Radiant Void Karl R De Mesa, 2015-09-23 Karl De Mesa's *Radiant Void* is a collection of engaging and observant reportage and journalism on Philippine popular culture, from indie music, the comedy of Michael V, the rise of sleeping disorders among call center agents, to the rise of MMA in the Philippines. If there is one thing that's enviable in Karl De Mesa's writing, it's his sense of restlessness. Coupled with a zeitgeisty sense of phraseology and a penchant for the grotesque, this agitation-encapsulated in spitfire Hunter S. Thompson-vibe notes on a sort of continuing present-day doomsday (a socio-cultural doomsday, if you may)-is even more marked, even more gripping than in his already-golden fiction. I say this because, shit, what's more terrifying than the real world? In *Report From the Abyss*, De Mesa respects his subjects enough to offer himself up to a sort of voluntary drowning, a drowning in worlds not entirely his, an unwelcome, chest-thumping guest so snarky in prosody and observation-nay, journalism-that these very worlds are shaken, momentarily plucked from their otherwise steady orbits. - ALDUS SANTOS, Author of *Vocalese* (Poems) and *Repeat While Fading*; Karl R. De Mesa's writing is like a Mac running on a multi-core-fast, gripping and smooth. The only choking that happens is the one you feel at the base of your throat after reading it. - ISHA, movie soundtrack scorer, folk-jazz singer; Philippine culture is not a melting pot, as Karl De Mesa makes clear in this engaging set of essays on the rich smorgasbord that comprises the country. There are pop culture icons here, but also underground heroes, contemporary babes (Marian and Solenn), and discerning pieces on how e; Jingle Magazine; and a defunct rock club shaped much of today's music culture without most of today fans knowing it. Then there's the reportage about deadly family feuds in Mindanao and sleepless call center agents, and you begin to wonder, all this in the same country? The flip side of disunity is diversity, and it takes a writer of Karl

De Mesa's versatility to capture it in all its riotous glory.e; - HOWIE SEVERINO, news anchor, journo icon

America 51 Corey Taylor, 2018-09-04 A skewering of the American underbelly by the New York Times bestselling author of *Seven Deadly Sins*, *A Funny Thing Happened on the Way to Heaven*, and *You're Making Me Hate* You The always-outspoken hard rock vocalist Corey Taylor begins *America 51* with a reflection on what his itinerant youth and frequent worldwide travels with his multiplatinum bands Slipknot and Stone Sour have taught him about what it means to be an American in an increasingly unstable world. He examines the way America sees itself, and likewise takes a look at how the world views us, and his findings should come as a surprise to no one. But behind Taylor's ranting and raving is a thoughtful and intelligent consideration, and even a sadness, of what America is compared to what it could and should be. Expertly balancing humor, outrage, and disbelief, *America 51* proves that no element of what constitutes America is safe from Taylor's adept and

scathing eye as he flawlessly skewers the greatest country in the world in his own signature style.

Roses & Thorns Bret Michaels, 2016-12-01 After more than twenty years in the music business Bret Michaels has sold twenty-five million records and scored an amazing fifteen chartbusting Top 40 singles including the timeless #1 smash hit “Every Rose Has Its Thorn.”?? Today, this award-winning, multi-platinum superstar’s career continues to move at lightning speed following VH1’s hit reality dating show Rock of Love with Bret Michaels—which aired for three seasons and featured a bevy of ladies competing for an all-access pass to Bret Michaels’s heart and to share in his superstar lifestyle. . Bret Michaels is, if nothing else, a true survivor. He has survived a lifelong battle as an insulin-dependent diabetic, a well-publicized near-fatal car crash in 1994, and the countless musical trends and fads of the last two decades. ???Now, Michaels continues his rebirth through this provocative chronicle of his life, in the tradition of Motley Crüe’s *The Dirt* . . . *Roses & Thorns* reveals everything about Bret’s rockstardom, from the Pennsylvania creation of “the ultimate garage band,” to MTV’s banning of their explicit videos and their 2007 sold-out summer tour. ??Because he’s diabetic, Bret never participated in the drug- and booze-fueled partying like the others, but he was at the center of this movement of over-indulgence and has plenty of stories to tell. ??Also, Bret dishes on his short but notorious relationship with Pamela Anderson—which resulted in an infamous sex tape that circulated on the Internet and was released as a DVD in 2005. Readers will be captivated and entertained by *Roses & Thorns* , a fascinating account of one of the most enduring rock musicians of the past two decades. .

Say What You Will Cammie McGovern, 2014-06-03 "A unique and unforgettable love." —Teen Vogue John Green's *The Fault in Our Stars* meets Rainbow Rowell's *Eleanor & Park* in this beautifully written, incredibly honest, and emotionally poignant novel. Cammie McGovern's insightful young adult debut is a heartfelt and heartbreaking story about how we can all feel lost until we find someone who loves us because of our faults, not in spite of them. Born with cerebral palsy, Amy can't walk without a walker, talk without a voice box, or even fully control her facial expressions. fear. Both in desperate need of someone to help them reach out to the world, Amy and Matthew are more alike than either ever realized. When Amy decides to hire student aides to help her in her senior year at Coral Hills High School, these two teens are thrust into each other's lives. Cut & Run Madeleine Urban, Abigail Roux, 2008-09-01 A series of murders in New York City has stymied the police and FBI alike, and they suspect the culprit is a single killer sending an indecipherable message. But when the two federal agents assigned to the investigation are taken out, the FBI takes a more personal interest in the case. Special Agent Ty Grady is pulled out of undercover work after his case blows up in his face. He's cocky, abrasive, and indisputably the best at what he does. But when he's paired with Special Agent Zane Garrett, it's hate at first sight. Garrett is the perfect image of an agent: serious, sober, and focused, which makes their partnership a classic cliché: total opposites, good cop-bad cop, the odd couple. They both know immediately that their partnership will pose more of an obstacle than the lack of evidence left by the murderer. Practically before their special assignment starts, the murderer strikes again - this time at them. Now on the run, trying to track down a man who has focused on killing his pursuers, Grady and Garrett will have to figure out how to work together before they become two more notches in the murderer's knife.

The Dissemblers Liza Campbell, 2010 [This] is the story of a woman searching for greatness and beauty, only to find that neither greatness nor beauty are exactly what she thought. Ivy Wilkes always assumed she would achieve greatness as a painter. She moves to Santa Fe in search of the light and landscape that inspired her idol, Georgia O'Keeffe. At first, Ivy embraces life in the artsy desert town, working in the O'Keeffe museum by day and spending her evenings with Omar, the seductive cousin of her upstairs neighbors. But when Ivy's own painting stagnates, she finds herself paralyzed by the fear that she will never paint anything of worth. Unable to create anything original, she begins imitating Georgia O'Keeffe's work and is enticed by an offer to create O'Keeffe forgeries to sell on the black market. The paintings sell, but Ivy's secrets isolate her from those she loves, who have secrets of their own. When a mysterious man appears at the museum, asking questions about O'Keeffe's forgeries, Ivy's bonds of love and friendship are tested. In her struggle to find her own artistic voice, she navigates the space between pride and guilt, love and selfishness, with devastating consequences.
