How Do I Un-Remember This? Danny Pellegrino, 2022-03-08 Instant New York Times Bestseller From the host of Everything Iconic with Danny Pellegrino comes a collection of stories you'll be glad didn't happen to you. Think of the most embarrassing thing that's ever happened to you. Was it the time your high school cheer squad taunted you in front of the entire town? Was it the time your best friend's mom caught you streaking in all your naked, self-conscious glory? What about the time you accidentally threw a tooth at your dry cleaner or took an urn into Kohl's for some holiday shopping? For Danny Pellegrino, the answer is all of the above. Growing up as a closeted gay kid in small-town Ohio wasn't easy, and Danny has the stories to prove it. But coming of age in the 90s still meant something magical to Danny. The music, film, and celebrity moments of his youth were truly iconic, and his love

for all things pop culture connected him to a world larger than the one he knew in the suburban Midwest. And through all the pains of growing up, Danny could always look to that world for hope—whether that meant bingeing *The Nanny* until he had the confidence of Fran Fine, belting out Brandy songs until his heartaches were healed, or watching semi-clothed Ryan Phillippe scenes until his cheeks burned from blushing. With refreshing honesty and jaw-dropping absurdity, Danny invites readers to experience his most formative moments in life—from his hometown in Ohio to his hit podcast and career in entertainment today. *How Do I Un-Remember This?* is an unfiltered and all-too-relatable glimpse into Danny's life and the heartfelt and hilarious moments that shaped it. Although he wouldn't change them for the world, these stories are—unfortunately—true.

Danny's Own Story Don Marquis, 2019-11-21 *Danny's Own Story* by Don Marquis is a surprisingly light-hearted journey through the less picturesque parts of small-town America. Where trouble-makers, peasants, and uptight men and women must co-exist. In this book, readers follow a young boy, Danny, as he grows up in this environment and finds himself craving adventure and travel. As he navigates his way around this rough patch of American history,

readers are given a glimpse into the country's cultural past.

My Brother Danny Ernest Baker, 2006-09 Danny and Colleen Malone, the fifth generation of the Malone family, live on an 880-acre farm and apple orchard near Rockford, Michigan. Told by Colleen, My Brother Danny follows the siblings and the rest of the Malone family for more than two decades, recounting their triumphs and tragedies. In October 1980, Danny is a high school senior. He is an exceptional athlete, hoping to play for a professional football team after he graduates from college. Danny has the talent and ability to make this a real possibility, but his dream ends after he suffers a serious injury playing football for Michigan State University. His life becomes an intriguing, yet tumultuous adventure after he graduates from MSU and marries the daughter of a wealthy owner of a very successful chain of stores that sell hardware, lumber, and building materials. Colleen, who is just a few days shy of her sixteenth birthday when the story begins, becomes a veterinarian and also enjoys great success as an entrepreneur. My Brother Danny explores the unbreakable bond of love between a brother and sister, and allows you to share in the joys, sorrows, and achievements of the Malone family.

Danny the Champion of the World Roald Dahl, 2007-08-16 Can

Danny and his father outsmart the villainous Mr. Hazell? Danny has a life any boy would love—his home is a gypsy caravan, he's the youngest master car mechanic around, and his best friend is his dad, who never runs out of wonderful stories to tell. But one night Danny discovers a shocking secret that his father has kept hidden for years. Soon Danny finds himself the mastermind behind the most incredible plot ever attempted against nasty Victor Hazell, a wealthy landowner with a bad attitude. Can they pull it off? If so, Danny will truly be the champion of the world.

Danny Dread Ben Davis,2015-08-06 You know how it is when your dad's an evil super villain? OK, so maybe you don't, but Danny does. As heir to the Dread dynasty, he's expected to carry on the family business of kidnapping world leaders, maiming innocent bystanders, and brainwashing sharks. You know, general evil stuff. The problem is, achieving world domination isn't Danny's idea of fun. In fact, he'd much rather be saving the planet than enslaving it. But when Dad Dread hatches his most diabolical scheme yet, Danny realizes that to defeat evil, he's going to have to start thinking evil . . .

A Stone for Danny Fisher Harold Robbins,2007-08-07 As a teenager, Danny Fisher had all he ever wanted -- a dog, a grown-

up summer job, flirtatious relationships with older women -- and a talent for ruthless boxing that quickly made him a star in the amateur sporting world. But when Danny's family falls on hard times, moving from their comfortable home in Brooklyn to Manhattan's squalid Lower East Side, he is forced to leave his carefree childhood behind. Facing poverty and daily encounters with his violent, anti-Semitic neighbors, Danny must fight both inside and outside the ring just to survive. As his boxing becomes legendary in the city's seedy underworld, packed with wiseguys and loose women, everyone seems to want a hand in Danny's success. Robbins's colorful, fast-talking characters evoke the rough streets of Depression-era New York City. Ronnie, a prostitute ashamed of how far she's fallen and desperately in need of friendship; Sam, a slick bookie who wants to profit from Danny's boxing talent; and Nellie, a beautiful but lonely girl who refuses to believe Danny is beyond redemption -- each of whom has a different vision of Danny's future -- will help steer his rocky course. Gritty, compelling, and groundbreaking for its time, *A Stone for Danny Fisher* is a tale of ambition, hope, and violence set in a distinct and dangerous period of American history. A classic, sexy bestseller by Harold Robbins, reintroduced to a whole new

generation of readers.

Danny 4 - Two Dead Boys Chancery Stone, 2014 Making up the first story in this omnibus edition of the DANNY Quadrilogy 'Minor Works', is DANNY Volume 4, Two Dead Boys, an 83 page fragment from what was intended to be the final volume in the series. Set in Manchester, it revisits old characters and new, and sets off on a whole new quest to discover the truths behind the Jackson Moores' darkest and most buried secrets: who were Danny's parents, what part do the Sutherlands play in their family history, and, last, but not least, who the hell was Harry Greaves? Sadly, none of these questions are answered, but it does offer an intriguing novella-length glimpse of Danny's life further down the line, provoking us with some unsettling questions and throwing some light on where our heroes may - one day - be headed. Also included in this edition are the two 'origin stories' that inspired DANNY: Nothing But A Negro and the novella, The Boy With the Red Hair; an opulent period piece exploring DANNY's themes of obsessive love and sexual addiction. Finally, there is Death in Venice, another novella-length fragment excised from DANNY 3, set during Venice Carnival, and starring an old acquaintance from Danny's 'lost years'. All the pieces also have in-depth introductions,

explaining the history behind them. DANNY 4/The Minor Works offers 453 pages of DANNY Quadrilogy fun facts and fabulous fiction, and provides an informative and thought-provoking must-have, end-of-the-meal finisher for every DANNY gourmet.

As a reporter, he helps Dr. Parkhurst, a clergyman, to expose the corruption in Tammany Hall and the New York City Police Department.
