Confessions In A Crown Vic Peter Lagomarsino, 2012-12-10 "Confessions in a Crown Vic" is the story of professional displacement during the Great Recession, an Architect as Cab driver, while seeking Architecture work. It interviews Paolo Soleri the visionary Urban design architect, and the traffic engineer, Louis Lagomarsino, for Phoenix's highways, and the author's passengers' marginalization for their lack of a car. It's a journey through an Architect's life, beginning with schooling, travels, design, internship, and practices in many genres of clientele from private to public projects for the U.S.P.S., U.S.A.F., and the U.S.A.C.O.E. It takes us through different cities and urban configurations. But most of all it takes us through history's cycles of political change, the semantics of their origins, the delivery of designs, and the affects of expansion and colonialist attitudes in America. It's a critique of Urban Sprawl, and the irrationality of relying on housing starts to determine a healthy economy. It examines Keynesian versus Classical economics, comparing them with the events of the last "American" century. He illuminates the American Dream's unsustainable promise to even its poorest citizens, considering whether we can still re-materialize that dream out of its current mythological existence. Is this dream for everyone? Can we grow a culture based on the automobile and a limited fossil fuel economy? It challenges this dream's configuration, while placing a heavy burden of responsibility for our economic demise on its mythical component, the greed that drove it, and the Sprawl that has burdened it. www.confessionsinacrownvicbook.com

Crown Vic Lee Goldberg, 2023-10-13 From Lee Goldberg, #1 New York Times bestselling author, comes the darkest, most hard-boiled work of his career... This hand-grenade of pure noir features two, never-before-published crime stories about Ray Boyd, an ex-con traveling the open road in a used, black-and-white, Ford Crown Vic Police Interceptor. Ray is the anti-Reacher. He doesn't help people in trouble. He helps himself. Fair warning, these two violent, sexually explicit stories -- Ray Boyd isn't Stupid and Occasional Risk -- mark a sharp departure from the police procedurals and fast-moving thrillers that Goldberg is known for, though they feature the same ingenious plotting, colorful characters, and outrageous wit of his best-loved work. They are, as he says in his lively introduction, a test run. If there is an enthusiastic response to the stories, he says that Ray Boyd will be back... Praise for Lee Goldberg's Books Goldberg is a master of his craft. Library Journal Thriller fiction at its absolute finest. Lee Child Goldberg's thrillers are some of the wittiest around. CrimeReads One of crime writing's true pros. Elmore Leonard and Donald Westlake would've loved this wild heist. Ace Atkins Goldberg is every bit the equal of Michael Connelly. Providence Journal One of America's greatest crime and thriller writers. Garry Disher A cut above the rest. Philadelphia Inquirer Lee Goldberg puts the pro in police procedural. Meg Gardiner A cop novel so good it makes much of the old guard read like they're going through the motions until they can retire. Booklist A heroine for the ages. Michael Connelly Goldberg proves again that he is a master storyteller. Mystery & Suspense Magazine Goldberg walks a tightrope between suspense and humor and never slips. Linwood Barclay Goldberg's fast-paced prose should put this one on the radar of every crime-fiction fan. National Public Radio

A Whisper Away... Robert E. Fisher,2004-12 Professor Mitchell Cameron was quite content existing as he was, numb, uncaring, and uninvolved. He had given up on anything that might awaken his senses, except for Jessie he believed in Jessie. He loved her. But Jessie's view of life was quite different from his she cared too much about everything, which is too much for anyone. In the end, she felt so empty from trying so hard, it finally killed her. Now all Mitchell had left was his loss. He felt no rage or disgust, just numb until that one day. He walked into the woods, as he had many times before, but this time things were very different. He was led to what so many, including myself, had assumed didn't exist: the Forest. The place where creatures discuss all kinds of matters like life, love, hate, war, peace, abuse, murder, punishment, goodness, happiness, grief, marriage, trust, faith, and on and on. Everyone in the Forest, young and old, is fully alive and vibrant and, as Dr. Cameron found out, this place can be found easily if you follow the guidelines. After all, it is only a Whisper away.

The Christmas Killer J.R. Mitchell Fletcher, 2023-08-10 Detective Jock Mitchell, after serving eight years in the Washington, DC, Metropolitan Police Department (DCPD), left DCPD to pursue a career as a homicide detective. He landed in the historic city of Fredericksburg, Virginia, with his wife, Latisha. After being named the sheriff department's only homicide detective, his work was largely relegated to solving B&Es and robberies. Detective Mitchell hadn't found the fulfillment he sought. On a cold winter morning in December, Detective Mitchell found himself at the center of a brutal and terrifying killing. Little did he know, it was just the beginning of a killing spree. How many would face the killer's wrath before he was caught, if ever? As the bodies piled up, the city desired a festive Christmas and holiday season, but the killer, aptly named the Christmas Killer, desired revenge and was killing the season's holiday business. The inexperienced detective had no answers, only victims. Was he really cut out to be a homicide detective? Critics' Views: Fascinatingly entertaining. Brilliantly written. Clever plot and engaging. Kudos to new mystery author, J. R. Mitchell Fletcher.

A body has been dumped in his Chinatown squat and Ray is the only suspect in the killing. To clear his name, he must turn to his old friend, Nick. But Ray is going to have to prove his innocence without Nick's help. The Last Dance of Low Seward is the second volume of Brad Grusnick's Vagrant Mystery Series, a modern noir exploring the underbelly of Los Angeles. Be sure to pick up Book 1 in the series, The Last Will and Testament of Ernie Politics.
