Radiohead FAQ Dan Caffrey, 2021-03-15 No band in recent history has divided listeners' opinions as much as Radiohead. Are they the Beatles of the twenty-first century, or is their music just pretentious, overly melancholic, and sometimes boring? Musician, pop-culture critic, and playwright Dan Caffrey wasn't always a Radiohead fan, but that all changed one Chicago winter, when he suddenly found their album *In Rainbows* to be a welcome source of sonic warmth. An extension of Caffrey's deep but often cautious love for the band, Radiohead FAQ presents a fittingly sideways look at what he's dubbed the world's most famous cult band. Inside these pages, readers will find the essentials of the Radiohead story—along with deep dives into seldom explored topics, from the humor surrounding the band's music to the numerous hip-hop artists who have sampled their songs. Each chapter is devoted to a band member plus their producer and sixth member Nigel Godrich, revealing comprehensive biographical details about each person. The end result is a book custom made for casual Radiohead fans and obsessives alike—filled with little known facts, new ways of looking at their music, and, like any music book worth its salt, maddening opinions.

Shakin' All Over George McKay, 2013-10-28 Given the explosion in recent years of scholarship exploring the ways in which disability is manifested and performed in numerous cultural spaces, it's surprising that until now there has never been a single monograph study covering the important intersection of popular music and disability. George McKay's *Shakin' All Over* is a cross-disciplinary examination of the ways in which popular music

performers have addressed disability: in their songs, in their live performances, and in various media presentations. By looking closely into the work of artists such as Johnny Rotten, Neil Young, Johnnie Ray, Ian Dury, Teddy Pendergrass, Curtis Mayfield, and Joni Mitchell, McKay investigates such questions as how popular music works to obscure and accommodate the presence of people with disabilities in its cultural practice. He also examines how popular musicians have articulated the experiences of disability (or sought to pass), or have used their cultural arena for disability advocacy purposes.

Radio Relations Tiziano Bonini, Madalena Oliveira, Grażyna Stachyra, 2019-01-15 This volume gathers together revised versions of the papers presented at the ECREA Radio Research Section Conference held in Lublin, Poland, in September 2017. The book highlights what radio actually is – a medium created to connect different places at a distance. Subtle but pervasive, simple but graceful, radio builds affective relations, either between listeners and the world or between listeners themselves. The word “relations” is plural. It suggests the idea that radio is both an economic activity – related to technology, production, working routines and business – and a cultural industry – related to aesthetics, art, social interaction, education and politics. Since relations are relevantly human, we can explore how radio appeals to personal commitment and can reinforce a sense of community too. The unique value of this book lies both in erudite essays of Seán Street and Enrico Menduni, world-famous figures of radio research, and in perspectives sketched by brilliant young radio practitioners and researchers. The diverse views on radio communications from authors across the different regions of the world including Brazil, Canada, Italy, Poland, France, Hungary, Spain and the UK collected here will certainly

inspire radio researchers, media historians, sociologists and journalism students.

What kind of democracy is this? Flinders, Matthew, 2017-07-05 Has there ever been a period in modern history when democratic politics seemed more unpredictable or unruly? The old rules by which politics was once both ordered and understood have waned, in the face of a set of global challenges almost beyond control or comprehension. In terms of understanding these challenges, there are very few commentators who can run the gamut from democracy to disgust, from the micro to the macro and from love to loathing. And yet this is exactly what Matthew Flinders delivers, expertly ranging across topics including architecture, art, fell running and fairy tales in an attempt to understand the emerging democratic landscape. Linking academic scholarship with popular culture, this refreshing and stimulating book seeks to provoke and inform in equal measure.

British Music Videos 1966 - 2016 Caston Emily Caston, 2020-07-31 Based on new archival evidence and interviews, and setting out a new theoretical framework for music video analysis, Emily Caston presents a major new analysis of music videos from 1966-2016, identifying not only their distinctive British traits, but their parallels with British film genres and styles. By analysing the genre, craft and authorial voice of music video within the context of film and popular music, the book sheds new light on existing

theoretical and historical questions about audiences, authorship, art and the creative industries. Far from being an American cultural form, the book reveals music video's roots in British and European film traditions, and suggests significant ways in which British video has impacted popular film and music culture.

Bonkers: The Story of Dizzee Rascal Paul Lester, 2011-08-01 Dylan Kwabena Mills, better known as Dizzee Rascal, has evolved from cutting-edge pioneer of grime and hip-hop into one of Britain's biggest pop stars. And the East London rapper, songwriter and record producer did it without compromising his startlingly original vision and persona. Paul Lester traces Dizzee's career, first as a pirate radio DJ aged 16, then as a member of grime collective the Roll Deep Crew, and finally as a solo artist. In this no-holds-barred account, read about Dizzee's brush with death in Ayia Napa, his unlikely appearance on BBC2's *Newsnight*, where he was grilled about politics by Jeremy Paxman, and the stories behind his hits and special projects.

The Road Beneath My Feet Frank Turner, 2015-03-26 *The Sunday Times Bestseller*
Featuring an exclusive new chapter On 23 September, 2005, at the Joiners Arms in Southampton, Frank Turner played his last gig with his hardcore band, Million Dead. On the laminates that listed the tour dates, the entry for 24 September simply read: 'Get a job.' Deflated, jaded and hungover, Frank returned to his hometown of Winchester without a plan for the future. All he knew was that he wanted to keep playing music. Cut to 13 April 2012, over a thousand shows later (show 1,216 to be precise), and he was headlining a sold-out gig at Wembley Arena with his band The Sleeping Souls. Told through his tour reminiscences, this is the blisteringly honest story of Frank's career from drug-fuelled house parties and the grimy club scene to filling out arenas, fans roaring every word back at him. But more than that, it is an intimate account of what it's like to spend your life constantly on the road, sleeping on floors, invariably jetlagged, all for the love of playing live music.

Aisleyne Aisleyne Horgan-Wallace,2011-09-30 Aisleyne Horgan-Wallace is the ultimate Big Brother survivor, and in Aisleyne: Surviving Guns, Gangs and Glamour, she reveals a

shocking life story that surpasses any reality-show plotline. Her childhood journey began in a crazy punk household, where Siouxsie Sioux and Boy George were regular visitors. It shattered for the first time with the nightmare of seeing her half-naked dad dragged bleeding from the bathroom by police after a suicide attempt, and it ended when she saw her mum start a strict new life as a devout Jehovah's Witness. Hospitalised after an extreme bullying incident at school, Aisleyne left home at 16, having been cut off by her mother and let down by her father. Alone in London, Aisleyne's lifeline was a place in a hostel, where she shared the roof over her head with the frightened women and predatory men of the city's gang culture. While some of her friends were lost to drugs, knives and gun crime, Aisleyne vowed to pick herself up and get out of there. Aisleyne threw herself into a new career as a promotions girl and glamour model. Slowly making a name for herself, Aisleyne's big break came when she was selected to compete on Big Brother in 2006, and she was voted the most popular female housemate that year. Three years on, Aisleyne is living proof that it is possible to escape the streets and make good. She's become a successful businesswoman, fashion designer and established media celebrity. This is her remarkable story.
