In ancient times, clans battled for land, power, and wealth until a visitor from another dimension brought peace to the lands. Known as a human to some, he was a savior to most. But now, the threat of war has once again darkened the skies and dreams of the Restorians. They await the return of another human to save them from this new era of darkness. On Earth, five friends Mark, Sarah, Tom, Lucy, and Jason pass the time as the school year ends dreaming of their summer vacation. Unaware of the civil war brewing in another dimension, they have no idea that they will spend their break on a war-torn planet far away from their reality. But that's what fate has in store. Guided by Trifus, a wise tree spirit, the teens must find the courage to embrace their special powers before they face the dreaded witch Renalta, the cruel leader of Restoria, who has enslaved her people. In their journey, the teens must battle fierce ogres, escape powerful monsters, and find a way to prevail. Here, nothing is as it seems. When raiders attack—seeking to corrupt the crystals and conquer all of charted space—she gives herself as a prize to the one man in the universe who values freedom over power. Mercenary sheership Captain Corso Deynah left oppression behind him on a burning planet and has no use for a sex slave, even one as seductive as Benedetta. But while he stubbornly resists her body, her fierce spirit tempts him, and he will risk everything—his ship, his seclusion, the very stars—to win not just her passion but her love. Prince of Passion: Sheerspace Book 2 When mercenary raiders targeted the empathic crystals that imbue the legendary l’auraly lovers with extraordinary sensual prowess, Icere, the last male l’auralyo, helped destroy the crystals. Rather than let the source of uninhibited pleasure be corrupted into a mind-controlling drug, he allowed his passionate destiny to remain forever unfulfilled. Now, Icere channels his fury into revenge. Tracking the raiders through the interstellar sheerways to a watery world infamous for its aphrodisiac liqueur, he finds a queen—as adrift and alone as he—forced for years into a fate she never desired. Saya-Rynn inherited duty, command and control from her cruel grandfather and fought to transform her dangerous planet into a paradise for her people—but the price was literally a poison that runs through her veins. Though she feels as ancient as the seas, she finds herself awash in the hot male potency of the young Icere. Still, she resists the chance for indulgence she thinks has passed by her. But when the raiders strike again, Rynn must embrace her troubled legacy, and Icere will find his place as a lover and a fighter. Together, the reluctant ruler and the deposed prince of passion find common purpose, combating the mysterious entity seeking to rule the sheerways, and claim a love as bright as the infinite stars. Assassin’s Hunger: Sheerspace Book 3 Stripped of her identity by a cybernetic mercenary corporation, Shaxi was a mindless killer until the corporation was destroyed and set her free. Now lost and alone, she desperately needs to master her unlinked programming before she succumbs to the rogue madness. But the electromagnetic storm that might save her also blows in the Asphodel, a sheership with more mysteries and menaces than Shaxi has ever faced...including the enigmatic Eril Morav, a heartless assassin on a quest to save the sheerways, even at the cost of his own soul. Eril thinks he’ll use Shaxi to do his dirty work, but she might be the one being in the universe who can light his black-hole heart.
