**Crimson** Niviaq Korneliussen,2019-05-02 'Effortlessly cool, funny yet sad, breezy but thoughtful - this is an edgy and unputdownable work of modern literature' Sharlene Teo, author of Ponti 'Crimson is written with immense courage - there's no faking the feeling of honesty on each page. It is a brave novel reminiscent of Irvine Welsh's Trainspotting' Laline Paull, author of The Bees The island has run out of oxygen. The island is swollen. The island is rotten. The island has taken my beloved from me. The island is a Greenlander. It's the fault of the Greenlander. In Nuuk, Greenland . . . Fia breaks up with her long-term boyfriend and falls for Sara. Sara is in love with Ivik who holds a deep secret and is about to break promises. Ivik struggles with gender dysphoria as their friends become addicted to social media, listen to American pop music and get blind drunk in downtown bars and uptown house parties. Then there is Inuk, who also has something to hide - it will take him beyond his limits to madness, and question what it means to be a Greenlander, while Arnaq, the party queen, pulls the strings of manipulation, bringing a web of relationships to a shocking crescendo. Crimson weaves through restlessness, depression, love and queer experiences to tell the story of Greenlanders through a unique and challenging form. The original text was written and published in the Greenlandic language.

An unforgettable story!" —Kresley Cole, New York Times bestselling author Jeaniene Frost is back with the first book of a sexy spinoff from her USA Today and New York Times bestselling Night Huntress series. In this electrifying novel, the spotlight shines on her popular characters Bones' and Cat's closest confidantes – and one woman will come close to the dark side of desire as she places her trust in a vampire who could prove to be her salvation...or her downfall. The winner of multiple awards—including a Romantic Times Reviewers' Choice Award for Best Urban Fantasy and a Romance Reviewers Today Best Paranormal Award—Jeaniene Frost has received the Romantic Times Top Pick rating four times in a row...not to mention unqualified raves from critics, peers, and discriminating fans of paranormal romance.

The chaos and terror now sweeping the land have come to the remote village of Diln -- sending young Jarom far from his home to seek aid against the nefarious usurper. **Kiss of Crimson** Lara Adrian,2010 He comes to her more dead than alive, a towering black-clad stranger riddled with bullets and rapidly losing blood. As she struggles to save him, veterinarian Tess Culver is unaware that the man calling himself Dante is no man at all, but one of the Breed, vampire warriors engaged in a desperate battle. In a single erotically charged moment Tess is plunged into his world—a shifting, shadowed place where bands of Rogue vampires stalk the night, cutting a swath of terror. Haunted by visions of a dark future, Dante lives and fights like there is no tomorrow. Tess is a complication he does not need—but now, with his brethren under attack, he must shield Tess from a growing threat that includes Dante himself. For with one reckless, irresistible kiss, she has become an inextricable part of his underworld realm...and his touch awakens her to hidden gifts, desires, and hungers she never knew she possessed. **Crimson Born** Amy Patrick ,2021-02-07 Every human of adult age and sufficient health shall therefore donate, every sixty days, one pint of blood to the blood bank of his or her district, ensuring the survival of the vampire race, the continued safety of humankind, and peace between the species—Edict Fourteen of The Crimson Accord As long as I can remember, I've longed for a different life—one filled with adventure, excitement, and romance. This wasn't exactly what I had in mind... One minute I was riding in a horse-drawn buggy on my way home to my quiet Amish village— the next was torn by the screech of car tires, and twisted metal, and the white hot lance of pain. There was no doubt in my mind my life was over. So when I woke up to the face of a beautiful stranger who promised me the suffering would end soon, I thought I'd seen an angel. I couldn't have been more wrong. Abigail Byler is caught between two worlds at the worst possible time in human/vampire history. A peace treaty signed fifty-five years ago allowed vampires to come out of hiding and begin participating in the world in a respectable, productive way. Not only did it permanently solve supply chain issues arising from illness, death, and exhaustion for humans (Vampires make phenomenal long-haul truck drivers and night-shift workers) it also provided a much-needed non-violent option for their kind to satisfy their own nutritional needs. As long as every healthy adult human makes regular donations to blood banks and a reasonable percentage of the supply is allotted to vampires, no one will ever be bitten (without their permission) again. But now the anti-vamp movement in America is growing, blood donations are down, and the Accord is in danger of crumbling. Abigail will have to navigate her new place in the world--and in the beautiful but deadly Crimson Court--if she's to have any hope of surviving... and helping the human race do the same. CRIMSON BORN is a romantic and gripping full length YA dystopian vampire fantasy that will transport fans of paranormal romance and young adult urban fantasy to a fascinating supernatural world within our own, filled with suspense, danger, sizzling tension, and desire. \*\*\* If you love dangerous romantic vampire fiction like Crave, the Blood and Ash series, and Crescent

City, you'll fall in love with the addictive, heart pounding excitement and suspense of the Crimson Accord series! Perfect for fans of Tracy Wolff, Sara J. Maas, Jennifer Armentrout, and Charlaine Harris. Grab your copy today and dive into the Crimson world!

But the threats are closer to home...In Adro, Inspector Adamat wants only to rescue his wife. To do so he must track down and confront the evil Lord Vetaz. He has questions for Vetaz concerning his enigmatic master, but the answers will lead Adamat on a darker journey. Who will lead the charge?Tamas's generals bicker among themselves, the brigades lose ground every day beneath the Kez onslaught, and Kresimir wants the head of the man who shot him in the eye. **Crimson Forest** Christine Gabriel,2023-12-17 "Something horrible is happening in the Crimson Forest. I need you to promise me you'll stay away from it." Eighteen-year-old Angelina Adams had every intention of taking that advice. She had no desire to disappear into the trees as so many hunters had done. But when her mother is brutally murdered in their home, and the attacker comes for her, she has no choice but to flee into the blood-red woodland that claimed her father's life years before. There she meets Nicolai, a handsome, mysterious stranger who vows to protect her from the dark forces bent on destroying her life. But can he be trusted? Is he who he says he is, or will he simply take what he wants from her and move on? Angelina soon realizes that nothing is as it seems in the Crimson Forest, a place where creatures known only to humans through myth and legend fight for love and survival. It's a world where fairy tales thrive, nightmares become reality, and some secrets are better left undiscovered. Crimson Forest is the first book in The Crimson Chronicles, an exciting new adult fantasy series from Christine Gabriel. Book Two is Crimson Moon.

**A Darker Shade of Crimson** Ruben Navarrette,1993 Navarrette brings to life the Harvard he loved and hated, the classmates and teachers who tried to shape his values, the family and friends left behind. **Shot With Crimson** George Barr McCutcheon,2021-05-19 Shot with Crimson is a wonderfully written short fiction that revolves around a ring of German-American spies and saboteurs in the New York City area during World War I. This engrossing work was written in 1918 by American novelist and playwright George Barr McCutcheon, whose best-known works are Graustark (1901) and Brewster's Millions (1902). Excerpt from Shot with Crimson: Every one was talking,—loudly, excitedly, and in some cases violently. Some were excoriating the Germans, others were bitterly criticizing the Government for its over-tenderness, and still others were blaming themselves for not taking the law in their own hands and making short work of the soap-boxers, the pacifists, and the obstructionists. Little Mr. Cribbs was the most violent of them all. He was for organizing the old-time Vigilantes, once so efficacious in the Far West, and equipping them with guns and ropes and plenty of tar and feathers.

**Crimson Roses** Grace Livingston Hill,2023-12-10 Alone in the city without money and friends. **The Crimson Fairy Book** Andrew Lang,1903 A collection of fairy tales.

**Crimson** CG Blade,2012-03-18 In this sequel to Cobalt, Crimson is an homage to Hammer Film Studios (Bray) in the essence of The Studio That Dripped Blood. Crimson has the overall feel of old school horror mixed with a dash of new school science fiction. Prepare to 'stiffen' up a bit as Crimson stings her way into your connective tissue. Brought to its knees, America, and the entire planet, is on the brink of disaster, and only one thing stands in their way of completing their satanic programming. Petra is in for the fight of her life as this ever-growing evil plagues the earth. Crimson is a mind-bending action-packed science fiction novel filled with past, present, and future, historical conspiracies. This second novel in the Pseudoverse Series is a deep rich crimson soaked story with a plot that twists and turns page after page. Technologically driven, this story is one 'hell' of a ride and contains the mother of all retrofits.
