Star Wars in the Public Square Derek R. Sweet,2015-12-01 Speculative science fiction, with its underlying socio-political dialogue, represents an important intersection of popular culture and public discourse. As a pop culture text, the animated series *Star Wars: The Clone Wars* offers critical commentary on contemporary issues, marking a moment of interplay whereby author and audience come together in what Russian philosopher Mikhail Bakhtin called collaborative meaning making. This book critically examines the series as a voice in the political dialogues concerning human cloning, torture, just war theory, peace and drone warfare.

Postcolonial Star Wars Matthew Schultz,2020-05-15 This collection of twenty short essays draws upon postcolonial theories established by Edward Said, Frantz Fanon, and Albert Camus to help readers better understand the power structures in *Star Wars*. Divided into five sections--Rebellion, Racism, Feminism, The Subaltern, and The Gothic--the text considers the narrative and technical aspects of various *Star Wars* films, animated television series, comics, and short stories. While this collection will be of interest to any *Star Wars* fan wishing to deepen their knowledge of the literature, history, and politics that influenced the creators of the galaxy far, far away, it will also be compelling reading for undergraduates enrolled in first-year writing courses and those taking seminars on science fiction, postcolonial literature, or media studies.

Order 66: Star Wars Legends (Republic Commando) Karen Traviss,2009-05-19 Omega Squadron faces the ultimate trial during the final days of the Clone Wars as Palpatine issues Order 66. The Clone Wars rage to their bloody climax. Treachery reigns. Treason takes courage. Commandos, Jedi, and the entire Galactic Republic must face the end of life as they know it . . . and the dreaded dawn of a new empire. Even as the Clone Wars are about to reach an explosive conclusion, no one knows whether victory will favor the Grand Army of the Republic or the Separatists. But no matter who wins, the stakes are highest for elite Special Ops clones like the Republic Commandos in Omega and Delta squads—and the notorious renegade Advanced Recon Commando troopers known as Null ARCs. And now even the deadliest weapon may not be powerful enough to defeat the real menace: the apocalyptic horror that will be unleashed when Palpatine utters the chilling words “The time has come. Execute Order 66.” Translation: The Jedi have tried to stage a coup, and all must be executed on sight. With their faith in the Republic and their loyalty to their Jedi allies put to the ultimate test, how will the men of Omega and Delta squads react to the most infamous command in galactic history?

Shadow Fall (Star Wars) Alexander Freed, 2020-06-23 Alphabet Squadron's hunt for the deadliest TIE fighters in the galaxy continues in this Star Wars adventure! News of the New Republic's victory still reverberates through the galaxy. In its wake, the capital ships of the newly legitimized galactic government journey to the farthest stars, seeking out and crushing the remnants of imperial tyranny. But some old ghosts are harder to banish than others. And none are more dangerous than Shadow Wing. Yrica Quell's ragtag Alphabet Squadron still leads the search for Shadow Wing, but they're no closer to their goal—and the pressure to find their quarry before it's too late has begun to shake them apart. Determined to finish the fight once and for all, Quell works with New Republic Intelligence's contentious Caern Adan and the legendary General Hera Syndulla to prepare the riskiest gambit of her starfighting career—a trap for Shadow Wing that could finish the chase once and for all. But in the darkness, their enemy has evolved. Soran Keize, last of the Imperial aces, has stepped into the power vacuum at the head of Shadow Wing, reinvigorating the faltering unit in their hour of need. Once adrift in the aftershocks of the war, Keize has found meaning again, leading the lost soldiers of his unit through to safety. The only thing standing in his way? The most mismatched squadron in the New Republic Navy, led by his former mentee: the traitor Yrica Quell.

OSGi in Action Karl Pauls, David Savage, Stuart McCulloch, Richard Hall, 2011-04-05 What is OSGi? Simply put, OSGi is a standardized technology that allows developers to create the highly modular Java applications that are required for enterprise development. OSGi lets you install, start, stop, update, or uninstall components without taking down your entire system. The interest in OSGi based applications has exploded since major vendors like Sun, Spring, Oracle, BEA, and IBM have gotten behind the standard. OSGi in Action is a comprehensive guide to OSGi with two primary goals. First, it provides a clear introduction to OSGi concepts with examples that are relevant both for architects and developers. Then, it explores numerous practical scenarios and techniques, answering questions like: How much of OSGi do you actually need? How do you embed OSGi inside other containers? What are the best practices for moving legacy systems to OSGi? Purchase of the print book comes with an offer of a free PDF, ePub, and Kindle eBook from Manning. Also available is all code from the book.
