Tracey West

Crystal Dragon Sharon Lee, Steve Miller, 2007-03-01 You can't go home again... What do you do when home is a conspiracy that's been discovered and destroyed? When home is a planet in a star system that's gone missing? When home means working for the destroyers of galaxies When home is a spaceship that's calling out to the enemy? Cantra 'yos Phelium isn't a quitter, but she has more than a little problem: the Enemy has accelerated its attacks and how do you fight an Enemy whose major form of attack is the de-crystallization of everything around itself? A smuggler with a rogue soldier for a co-pilot, and a tree with an attitude for crew, Cantra's the only one who can get close to the man who holds equations that might, that just might thwart the Enemy. All she has to do is help a young pilot from a missing world, juggle a slippery promise she never quite made to a pair of wizards, and then forget who she is along with everything, and everyone, she's ever known. At the publisher's request, this title is sold without DRM (Digital Rights Management).

**Clarity of the Crystal Dragon** Eriqa Queen,2021-10-09 Luzi gets intimate with her crystal dragon as it clears every room in the house of her soul. Only her truth is spared. The ego builds on belief systems that are not truths, but the humanity of it joins in the Unity of all she is. At their first meeting, Luzi crouches under the clarity of the dragon while it declares, “I Am your BEST FRIEND, well, your ONLY FRIEND, because here is truly only you and I and nowhere to hide! The rest is insignificant, a smear of beingness ... Well, mostly. I’m your I Am, or you are my expression as Luzi Cane.” A dear friend needs Luzi’s help, family moves from Hong Kong to Ireland, and they make preparations for the

son, Li, to enter this world. Luzi connects to a future self, a conscious Built, not a Grown nor a Mech, who tells about an almost unbelievable future. Julia turns two years old and touches everyone and everything around her, and the family pets continue to play their role in the local community. When Li appears in the world, everyone around him must admit, at least to themselves, that their view of life and the world must be totally rewritten.

**Crystal Dragon** Katie Cherry, 2023-06-05 Crystal, a half-dragon teenager with no evident magic, must rise to the throne and uncover her suppressed powers before all seven realms are destroyed by the coming darkness. Not long after discovering I'm adopted, I am stolen away to the realm of Zilferia, where I soon encounters murderous serpents, bloodthirsty werewolves, and vicious merfolk? all of whom are the least of my worries. The real concern is what everyone here thinks of me: namely, that I'm a lost princess who's been prophesied to save them all. But how am I supposed to do that with no powers and a team of Dragon Hunters on my tail who have wanted to kill me since she was born? The

only help I'll get is from a stranger, Nathan, but no matter how physically fit and patient he is with me, his stubborn streak threatens to bring out more than just my inner dragon. Which is only part of the reason I don't want to have feelings for him. The other is because I don't want this life, and I don't want to be here. Worst of all, I'm pretty sure they have the wrong girl. I can't be the one to save them all. *Crystal Dragon* Katie Cherry, 2022-06-14 I can never be one of them. But it's not because I grew up in a different realm. I may not have been satisfied with farm life on Earth, but I certainly didn't want all this. Kidnapped and taken to a magical realm called Zilferia. Assigned a partner and a coach and thrown to the mercies of the realm's creatures in a desperate bid to grow into magical powers gifted to

us from the realm itself. Avoid getting caught by the realm's violent, self-proclaimed 'Dragon Hunters.' Sure, my partner Nathan quickly becomes a good friend to me, and sure, I love the magic and the dragons here, but make no mistake- I'd rather go home. I'm not their lost princess. I'm not some half-dragon shifter freak. I'm certainly not destined to save the seven realms from destruction. The Crystal Dragon Saga is a Coming of Age Fantasy series, packed with your favorite magical creatures- dragons, mermaids, werewolves, and more- and will have you devouring pages, anxiously fighting alongside our heroine, Crystal. Recommended for readers of all ages, dragon enthusiasts, and fans of Eileen Mueller, Ava Richardson, AJ Flowers, and Sarah K Wilson. Buy Crystal Dragon and start your magical adventure today!

If they are true mates, the enchantment will end and together they will face the danger that has plagued the women for centuries.

Crystal Fate Katie Cherry, 2022-06-24 I've waited long enough. It's time to do whatever it takes to unlock my dragon. As terrifying as it sounds to go to Lii, the realm Dravyn resides in, I can't put it off any longer. Nathan will be with me, and we've survived a lot together. But we haven't faced anything like Dravyn. If he catches us before we can find the Dragontree, my last hope to revive my dragon powers, the war may be finished before it's really begun. If I don't take this risk, we're all doomed anyway. I've accepted my fate. I can only hope my willingness to sacrifice myself will be enough to

secure a victory for the realms. Our fates are all in my hands, and Dravyn has the power to end it all.
