Robert J. Power

The Crimson Hunters: A Dellerin Tale Robert J. Power, 2019-11-21 Some mercenary groups are elite, unstoppable, demon-slaying heroes. The Crimson Hunters are not those type of mercenaries.

Crimson Hunter N. D. Jones, 2019-10-20 The War of Eternal Hunger freed witches from the rule of werewolves, ending a patriarchy only to create a matriarchy. A thousand years later, Oriana, Matriarch of Steelcross and Crimson Hunter, is a young, untried ruler who seeks to bridge the divide between witches and werewolves. But how can witches trust werewolves not to hurt them when Rage Disrupter collars are needed to control their lust for witch's blood and magic? And how can werewolves trust witches to treat them as equals when they've built metal cities and armed themselves, literally, with iron weapons of werewolf destruction? Claws and fangs. Magic and metal. Will one side devour the other, or will they find a way to peacefully coexist? Welcome to Earth Rift, where the moon is black, and the sun is crimson.

Crimson Death Laurell K. Hamilton, 2017-06-20 In her twenty-fifth adventure, vampire hunter and necromancer Anita Blake learns that evil is in the eye of the beholder... Anita has never seen Damian, her vampire servant, in such a state. The rising sun doesn't usher in the peaceful death that he desperately needs. Instead, he's being bombarded with violent nightmares and blood sweats. And now, with Damian at his most vulnerable, Anita needs him the most. The vampire who created him, who subjected him to centuries of

torture, might be losing control, allowing rogue vampires to run wild and break one of their kind's few strict taboos. Some say love is a great motivator, but hatred gets the job done, too. And when Anita joins forces with her friend Edward to stop the carnage, Damian will be at their side, even if it means traveling back to the land where all his nightmares spring from...a place that couldn't be less welcoming to a vampire, an assassin, and a necromancer: Ireland.

The Crimson Heirlooms Hunter Dennis, 2023-08-31
Effortlessly blending sedulous research of factual and intellectual history with deep character, the writing style of Hunter Dennis has been compared to Hugo, Dickens and Tolstoy by respected reviewers such as Kirkus and Seattle Book Review. The Crimson Heirlooms series is a unique treat for fans of literature, history, and Crimson Heirlooms. One tangible - a priceless necklace called the Cross of Nantes. The other ephemeral - a secret hidden within the lyrics of a song. Each holds the power to change the course of history. But together, the price of ownership is death or Paris. Jake Loring is an American student living in the city during the turbulent march to revolution. Torn between the safety of going home to America and the passionate adventure of joining the Resistance, Jake foolhardily follows Paris into violent madness and soon finds himself being blackmailed by the Sphinx-like Monsieur Tyran to search for the Crimson or die France. The Heirlooms are born out of the drama unfolding in and around the dying manor of the Traversier Family and the Guerriers of Saint-Domingue. Furious betrayal, religious passion, illicit love and faltering honor between the men and women of both clans forge the Heirlooms and determine the fate of each and present intersect as Jake outruns the dangerous forces trying to stop him while sifting through the rubble of this half-century-

old drama in order to find the clues that will lead him to the current location of the Heirlooms and to at what cost to France? And his soul?

It was, ;the devil;s song, as he danced across the blood-drenched hills of the Vendée Militaire. ;Both were found.
