*Flips in Philadelphia* Ray Burdeos,2006 It is true, they don't make things the way they used to, they don't do things the way they used to, and the times are not what they used to be. This book is a journey back to the days of my early childhood through high school. What was like to be raised in Indiana basketball country? It was an exciting time with over 700 high school teams from every corner of the state of Indiana competing each year in a single elimination tournament for the Indiana State Basketball Championship. One small school triumphed in a miracle over the great odds against them. It is still for me to imagine what those hundreds of Indiana basketball heroes experienced by having family, friends, classmates, cheerleaders, teachers, community fans for all kinds of reasons, even stranger bystanders, cheering and shouting them on with encouragement.
