

Crassus

Mildred Gledhill

Crassus Peter Stothard,2022-10-04 The story of Rome's richest man, who died a humiliating desert death in search of military glory Marcus Licinius Crassus (115-53 BCE) was a modern man in an ancient world, a pioneer disrupter of finance and politics, and the richest man of the last years of the Roman republic. Without his catastrophic ambition, this trailblazing tycoon might have quietly entered history as Rome's first modern political financier. Instead, Crassus and his son led an army on an unprovoked campaign against Parthia into what are now the borderlands of Turkey, Syria, and Iraq, losing a battle at Carrhae which scarred Roman minds for generations. After Crassus was killed, historians told many stories of his demise. Some said that his open mouth, shriveled by desert air, had been filled with molten gold as testament to his lifetime of greed. His story poses both immediate and lasting questions about the intertwining of money, ambition, and power.

Crassus B. A. Marshall,1976

Marcus Crassus and the Late Roman Republic Allen Mason Ward,1977

Defeat of Rome in the East Gareth C. Sampson,2008-07-16 "Not just worthwhile for its analysis of the battle, but also for its coverage on Marcus Licinius Crassus' long career and the rise of the Parthian Empire." —Medieval Warfare Magazine In 53BC the Proconsul Marcus Crassus and 36,000 of his legionaries were crushed by the Parthians at Carrhae in what is now eastern Turkey. Crassus' defeat and death and the 20,000 casualties his army suffered were an extraordinary disaster for Rome. The event intensified the bitter, destructive struggle for power in the Roman republic, curtailed the empire's eastward expansion and had a lasting impact on the history of the Mediterranean and the Middle East. It was also the first clash between two of the greatest civilizations of the ancient world. Yet this critical episode has often been neglected by writers on the period who have concentrated on the civil war between Pompey and Caesar. Gareth Sampson, in this challenging and original study, reconstructs the Carrhae campaign in fine detail, reconsiders the policy of imperial expansion and gives a fascinating insight into the opponents the Romans confronted in the East—the Parthians. "The book is very well written and tightly referenced . . . Recommended, especially for those who only remember Crassus as the guy who was played by Laurence Olivier in Spartacus." —Slingshot

Plutarch's Lives: Marcus Crassus.-Sertorius.-Eumenes.-Agessilaus.-Pompeius

Plutarch,1899

Seven Roman Statesmen of the Later Republic Charles Oman,1902

In the Shadow of Caesar David E. Gray,2013-05-30 If you believe what the sources have to say about Marcus Crassus, he was a cruel general, a money loving miser, and only had interest in furthering his own political career. This book serves as an attempt to right some of those lies, innuendos, and slanders by presenting an alternative view of his life and reexamining the 'primary' and secondary sources to gain a better understanding of just who Crassus was.

Marcus Licinius Crassus 135 Success Facts - Everything You Need to Know about

Marcus Licinius Crassus Jessica Colon,2014-06-05 A New Benchmark In Marcus Licinius Crassus Biography. This book is your ultimate resource for Marcus Licinius Crassus. The First Triumvirate of Rome Clifford Alexander, 2016-01-07 The First Century BC was a watershed for the development of the Roman state. It was a century characterized by near incessant warfare and political strife in Rome, evidence that a new form of government was necessary to rule over its new extensive conquests. It was becoming apparent to the traditional ruling elite that the ancient military superpower was beginning to undergo an uneasy transition from Republic to Imperial Power. Central in this change were the actions of the First Triumvirate: an alliance between the most powerful men in Rome. The Triumvirate was composed of Gnaeus Pompey Magnus, Marcus Licinius Crassus, and Gaius Julius Caesar, and together these individuals combined their vast political influence to reduce the Roman Senate to a mere charade. Together, they eked out a place for themselves at the head of the Roman state. Through their efforts, Gaul, Spain and Syria came firmly into the Roman fold. However, like all things true to the Roman Republic, the First Triumvirate was not invulnerable to outside coercion and manipulation. Soon, it too began to show signs of corruption, and each man started to suspect the other of looming betrayal. These misgivings would seep through the alliance until the poison had successfully turned the members of the First Triumvirate against one another. The political tension, and the ensuing war, would fundamentally alter the very fabric of the Roman state forever. From the chaos of the Triumvirate, a new form of government would take root: the Roman monarchy we now know as the Empire.

The Defeat of Rome Gareth C. Sampson, 2008 In 53BC the Proconsul Marcus Crassus and 36,000 of his legionaries were crushed by the Parthians at Carrhae in what is now eastern Turkey. Crassus' defeat and death and the 20,000 casualties his army suffered were an extraordinary disaster for Rome. The event intensified the bitter, destructive struggle for power in the Roman republic, curtailed the empire's eastward expansion and had a lasting impact on the history of the Mediterranean and the Middle East. It was also the first clash between two of the greatest civilizations of the ancient world. Yet this critical episode has often been neglected by writers on the period who have concentrated on the civil war between Pompey and Caesar. Gareth Sampson, in this challenging and original study, reconstructs the Carrhae campaign in fine detail, reconsiders the policy of imperial expansion and gives a fascinating insight into the opponents the Romans confronted in the East - the Parthians. AUTHOR After a successful career in corporate finance, Dr Gareth Sampson returned to the study of ancient Rome and gained his PhD from the University of Manchester, where he currently teaches ancient history. He has made a detailed study of early Roman political history and in particular the political office of the tribunate of the plebs. He is currently engaged in a study of the power struggles and the civil warfare of the late Republic and its expansionist policies in the East SALES Graphic account of the Parthian victory over Rome at Carrhae Penetrating study of the clash between two of the great civilizations of the ancient world Reconsiders the career of Marcus Licinius Crassus and his military reputation

The Political Biography of Marcus Licinius Crassus Mildred Gledhill, 1929

Plutarch's Lives of Nicias, Crassus, Aratus and Theseus Plutarch, J. Langhorne, W.

Langhorne, 2014-03 This Is A New Release Of The Original 1888 Edition.

Marcus Crassus Charles River, 2023-10-16 Marcus Licinius Crassus is most remembered today for being the richest Roman in history, and arguably the richest man in world history, but that came about in part because he played a key role in the revolutionary events that took place in Rome throughout the 1st century BCE, including the dictatorship of Sulla, the Third Servile War, the First Triumvirate, and the Parthian Wars. Crassus was the son of Publius Licinius Crassus, who was consul in 97 BCE, and while very little is known of Crassus' early life, his career as a military figure began in earnest when he escaped from Rome in 87 BCE to Spain to avoid Lucius Cornelius Cinna, who, along with Gaius Marius, led the opposition against Sulla. Thanks to his rise in the military and politics, Crassus's renown and riches heavily influenced his contemporaries. In the wake of the Third Servile

War, Crassus' patronage helped position Julius Caesar to be appointed governor of Hispania Ulterior. In order to maintain political office, which made him immune from prosecution for his debts, he left for modern day Spain before his praetorship expired. Caesar made this move knowing that governors were immune from prosecution, but governors also had vitally important military responsibilities via command of whatever legions were garrisoned in their territory. It would be as governor that Caesar's military career truly took off, starting with his victories over a couple of local tribes. These military successes earned him the title Imperator, the Roman equivalent of the title of Commander. Likewise, Caesar was heavily sponsored in his run for Consul by Crassus, and in a brilliant stroke of diplomacy, he succeeded in reconciling Crassus with Pompey, Rome's powerful and vastly successful general. Alongside Pompey and Caesar, Crassus established the First Triumvirate, with Crassus supplying the funds, Pompey the muscle, and Caesar the political clout necessary for governing the city. Though later triumvirates officially wielded power, like the Second Triumvirate (which formed in the wake of Caesar's assassination and included his heir Augustus and longtime general Mark Antony), this First Triumvirate acted behind the scenes to run Rome unofficially. The triumvirate would come to an end when Crassus met a sudden and unexpected end while campaigning in the east against the Parthians. Ironically, his failed campaign is better remembered than the rest of his life because of the way his reputation brought about his manner of death: ancient writers claimed that shortly after he was killed in fighting, the Parthians poured molten gold down his throat and then used his head as a prop in a play.

Plutarch's Lives of Nicias, Crassus, Aratus and Theseus Plutarch, 2014-03 This Is A New Release Of The Original 1888 Edition.

Plutarch's Lives Anonymous, 2023-07-18 Plutarch's Lives is a classic work of ancient history, exploring the lives and careers of some of the most famous figures of the ancient world. This edition focuses on Marcus Crassus, Sertorius, Eumenes, Agesilaus, and Pompeius, offering detailed biographical accounts of each figure and their impact on the ancient world. Plutarch's Lives is an essential text for anyone interested in ancient history or classical literature. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Entrepreneurial Thinking of Marcus Crassus Robert Lerner, 2020-05-26 Now, the Romans say that the many good qualities of Crassus were obscured by one vice, avarice... Plutarch, Crassus 2 Marcus Licinius Crassus was a political patron and partner in power with Julius Caesar, but he is best remembered as the Roman Republic's wealthiest man and for the not unrelated manner of his death. Crassus lost his life in battle with the Parthian Empire in 53 BC, but his story did not end there. The victorious Parthians, to mock Crassus' unquenchable thirst for wealth, proceeded to desecrate his corpse by pouring molten gold down his throat. Sigmund Freud even included the tragic scene in his classic work, The Interpretation of Dreams, and has a Queen of Parthia state to Crassus' corpse, Now hast thou what thou hast longed for. But buried deep beneath the lurid tales of Crassus' extraordinary life and gruesome death hides entrepreneurial genius. For the enigmatic Crassus time and again reveals himself as a financial wizard, who through his risk-taking and shrewd investments, reached the pinnacle of power in the Late Roman Republic. This book examines the many similarities between the wealth accumulation methods of this ancient businessman (be they good, bad or ugly) and the greatest entrepreneurs of America's Gilded Age-the men better known today as the robber barons. In the late nineteenth century, the term robber baron came into use to describe businesspersons who made great fortunes through aggressive, exploitive, and ruthless business practices as well as their ability to innovate on a grand scale. These same traits can also be clearly discerned in Marcus Crassus, who lived over 2,000 years ago. Although the author shows there is little

to admire in Crassus' character, there is still much to learn from his entrepreneurial thinking. ABOUT THE AUTHOR Robert Lerner is a retired business executive whose career spanned more than 30 years in the computer technology industry and culminated as President and CEO of QualxServ, a multinational computer services company. Besides The Entrepreneurial Thinking of Marcus Crassus, Lerner has published three other works of non-fiction that interweave ancient Roman business practices with the modern workplace - Entrepreneurship and Ethics in Ancient Rome: The Management Lessons of Pliny the Younger, Career Turbulence: Ancient Lessons for Survival in the Modern Workplace and Customer Acquisition Strategies: Modern Lessons from Ancient Rome's Greatest Entrepreneurs. He has also authored three works of contemporary fiction, An Accidental Prophet, The Cinderella Vessel and Dog Park Diaries.

Crassus Introduction

In today's digital age, the availability of Crassus books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Crassus books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Crassus books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Crassus versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Crassus books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-

improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Crassus books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Crassus books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Crassus books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered

by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Crassus books and manuals for download and embark on your journey of knowledge?

FAQs About Crassus Books

1. Where can I buy Crassus books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Crassus book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Crassus books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking

Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Crassus audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Crassus books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
