*The Nitrogen Murder* Camille Minichino,2005-05-01 In the latest installment of Camille Minichino's fun, fast-paced Periodic Table mystery series, retired physicist Gloria Lamerino and her fiancé, homicide detective Matt Gennaro, attend the wedding of Gloria's best friend in California. Unfortunately, the groom has disappeared along with some top-secret research on nitrogen. As Gloria and Matt try to figure out a connection between the missing groom and the absent classified nitrogen research, the body count rises.

**James Purdy: Selected Plays** James Purdy,2009-06-16 Hailed as a creative genius (TLS) and a singular American visionary (New York Times), James Purdy may be best known for his remarkable novels, but he is also an astonishing playwright who has written nine full-length and twenty short plays. Purdy is one of the few contemporary American writers capable of writing tragedy-Tennessee Williams called him a uniquely gifted man of the theater. This collection presents four riveting and beautifully crafted works: *Brice*, *The Paradise Circus*, *Where Quentin Goes*, and *Ruthanna Elder*. Each explores a range of emotional and familial tangles, as fathers betray their sons and squander their inheritances, siblings compete for parental affection, and husbands and wives try to salvage meaning from their broken marriages. The plays are written in Purdy's authentic idiom, which Paul Bowles called the closest [we have] to a classical American colloquial.

Selected Plays James Purdy,2009 James Purdy's Selected plays will break your damaged little heart.-- John Winter.James Purdy's plays have much of the exciting existentiality that infuses his novels and seem content to take drama to interesting places it does not always want to go. -- Edward Albee.James Purdy is an authentic American genius. --Gore Vidal.

The Long Way Home (Family Tree #2) Ann M. Martin,2013-10-29 Four girls. Four generations. One family.The second entry in the beautiful new series from Ann M. Martin. Dana is Abby's daughter -- but she's always been much closer to her father, Zander. He's a celebrated New York author who encourages Dana's artistic talents . . . even if he sometimes drinks too much. Dana is on his side in any argument, regardless of whether he's wrong. And then her father dies. After years of moving, often with her mother and three siblings, Dana is angry at Abby and wants nothing more than to leave her family and get back to New York City. She moves in with her young, bohemian aunt Adele, determined to study art, attend school, achieve independence, and avoid all the mistakes her mother made. But can she leave her family and Maine behind?

Jumping in Sunset Dawn Ringling,2010-05-19 Divorce is not just a fact in Christian circles, it's a common occurrence. Yet most Christian fiction dealing with marital struggles insists that reconciliation is always possible. *Jumping in Sunset* shows how God's abundant love works through situations where the neat, accepted answers don't. Meet Pamela Thornton, who has a comfortable faith, a twenty-year marriage, and a solid relationship with her college-bound daughter - when her husband announces he's leaving her to marry another woman. Slowly, Pamela learns to understand and experience God within the impossible truth that her marriage has come to an end.

Monterrey Is Ours! Napoleon Tecumseh Dana,2021-12-14 Here we are on the banks of the Nueces in the grand camp of the army of occupation. So wrote Lt. Napoleon Jackson Tecumseh Dana when in 1845, not many months before the outbreak of the Mexican War, he joined the white-tented encampment of General Zachary Taylor in Texas. And so he continued writing during the uncertain life of camp and campaign for the better part of the next two years. In these letters to his wife, published here for the first time, Dana provides a detailed, firsthand view of the United States' war with Mexico—fighting off the Mexicans from within Fort Brown during the initial attack; hearing the distant thunder of artillery as Taylor's army marched to the rescue of the beleaguered Seventh Infantry; occupying Matamoros; taking Monterrey, street by street with the defenders firing from the housetops. After Monterrey, Dana was at the siege of Veracruz and on the march to Cerro Gordo. Badly wounded in the attack on Telegraph Hill at Cerro Gordo, he was left on the field for dead, but was rescued by a burial party a day and a half later. Following the Mexican War, Dana went on to become a major general during the Civil War and later to have an illustrious career as a railroad executive. Nearly one hundred of his letters about the Mexican War survived and are now in the archives at West Point. From them Robert Ferrell has edited this vivid, eyewitness narrative.

**Food and Drink in American History [3 volumes]** Andrew F. Smith,2013-10-28 This three-volume encyclopedia on the history of American food and beverages serves as an ideal companion resource for social studies and American history courses, covering topics ranging from early American Indian foods to mandatory nutrition information at fast food restaurants. The expression you are what you eat certainly applies to Americans, not just in terms of our physical health, but also in the myriad ways that our taste preferences, eating habits, and food culture are intrinsically tied to our society and history. This standout reference work comprises two volumes containing more than 600 alphabetically arranged historical entries on American foods and beverages, as well as dozens of historical recipes for traditional American foods; and a third volume of more than 120 primary source documents. Never before has there been a reference work that coalesces this diverse range of information into a single set. The entries in this set provide information that will transform any American history research project into an engaging learning experience. Examples include explanations of how tuna fish became a staple food product for Americans, how the canning industry emerged from the Civil War, the difference between Americans and people of other countries in terms of what percentage of their income is spent on food and beverages, and how taxation on beverages

like tea, rum, and whisky set off important political rebellions in U.S. history.

*The French Chef in America* Alex Prud'homme, 2016-10-04 This enchanting follow-up to *My Life in France*—the beloved bestselling memoir—chronicles Julia Child's rise from home cook to the first celebrity chef. "Inspiring and engaging ... It's impossible not to love Julia Child." —The Wall Street Journal The story of a remarkable woman who found her true voice in middle age and profoundly shaped our relationship with food, *The French Chef in America* is a fascinating look at the second act of a unique culinary icon. While at the beginning of her career Julia's name was synonymous with French cooking, she fashioned a new identity in the 1970s, reinventing and Americanizing herself. Here we see her dealing with difficult colleagues and the challenges of fame, and ultimately using her newfound celebrity to create what would become a totally new type of food television.

*Touch of Jules* Connie Dunn, 2016-03-22 Forty-year-old Julia Whitman is finally independent after escaping from a controlling mother and an adulterous husband. Julia has left her past behind in Missouri and made a new life for herself in Scottsdale, Arizona. She and her friend Lauren have opened their interior design business, Touch of Jules, and are enjoying successful business and personal lives. Twenty-four-year-old Austin James has also escaped home in a move that has sent him across the country from North Carolina to Phoenix, Arizona, to finish college and start his own life. Neither is looking for love, but when the two meet, an attraction ignites. To Julia, Austin seems mature beyond his years; he makes her feel things she hasn't felt in a very long time. Austin is shocked when he discovers that Julia's so much older, but he knows that she holds his heart in a way no one else does. Can they defy conventional rules to forge a relationship that withstands the judgment of their families, friends, and society?
