Ali Cross James Patterson, 2019-11-25 James Patterson's blockbuster Alex Cross series has sold over 100 million copies – and now he's bringing those thrills to a new generation! Alex's son Ali is eager to follow in his father's footsteps as a detective, but when his best friend goes missing, what price will he have to pay to solve the mystery? Ali Cross has always looked up to his father, former detective and FBI agent Alex Cross. While solving some of the nation's most challenging crimes, his father always kept his head and did the right thing. Can Ali have the same strength and resolve? When Ali's best friend Gabe is reported missing, Ali is desperate to find him. At the same time, a string of burglaries targets his neighborhood -- and even his own house. With his father on trial for a crime he didn't commit, it's up to Ali to search for clues and find his friend. But being a kid sleuth isn't easy -- especially when your father warns you not to get involved! -- and Ali soon learns that clues aren't always what they seem. Will his detective work lead to a break in Gabe's case or cause even more trouble for the Cross family?

The Cross Bob Sorge , 2021-02-12 Kneel again in blood and water, and revisit the hill where the two of you first met. Understand the great paradox of the cross—He suffered so we never have to, and He suffered to show us how. His cross will make sense of your sufferings. Your faith will be strengthened as you believe God for your own resurrection! This is the most profound writing on the cross I have ever read. The magnitude of this book is almost beyond my ability to describe—it's a treasure of truth. Don Wilkerson Co-Founder, Teen Challenge

Cruciformity Michael J. Gorman, 2001-07-17 Most studies of Paul concentrate solely on his theology. This book breaks new ground by focusing on the source and nature of Paul's spirituality. Taking his cue from Paul's express desire to know nothing but Christ crucified, Michael Gorman shows how Paul's personal experience of God constantly intersects with the story of the cross, an event that both reveals the cruciform character of God and shapes believers into a community of cruciformity (conformity to the crucified Christ). Expertly combining biblical studies and theological reflection, this noteworthy volume presents a model of the Christian life marked by faith, love, power, and hope.

The Cross Max Lucado, 2017-02-14 Max's most encouraging words on life's most important subject are collected into one volume and enhanced with beautiful, full-color photography. An everyday reminder of what the Cross means to you adds joy and gratitude to ordinary days, pain-filled days, and even the best days.

Deadly Cross James Patterson, 2020-11-23 The murder of a glamorous DC socialite becomes Alex Cross's deadliest case since Along Came a Spider. Kay Willingham led a life as glamorous as it was public—she was a gorgeous Georgetown socialite, philanthropist, and the ex-wife of the vice president. So why was she parked in a Bentley convertible idling behind a DC private school, in the middle of the night, with the man who was the head of that school? Who shot them both, point blank, and why? The shocking double homicide is blazed across the internet, TV, newspapers—and across Alex Cross's mind. Kay had been his patient once. And maybe more. While John Sampson of DC

Metro Police investigates the last movements of Christopher Randall, the educator killed along with Kay Willingham, detective Alex Cross and FBI special agent Ned Mahoney find unanswered questions from Willingham's past, before she arrived in DC and became known in DC society as someone who could make things happen. They travel to Alabama to investigate Kay's early years. There they find a world of trouble, corruption, and secrets, all of them closed to outsiders like Cross and Mahoney. Kay had many enemies, but all of them seemed to need her alive. The harder the investigators push, the more resistance they find when they leave behind the polite law offices and doctors' quarters of the state capital. Alex Cross will need to use all his skills as a doctor, a detective, and a family man to prevent that resistance from turning lethal . . . again.

Criss Cross James Patterson, 2019-11-25 When a mysterious serial killer known as M launches a deranged investigation, Alex Cross and his partner must unearth long-forgotten secrets to survive -- or risk getting buried themselves. In a Virginia penitentiary, Alex Cross and his partner, John Sampson, witness the execution of a killer they helped convict. Hours later, they are called to the scene of a copycat crime. A note signed M rests on the corpse. You messed up big time, Dr. Cross. Was an innocent man just put to death? Alex soon realizes he may have much to answer for, as M lures the detective out of the capital to the sites of multiple homicides, all marked with distressingly familiar details -- details that conjure up decades-old cases. Details that conjure up Cross family secrets. Details that make clear that M is after a prize so dear that -- were the killer to attain it -- Alex's heart would no longer have reason to beat.

Sutter's Cross W. Dale Cramer, 2003-01-01 Men and women of all ages will warm to Cramer's elegant prose and Southern charm. William Faulkner once insisted that great stories must capture the old universal truths...love and honor and pity and pride and compassion and sacrifice. Sutter's Cross delivers the truth in grand style. Sutter's Cross is a resort town in the southern Appalachians, where people live in comfortable homes, have comfortable portfolios, and wear comfortable clothes. They expect their lives, their weather, even their God, to be cooperative and predictable--until a stranger calling himself Harley shows up in the buffet line at the church's annual spring picnic looking like a wreck and wearing stolen jeans. Can God use an outcast to change a town?

The Cross Robin M. Jensen, 2017-04-17 The cross stirs intense feelings among Christians as well as non-Christians. Robin Jensen takes readers on an intellectual and spiritual journey through the two-thousand-year evolution of the cross as an idea and an artifact, illuminating the controversies--along with the forms of devotion--this central symbol of Christianity inspires. Jesus's death on the cross posed a dilemma for Saint Paul and the early Church fathers. Crucifixion was a humiliating form of execution reserved for slaves and criminals. How could their messiah and savior have been subjected to such an ignominious death? Wrestling with this paradox, they reimagined the cross as a triumphant expression of Christ's sacrificial love and miraculous resurrection. Over time, the symbol's transformation raised myriad doctrinal questions, particularly about the crucifix--the cross with the figure of Christ--and whether it should emphasize Jesus's suffering or his glorification. How should Jesus's body be depicted: alive or dead, naked or dressed? Should it be shown at all? Jensen's wide-ranging study

focuses on the cross in painting and literature, the quest for the “true cross” in Jerusalem, and the symbol’s role in conflicts from the Crusades to wars of colonial conquest. The Cross also reveals how Jews and Muslims viewed the most sacred of all Christian emblems and explains its role in public life in the West today.

Construing the Cross Frances M. Young, 2016-02-18 Construing the Cross reconsiders ways in which the cross of Christ was understood before “atonement theories” narrowed the categories. The “typology” of Passover is explored as probably the very first way in which Christians came to understand the passion. The use of sacrificial imagery is re-examined. The significance of identifying the cross with the Tree of Life is traced across the centuries into medieval times, along with other surprising links with the Eden narrative. The validity of seeking imaginative insights to grasp what the cross signifies is given theological consideration in a chapter that moves into literary and liturgical reflections and is punctuated with cruciform poems. The overall outcome is a quite paradoxical focus, not on death, but on life. From his supermaximum-security prison cell, Kyle Craig has plotted for years to have one chance at an impossible escape. If he has to join forces with DC's Audience Killer to get back at the man who put him in that cell--Alex Cross--all the better. In the Shadow of His Cross Douglas McDonough, 2019-02-15 Over two thousand years ago, a man named Jesus of Nazareth lived, preached about love and forgiveness to his friends and followers, ultimately was crucified on a cross, died, and rose on the third day. It is a story that has been told and retold for millennia. But what do we know about what was happening in the shadows of Christ's cross? In the Shadow of His Cross is a fictional story of political intrigue, love, and revenge. Titus is a centurion of the Roman army assigned to maintain peace and order in one of the furthest outreaches of the Roman Empire. There, he navigates the dangerous political waters in Jerusalem, following his orders while also using the power plays between Pontius Pilate, the governor of the Roman province of Judea, and Caiaphas, the high priest of the great temple of Jerusalem, to his ultimate advantage. In the shadows, we also meet Dysmas. Dysmas is a man no different from many of us. He is a devoted husband and father, doing his best to raise his two young children in difficult political times. He is a hardworking craftsman and a loyal neighbor. But something happens to change him, to seal his destiny to be crucified alongside Jesus of Nazareth. Is forgiveness and redemption possible? Find out what took place In the Shadow of His Cross.

In the Shadow of the Cross Randal Earl Denny, 2007-02-01 How could things deteriorate so quickly in twenty-four hours? From a banquet to a burial! The dark shadow of the executioner's cross sliced across that unforgettable day. A tragic day -- yet planned by a sovereign God. Watch anew as Jesus prays his prayer of submission to the Father's will, as he passes through the sting of betrayal, as he faces undaunted the inhumane and hateful treatment, and as he speaks unexpected last words that leave a legacy of love. Walk with Jesus from the garden to the tomb, to that first Easter morning, the dawning of hope and joy. For the shadow of the cross is the anguished prelude to the best news you will ever hear: He is risen!
