

Crowned King

Elizabeth J Hawks

The Crowned King ,1873

A Crown for the King Ibn Gabirol,David R. Slavitt,1998 The Royal Crown (or, A Crown for the King in Slavitt's translation) is the greatest of Gabirol's poems. Its theme is the problem of the human predicament: the frailty of man and his proclivity to sin, in tension with a benign providence that must leave room for the operation of man's free will and also make available to him the means of penitence. The Royal Crown is still printed in prayerbooks of the Sephardic rite for the Day of Atonement, and among North African Jewish communities (and their offshoots in Israel and elsewhere) it is read communally before the morning service of the Day. In northern Europe and the West this custom has lapsed, however the Royal Crown is still used for private penitential reading.

A King to Be Claimed Brea Alepoú,2019-03-03 Blessed by the gods and goddesses, edoli have lived alongside humans for thousands of years. While some hold such abilities as shape-shifting and controlling the elements, the rarest are the kings and queens who can bond through blood with keepers and amplify their power... and their own.Titos has been seen as useless and weak his entire life. He's never been able to bond with another edoli and has nothing of value to offer his queen. Exiled and alone, he's spent years living amongst humans and away from other edoli in the hope of avoiding execution. When a stranger saves him from certain death, Titos's life will never be the same. Seth isn't just some random stranger: he's absolutely gorgeous and claims to have been drawn to Titos to serve him as his keeper. He assures Titos he is a king, and a powerful one at that. Never in his wildest dreams could Titos have imagined he was someone special.But a king isn't all Titos is...After nearly killing Seth during their bonding, Titos is terrified of his abilities. Luckily, Seth isn't the only keeper drawn to Titos's call, and Mazki knows what to do to save Seth's life. The connection between Titos, Seth, and Mazki is immediate and strong, and it isn't long before Adom and Kail are drawn to Titos as well. But now that Titos has accepted his birthright, they all know that it won't be long before the edoli council comes for him. Running from homicidal hunters and trying to stay hidden from the council, Titos knows he doesn't have long to prepare. Sooner than he'd like, he'll have to fight to defend what he and his keepers are building. And his very life.A King to Be Claimed contains a HFN ending, scenes with multiple partners, mild blood play, and a king who just wants to be loved.

Within the Hollow Crown Margaret Campbell Barnes,2010-04-01 Within the hollow crown that rounds the mortal temples of a king... -Shakespeare, The Tragedy of King Richard II Unlike his father, the Black Prince, or his namesake, King Richard the Lionheart, Richard II never really wanted to be king. But the mantle of royalty is thrust upon his shoulders at age 11, at a time when England is racked by unrest and class warefare. A leader as unexpected as he is inexperienced, young Richard must find a way to triumph over a fierce conflict more destructive than any foreign enemy. Richard's love for his wife, Anne of Bohemia, gave him the strength to outwit the schemes of his enemies and govern as he saw fit, providing England with years of prosperity under his reign. But when tragedy strikes, Richard begins to loose the common touch by which he had ruled so brilliantly, and begins a downward spiral from which his detractors would derive strength... Sympathetic picture of sensitive, peace-loving, and ill-beset Richard II, who had it in him to be one of the best kings England ever had.-Booklist Ms. Barnes captures the flavor, pageantry, and color of the Middle Ages...a distinguished novel. -Philadelphia Inquirer

King's Crown Marie Johnston,2020-02-24 I needed a job and a place to live, but after getting snowed in with an older oil tycoon I have to find a way to cool off first. From Marie Johnston comes an age gap, snowed-in with a dash of workplace romance. I got laid off and kicked out of the house I was sharing with my ex—on the same day. Faced with moving home and being put back in charge of my five siblings, I jump at a mysterious job interview. The only catch is that I hitch a ride with a local oil tycoon...on his private jet. Gentry King is also the single dad of the guy I’m interviewing with. Dads aren’t supposed to be that sexy in a suit, ooze power, or make me suddenly desire older men. All I have to do is get through one meeting in the middle of nowhere and then I can go my own way. Only a snow storm strands us in a small town. Gentry and I find the last hotel room available, and I’m so relieved when we get into the room I almost don’t freeze solid at the sight of one bed. I don’t need to risk my chances by sleeping with Gentry, but once I wake up next to him I don’t have a snowball’s chance in a fire pit of resisting. King’s Crown is a standalone novel in the Oil Kings series. Deadly Dangerous Kings and Queens Karl Shaw,2013-01-17 Which king lost the crown jewels? Which queen was as wide as she was tall? And who was the king who died with a poker up his bum? A humorous take on British kings and queens through the ages. Packed with facts and information - focusing on all the funny bits!

The King Who Lost His Crown Christopher Farmer,2013-08-27 This entertaining and moral-infused story tells the tale of a king whose crown goes missing. He searches through his castle, in the forest, by the sea, and even in the

dragon's cave! However, every search turns up empty. Without his crown, the king doesn't feel like himself. It takes some encouraging words from an unexpected friend for the king to realize that he is still the king, and that the crown doesn't make him who he is.

The Kingless Crown (Kingdom of the White Sea Trilogy) Sarah M. Cradit,2020-10-13 From the USA Today & International Bestselling author of the Saga of Crimson & Clover comes a gripping new epic fantasy world that will leave you breathless to the very last page. A crown woven together by lies. A kingdom with the power to unravel them. Four Reaches. Four brides. Only a fortnight separates the young women from becoming reluctant queens of the usurper king, Eoghan Rhiagain. Twenty years earlier, King Eoghan's father cunningly devised marriages between the highborn sons and daughters of the oft-warring Reaches, sealing the unions before they could protest, shattering existing betrothals in place of forced alliances. Now, Eoghan, the cruel boy king who stole his crown through murder, demands the eldest daughters of these unions. To accept is unfathomable. To refuse is treason. The lords and ladies of the kingdom have no choice but to prepare their beloved daughters for the horrors ahead. But they'll soon discover there are no longer any daughters left to present. All four have disappeared, painting the world with their rebellion. Theirs is not the only rebellion. Across the kingdom, little fires light within. From the enigmatic sorcerers in the northern mountains, to the magi who both wield and regulate the kingdom's magic, and beyond... to a place where two prisoners are not what they seem. As the Reaches ready themselves to face the king, the kingdom hovers on the edge of chaos. And there are many who recall, in candlelit secrecy, tales of a time before... ❖ Evil King ❖ Formidable Women ❖ Raven Priestesses ❖ Arranged Marriages ❖ Found Family ❖ Enemies to Lovers ❖ Friends to Lovers ❖ Multiple Romantic Subplots ❖ Unique Magic System ❖ Revenge ❖ Medieval Fantasy ❖ Forbidden Romance ❖ Epic Worldbuilding ❖ Politics and Intrigue For content warnings, please visit sarahmcradit.com.

The Reign of King Charles III Elizabeth J Hawks,2023-05-07 The longest-reigning monarch in British history's oldest son has ascended to the throne and will be formally crowned king on May 6, 2023. The first child of Queen Elizabeth II and Prince Philip, Duke of Edinburgh, is King Charles III. Charles succeeded his mother as monarch of the United Kingdom and the other Commonwealth kingdoms after her passing on September 8, 2022. On May 6, he will be crowned at Westminster Abbey in London. Charles, was born in 1948 in London's Buckingham Palace. When his mother succeeded to the throne as queen after the death of her father, King George VI, he was just 3 years old and the heir apparent. The first heir to see his mother's coronation is him. Instead of obtaining instruction at the family's palatial house, Charles went to school. He received his Bachelor of Arts degree from the University of Cambridge in 1970, making him the first heir apparent to do so. He eventually received a Master of Arts degree from Cambridge. After spending a semester at the University College of Wales in Aberystwyth, where he picked up Welsh, Elizabeth gave her oldest son the title of Prince of Wales in 1969, among other regal titles. Charles was elected to the Chamber of Lords, the UK's upper chamber of parliament, two years later.

Crowned at the Desert King's Command Jackie Ashenden,2020-01-21 From desert captive to convenient queen! The borders of Sheikh Tariq's kingdom are permanently closed--just like his ironclad heart. After rescuing lost archaeologist Charlotte from the desert, he can't let her go. And when he requires a bride, their mutual desire compels Tariq to crown Charlotte as his queen! Innocent dreamer Charlotte thought passion was for other people--until Tariq proves how deliciously wrong she is! The pleasure of their marriage bed makes her feel alive. But the intensity of her connection with Tariq makes Charlotte feel something infinitely more dangerous... From Harlequin Presents: Escape to exotic locations where passion knows no bounds.

The Coronations of King Henry VIII Rupert Matthews,2017-01-21 The coronations of Henry VIII tell us a great deal about this extraordinary monarch. They reveal how he saw himself and how he wanted to be seen by others - both his own subjects and foreign rulers. Henry was never shy about ceremony, display or extravagance. He enjoyed displays of pomp and ceremony as a way of getting across to his subjects messages about himself, his reign and how he saw his role in the world. Few ceremonies offered as great a canvas on which to paint such images as does a coronation. It was, and remains, the premier ceremony in English royal life. In Henry's time it was an event of supreme political significance as well. Monarchs in Tudor times held real power in a way that they don't today. The coronation was a vital element in the political life of the nation. Even in Henry's time it was an ancient ceremony with features and elements of ancient importance and ritual significance. But it has never been a static ritual. Henry felt free to change the ceremony of coronation to suit his own purposes - not just once but several times. The people he invited, the roles he gave them and even the clothes he ordered them to wear were all deeply symbolic. No detail too small for Henry's eye. He was a huge man in more ways than one - larger than life and with a massive sense of his own impression. And he was determined that others would agree with him. Most monarchs only go through one coronation ceremony. A few manage more than that, but generally only if they happen to be monarch of more than one country. James Stuart, for instance, was crowned King of Scotland in 1567 when he was only 13 months old. He was then crowned King of England in 1603 after inheriting that throne from his cousin Queen Elizabeth I. This book looks at the coronations of King Henry VIII. It shows us how the coronations reveal so much about this greatest of all English monarchs. About the AuthorRupert Matthews is a freelance writer of books on a variety of subjects. He has been writing books for some years and has had more than 150 titles published in 30 different languages.
