The CSM Devotional for Christian School Leaders: A Journey of Challenge, Comfort, and Transformation Greg Deja,Simon Jeynes,Stephen Zeal,2019-06-07 This is a devotional which is part Scripture study, part emotional dive, part intellectual interrogation, and part personal stirrings. It takes you on a school year journey that meets you where you are professionally. It equally challenges you through the Church Year, the way in which our spiritual life also has its exaltations and despairs. In this parallel journey, we hope that you will be inspired and challenged to continue to extend God's Kingdom through His children. Greg, Simon, and Stephen are leaders with Christian School Management, present and former Heads of School, leaders with over 100 years of experience between them, and committed to extending the Kingdom. Our intention is to bring hope and inspire you. Christian School Management was founded in 2017 to reverse the decline in Christian education. Its mission is For Jesus; Through Mission; With Students. It is a 501(c)3 operated by committed Christian school leaders providing advice and counsel through Empower, CSM's weekly newsletter, through consulting, workshops, surveys, Trustee online training, and other resources. It works across denominational boundaries to build God's kingdom on earth as it is heaven. CSM's Christian School Trustee Handbook 2nd Edition: Servant Leadership for the Next Generation Simon Jeynes,2022-05-11 This completely updated 2nd edition of the Trustee Handbook reflects the latest educational research, CSM's years of experience in our Christian schools since 2017, and deeper Biblical study. The Handbook is both a practical training manual and a call to servant leadership. Our schools need excellent leadership - of the right type! Each chapter provides Scripturally founded and proven-in-action advice and counsel with practical steps, clear timelines, and all based on CSM's 7 Principles. Find answers to almost any question. This is an ideal accompaniment for a Board retreat, for deepening the Board's own governance practice, rethinking the by-laws, or writing the Principal's contract. The job of Trustee is one that requires faith, grit, hope, and a desire to learn and serve. Read this book and be inspired as you support the school's mission on behalf of the next generation of children. Simon Jeynes, CSM Senior Consultant, Executive Coach, and Executive Director Simon is married with four children, two dogs, a bird, and many daffodils. He is an active member and occasional preacher at his local church. He helped co-found CSM in 2017 and continues to work to extend God's Kingdom through coaching, training and consulting. As a graduate of Oxford, Lethbridge, and Concordia Universities, he is committed to ongoing professional growth in a challenging, changing, and chaotic educational world. He has authored five books for CSM (so far) and won't retire till every seat is full in every Christian school.

The Nehemiah Effect Pmp Csm Kallman,Mba Pmp Kallman, CSM,Ted Kallman,2014-02 Ancient Strategy. Contemporary Results. The rapid convergence of technological and knowledge growth is resulting in disruptive change unlike any in human history. So why go back 2,500 years for a business leadership and project management model? According to today's experts,

Nehemiah's building the 4.5-mile wall around Jerusalem in 445 BC should have taken years with a huge labor force. But he accomplished it with 150 leaders and an enormous volunteer team in 52 days. His book is a roadmap on how to accomplish seemingly impossible goals using a Business Agile framework. The Nehemiah Effect combines new mindsets, methodologies, and technologies with proven, ancient wisdom to deliver surprising results for today's business leaders and project managers. As Enterprise Agile Coaches, Ted Kallman and Andrew Kallman mentor and lead organizations in the common-sense adoption of Agile to increase effectiveness and quality, reduce cycle times, and to create an pre-active environment enabling Agile implementation. Ted and Andrew are both Certified Scrum Masters(r) (CSM), Certified Scrum Professionals(r) (two of 1,981 CSPs in the world), and Project Management Professionals (PMP(r)). They are members of the Scrum Alliance, Agile Alliance and the Project Management Institute (PMI(r)). They speak often at Agile and PMI meetings, events and conferences. Ted serves on the Board of the Western Michigan Chapter of PMI(r) and founded Agile West Michigan. Andrew is a past Board Member of the Finnish Chapter and previously a Program Manager for the NYC Chapte

Microbes and the Mind C.S.M. Cowan,B.E. Leonard,2021-05-06 Interest in the mind-body connection has grown in recent years, with accumulating evidence showing that the gut microbiome can alter behavioral, neural, and psychological outcomes. This publication brings together a group of international experts who are investigating the microbiome and its potential to contribute to the causes and treatment of mental illness. The contributions are not aimed solely at specialists in clinical and experimental neuroscience. They cover a range of key topics, including the role of the microbiome in mental health and specific psychiatric disorders that occur across the lifespan, interactions with the immune system, diet, and pharmacological interventions. Furthermore, the microbial metabolite production and the potential for psychobiotic interventions that target the microbiome to improve mental health outcomes are discussed. This book is unique in its focus on the mechanisms and consequences of the activities of gut microorganisms in mental health and illness, providing expert insight into the current state of the art and important future directions for this emerging area of research. Additionally, it provides an excellent knowledge base for newcomers and a refresher for researchers and clinicians working in the fields of neuroscience, psychology, or psychiatry.
