship Titanic? Or will this be their last party ever?

Two Wedding Crashers Meghan Quinn,2018-03-11 A wild, sexy, and heart-filled adventure of two strangers who meet in the most unlikely of places. This laugh out loud and heartwarming romantic comedy from bestselling author Meghan Quinn will keep you on the edge of your feet as you fall in love with the second book in the Dating by Numbers Series. ****CAN BE READ AS A STANDALONE**** I don't know what love is anymore. Well, that's not entirely true, but I'm going to tell you a little secret: I've lost the spark. You know the kind of spark I'm talking about? Where butterflies take flight in your stomach from two hands innocently colliding. Or catching your breath when you first meet someone attractive. Yeah, that spark. Except I haven't felt that feeling in forever; there is nothing left inside of me. Normally, this wouldn't be a problem--but I'm a writer on a serious deadline, and my editor is breathing down my neck for a romantic, Nicholas Sparks type love story. No pressure, right? That's how I find myself flying across the country to

crash a wedding in the name of research, dress and heels stuffed into my small suitcase. It should be the easiest book research ever. Drinking some free champagne, basking in the love of two strangers, and tapping into my romantic side. That'll be a breeze. I'm a pro. I can handle this. Until I mistakenly end up in the wrong hotel room, naked as the day I was born, with the sexiest human I have ever met staring me down, wondering what I'm doing taking a shower in his bathroom. I don't think calling it research will get me out of this mess. But it will make for one hell of a story.

The Wedding Crasher Mia Sosa,2022-04-05 Named one of the most anticipated books of 2022 by EW, Oprah Daily, Marie Claire, Goodreads and Bookpage! The USA Today bestselling author of *The Worst Best Man* is back with a hilarious rom-com about two strangers who get trapped in a lie and have to fake date their way out of it... Just weeks away from ditching DC for greener pastures, Solange Pereira is roped into helping her wedding planner cousin on a random couple's big day. It's an easy gig... until Solange stumbles upon a situation that convinces her the pair isn't meant to be. What's a true-blue romantic to do? Crash the wedding, of course. And ensure the unsuspecting groom doesn't make the biggest mistake of his life. Dean Chapman had his future all mapped out. He was about to check off "start a family" and on track to "make partner" when his modern day marriage of convenience went up in smoke. Then he learns he might not land an assignment that could be his ticket to a promotion unless he has a significant other and, in a moment of panic, Dean claims to be in love with the woman who crashed his wedding. Oops. Now Dean has a whole new item on his to-do list: beg Solange to be his pretend girlfriend. Solange feels a tiny bit bad about ruining Dean's wedding, so she agrees to play along. Yet as they fake-date their way around town, what started as a performance for Dean's colleagues turns into a connection that neither he nor Solange can deny. Their entire romance is a sham... there's no way these polar opposites could fall in love for real, right? Mia Sosa... is genuinely a master of the modern romance novel. — Cosmopolitan

Crashers Jake Dunbar,1999-01-01 Planet Fall and Half-Life mark the debut of Crashers, a futuristic series of interlinked novels about an enduring, ultimately unbreakable friendship between the two most unlikely kids in the universe. Fourteen-year-old Lela is a child of privilege who is just beginning to question the world around her. The daughter of planet Haven's most powerful general, Lela is skeptical about her father's -- and the government's -- treatment of Crashers, those pathetic aliens who come from all over the galaxy to crash-land on Haven in search of a better life. Eli is a Crasher, a 13-year-old Earthling who leaves behind a deteriorating planet in hopes of starting a new life on Haven. What Eli doesn't know, however, is that the authorities on Haven forbid outsiders from entering their perfect world, and that the penalty for trying can be fatal. Thrown together by fate, Lela and Eli are at the center of a thrilling saga of courage and friendship. This is a series that doesn't shy away from themes of prejudice and fear -- even hatred -- but ultimately shows the triumph of our common humanity.

Gate Crashers Joe Kohler,2015-02-23 Gate Crashers: The Offensive Church makes the case that God desires to work through the church to do abundantly beyond all that we ask or think, according to the power that works within us, not because we deserve it, but for the praise, honor, and glory of his own name (Eph 3:20-21). Although much modern experience within the ranks of the professing church would cast doubt on this, the Scriptures reveal God's amazing plan and model for his church. While it may be true that our present system of church has drifted away from God's perfect design, the good news is that we can get back on track by submitting to his perfect will! Are you ready to get onboard the Offensive Church and become a gate crasher?
