Brooklyn's Most Wanted Craig McGuire,2017-06-20 A collected history of the 100 most notorious criminals to walk the streets of the New York City borough. Brooklyn's Most Wanted parades an impressive perp walk of 100 of the borough's most notorious, ranking them meticulously from bad to worst. From crime bosses to career criminals to corrupt politicians, pedophile priests to Ponzi scammers, this is not your usual crime chronicle. You want labor racketeering, Ponzi scheming, hijacking, murder, loan sharking, arson, illegal gambling, money laundering? Fugetaboutit! Take this guided gangland tour of Brooklyn, the broken land, and meet everyone from the South Brooklyn Boys to the Soviet thugs of Brighton Beach's Little Odessa. Want to know what Billy the Kid, John Wilkes Booth and the Son of Sam all have in common? Brooklyn. Anthony "Gaspie" Casso, Al Capone, Frankie Yale, Paul Vario, Roy DeMeo and so many more malicious malcontents and maniacs stalk these pages, as author Craig McGuire rank a rogues' gallery of the best of the worst from Brooklyn's crime-ridden past and present. This includes more than a century of screaming crime blotter headlines, spotlighting epic cases, like The Brooklyn Godmother, The Sex Killer of Brooklyn, The Nurse Girl Murder, The Long Island Railroad Massacre, The Thrill Kills Gang, and many more. From "Son of Sam" to "Son of Sal," "Little Lepke" to "Big Paulie," "The Butcher of Brooklyn," "The Vampire of Brooklyn," "The Gang Who Couldn't Shoot Straight," and even "The Man Who Murdered Brooklyn Baseball," they're all here. Much more than Murder Incorporated, this book features kingpins and lone wolves alike, with a line-up featuring many of the multi-ethnic mobs mimicking the original La Cosa Nostra—the Russian Mafia, the Albanian Mafia, the Polish Mafia, the Greek Mafia—in fact, this book contains more mafias than you can shake a bloody blackjack at. The author's proprietary Notorious Brooklyn Index analyzes criminal activity, socio-economic type, notoriety, relation to Brooklyn and more for a final score that's far from conjecture—though it will undoubtedly spark debate. Praise for Brooklyn's Most Wanted "Never has anyone put together a look into so many of Brooklyn's worst. This is a great read I highly recommend." —Thomas Dades, retired NYPD detective, bestselling author of Friends of the Family "If you love all-things-Brooklyn like I do, this is an absolute must-read you need on your shelf. . . . A revealing, rousing, rip-roaring tour that will slice you right into the underbelly of New York City's most historic borough." —Ron Valdes, co-founder, Brooklyn Creative Partners

Queens of the Underworld Caitlin Davies,2021-10-14 'This book is an extremely important part of women's social history. Read it!' - Maxine Peake Robin Hood, Dick Turpin, Ronnie Biggs, the Krays ... All have become folk heroes, glamorised and romanticised, even when they killed. But where are their female equivalents? Where are the street robbers, gang leaders, diamond thieves, gold smugglers and bank robbers? Queens of the Underworld reveals the incredible story of female crooks from the seventeenth century to the present. From Moll Cutpurse to the Black Boy Alley Ladies, from jewel thief Emily Lawrence to bandit leader Elsie Carey and burglar Zoe Progl, these were charismatic women at the top of their game. But female criminals have long been dismissed as either not 'real women' or not 'real criminals', and in the process their stories have been lost. Caitlin Davies unravels the myths, confronts the lies and tracks down modern-day descendants in order to tell the truth about their lives for the first time.

The World's Greatest Crooks & Conmen Nigel Blundell,2002 Like it or not, the rascals and rogues of this world are generally more interesting characters than the good guys. Their names and escapades are better remembered than those of the heroes. In this volume you will find a remarkable array of men and women, including the politician who faked his own death, the clerk who 'invested' £32 million of his banks money adn the train robber who became a legend in his own lifetime.

Gangsters, Swindlers, Killers, and Thieves Lawrence Block,2004-05-13 Drawing on his experience in creating fictional bad guys, crime novelist Lawrence Block surveys the underside of American history through fifty of its most infamous characters. Some, like Jesse James, Bonnie Parker, and Joe Colombo, led a life of crime; others, like John Wilkes Booth and John White Webster, committed one notorious act. Some, like Pretty Boy Floyd or the elusive thief Railroad Bill, have become folk heroes, whether or not the real details of their lives matched the myths they inspired. Others, like Ed Gein and Ted Bundy, will be forever reviled. Block introduces each biography with a writer's eye for character and a good story. He begins the book with a short essay that considers how Americans have defined and regarded villains through history. The biographies, culled from the pages of the American National Biography and illustrated

with archival photographs, describe each villain's background, exploits, and eventual fate--often with unexpected details. The convicted killer Nathan Leopold, for example, became the administrator of a leprosy hospital after his parole. The gangster Dutch Schultz was known not only for his bootlegging expertise but also for his cheap, ill-fitting clothes. The stagecoach bandit Black Bart fancied himself a poet (or, as he put it, PO8). And when outlaw Bill Doolin finally met his end, only a rusting buggy axle marked his grave. Ideal for readers of true crime, crime fiction, and history, Gangsters, Swindlers, Killers, and Thieves brings a fresh perspective to American's fascination with crime and its perpetrators.

Crooks Bill Reed,2015-04-07 You would have to wonder why a Rhodes Scholar, a VC winner and a Commissioner of Police named his son Frank E. R. Stein by way of a ha-ha ‘monstrous joke’... or why he cackled derision every time his eyes lit upon the boy; or why he showered more affection on his adopted son, Costas, the otherwise offspring of a Mr Bigs of organized crime. And as the well is so poisoned such is the quest Frank Stein must make to seek revenge for the gangland killing of his crusading crime-fighting half-brother. At least it is a way to presuppose the kingpins presumably coming for him too; after all, even as a joke, it’s not how you bow out, but how you get stuck in. Rape, assassination, shocking intrusions of a vicious crime world... it’s all there for a tragic and hilarious story to unfold before Frank Stein, assisted(?) by his own side comprising of a woman in search of an international bestseller and an indigenous brother who survives writing sports reports without going to any games when all he needs is a deaf, dumb and blind rich white sort to tide him over. And, yes, haunting over all is a shadowy guardian Chinese toughie, as well as his ubiquitous father from his wheelchair. One has to ask: what have the famous father’s shocking WW1 experiences to do with the resulting mayhem? What has be done to his sons? What did the Nip bullet the old boy finally coughed up after forty years look like, even as a metaphor? Underlying the rich gallery of these and other grotesques, there are the wit and the pace and the bawdry of Crooks. In the real-life crime parlance of ‘a pushover to put down’, this book won’t disappoint crime buffs. ----- about the author Originally a well-known playwright, Bill Reed began writing longform fiction in his late thirties. To date he has written thirteen novels, including the so-called noteworthy ‘1001 Lankan Nights, books 1 and 2’. He has had eight plays professionally staged. He has worked as an editor and journalist in Australia and overseas before finally putting his feet up in Sri Lanka.

Bostick,2019-03-04 A harrowing, in-depth account of a black man’s wrongful conviction and execution for a white man’s murder in Jim Crow South Carolina. June 1910, Charleston, South Carolina. A Jewish merchant, Max Lubelsky, lay murdered in his clothing store on Upper King Street.
