Danny Baker

Going Off Alarming Danny Baker, 2014-09-25 The dazzlingly funny second volume of Danny Baker's memoirs: the television years. Since my first book was published I have had countless friends and family members get in touch to say how come I hadn't included this story or that tale. Was I ashamed of being shot twice, once up the arse, in Jamaica Road? How long should a man live with such a secret? If by retrospectively dropping my trousers every few pages I can reveal a fuller picture of myself during these years, then so be it. Besides. Being shot up the arse. In front of your mates. What else did I forget?

Going to Sea in a Sieve Danny Baker, 2012-11-06 The first hilarious volume of comedy writer, journalist, radio DJ and screenwriter Danny Baker's memoir, and now the inspiration for the major BBC series CRADLE TO GRAVE, starring Peter Kay. 'And what was our life like in this noisy, dangerous and polluted industrial pock-mark wedged into one of the capital's toughest neighbourhoods? It was, of course, utterly magnificent and I'd give anything to climb inside it again for just one day.' In the first volume of his memoirs, Danny Baker brings his early years to life as only he knows how. With his trademark humour and eye for a killer anecdote, he takes us all the way from the council house in south-east London that he shared with his mum Betty and dad 'Spud' (played by Peter Kay) to the music-biz excesses of Los Angeles, where he famously interviewed Michael Jackson for the NME. Laugh-out-loud funny, it is also an affectionate but unsentimental hymn to a bygone era.

Danny Baker Record Breaker (2): The World's Awesomest Air-Barf Steve Hartley, 2010-01-01 Like many young boys, Danny dreams of making it into the record books. Eternally optimistic, he writes to Mr Bibby, Keeper of the Records, with hilarious

accounts of his yucky endeavours. In this book, Danny is going on holiday! He will attempt to break the following records. Drumroll, please. . . Sickbags filled in a single flight! (DB attempt: 13) Wriggliest bath! (DB attempt: 9,183 worms) Freckliest face! (DB attempt: 1,246 freckles - before sabotage by Mum and the Factor 5,000,000 suncream)

Danny Baker Record Breaker (1): The World's Biggest Bogey Steve

Hartley, 2010-01-01 Like many young boys, Danny dreams of making it into the record books. Eternally optimistic, he writes to Mr Bibby, Keeper of the Records, with hilarious accounts of his yucky endeavours. In this book Danny Baker will attempt to break the following records. Drumroll, please . . . Heaviest ball of snot! (DB attempt: 1.4 grams) Most nits on a single human head! (DB attempt: 109) Smelliest feet! (DB attempt: 205 children and 5 teachers rendered unconscious within 10 seconds)

Going on the Turn Danny Baker, 2017-11-28 Danny Baker's third volume of memoirs barrels along at the same cracking pace as its predecessors, the bestselling *Going to Sea in a Sieve* (the inspiration for the major TV series *Cradle to Grave* and subsequent nationwide tour) and *Going off Alarming*. With his trademark exuberance, he recalls the years which included six years' involvement in the massive TV hit *TFI Friday* ('piling it up with hellzapoppin' ideas') - during which time he stalked John Cleese in New York, entertained David Bowie and Paul McCartney, bizarrely reunites with Sir Michael Caine, gets befriended by Peter O'Toole and becomes a member of Led Zeppelin for 35 minutes. However, the tales are not reliant on celebrity alone, and the book comes packed with the usual quota of Baker family jewels, including Spud's attitude to doctors, Danny's trip to Amsterdam to get stoned for the first time (he fails), getting caught up in football rioting, and the now

infamous 'kaboom' of an outburst following his despatch from BBC London. And then there's the cancer. Spoiler alert: this is the one in which he almost dies. Further spoiler alert: he doesn't. Going on the Turn is a rollicking read that fizzes with wit, warmth and enviable joie de vivre.

Danny Baker Record Breaker (4): The World's Stickiest Earwax Steve

Hartley, 2010-07-02 Like many young boys, Danny dreams of making it into the record books. Eternally optimistic, he writes to Mr Bibby, Keeper of the Records, with hilarious accounts of his chaotic endeavours. In this book, Danny will attempt to break the following records. Drumroll, please . . . Biggest scale model made of earwax! Deadliest rollercoaster ride! Filthiest furballs! Barmiest birthday party!

Going to Sea in a Sieve Danny Baker, 2015-12-01 The first hilarious volume of comedy writer, journalist, radio DJ and screenwriter Danny Baker's memoir, and now the inspiration for the major BBC series CRADLE TO GRAVE, starring Peter Kay. 'And what was our life like in this noisy, dangerous and polluted industrial pock-mark wedged into one of the capital's toughest neighbourhoods? It was, of course, utterly magnificent and I'd give anything to climb inside it again for just one day.' In the first volume of his memoirs, Danny Baker brings his early years to life as only he knows how. With his trademark humour and eye for a killer anecdote, he takes us all the way from the council house in south-east London that he shared with his mum Betty and dad 'Spud' (played by Peter Kay) to the music-biz excesses of Los Angeles, where he famously interviewed Michael Jackson for the NME. Laugh-out-loud funny, it is also an affectionate but unsentimental hymn to a bygone era.

Danny Baker Record Breaker (3): The World's Loudest Armpit Fart Steve

Hartley,2010-07-02 Like many young boys, Danny dreams of making it into the record books. Eternally optimistic, he writes to Mr Bibby, Keeper of the Records, with hilarious accounts of his yucky endeavours. In this book, Danny will attempt to break the following records. Drumroll, please . . . Most armpit-farted verses of 'Old MacDonald had a Farm'! Vilest verrucas! Biggest jelly-fight! Crinkliest wrinkles!

Going Off Alarming Danny Baker,2014-09 Dazzlingly funny memoir of Danny Baker's years in television 'In these memoirs I bounce all about British TV with such success that I wind up in radio. I will also be filling a few holes that I left in the previous decades. For example, I managed to forget in Book One that I had been shot. Twice.' Danny Baker's first volume of autobiography, *GOING TO SEA IN A SIEVE*, was a *SUNDAY TIMES* bestseller, acclaimed for its non-stop humour and anecdotal flourish. It told the exploits of Danny's childhood and the wild living of his teenage years. Now, he is 25 and it is 1982, and he embarks on an accidental and anxiety-induced career in television - going off alarming. With rollicking good stories from what he describes as 'a frankly crackpot life', Danny continues this stupendous chronicle with irrepressible verve and hilarity. Dozens of TV shows - many of them lousy - give up their backstage stories, and Danny's extraordinary family, particularly his father Spud, react to the ride throughout. Game shows, talk shows, adverts and TFI FRIDAY are but a few of the unplanned pitstops along the way. Not forgetting the tale of Twizzle: the Dog Who Hanged Himself, Died, Then Came Back to Life Again... Clearly, this will be no ordinary showbusiness-stroll down memory lane.

Death In The Key Of Life Danny Baker,2014 Grit your teeth world; Danny Baker is going in dry! 'Death In The Key Of Life' is like a long sustained Coltrane saxophone solo. It

caresses, it brutalises, it honks and bleats (in)articulately, it pleads for meaning, it spits on the world. Often all on the same page. Many have tried to give expression to the inexpressible - Joyce, Artaud, Beckett. Danny Baker is the first person who might just have pulled it off.

The World's Windiest Baby: Danny Baker Record Breaker 6 Steve

Hartley,2011-09-01 Like many young boys, Danny dreams of making it into the record books. Eternally optimistic, he writes to Mr Bibby, Keeper of the Records, with hilarious accounts of his chaotic endeavours. In this book, Danny will attempt to break the following records. Drumroll, please... Windiest baby! Biggest underpant-hat! Most infectious yawn!

Going on the Turn Danny Baker,2017-10-05 In this book my father dies. I almost die.*** My showbiz career winds down. And yet everyone keeps telling me it's the funniest book I've ever written. If I'd known that's what the public wanted, I'd have cancelled Pets Win Prizes and just got sick sooner. Along the way this time we encounter, among others, David Bowie, Kanye West (I think), John Cleese, Peter O'Toole, and have several adventures in the Fourth Dimension. Oh, and I can reveal the Man With The Foulest Mouth In All Show Business. Plus assorted high-kicking hoopla and a whole lot of rather stark stuff about what it's like to be told you could be On The Way Out. *** (SPOILER ALERT: I don't actually die.)

Behind Closed Doors Gary Lineker,Danny Baker,2019-09-19 ***Includes a new foreword by Gary Lineker about football in lockdown*** Shortlisted for The Telegraph Sports Book Awards 'Lineker is nearly as good a presenter as I was a footballer' DIEGO MARADONA 'Hilarious, almost as funny as me' ALAN SHEARER 'This is Lineker unleashed. As a non-football nut I didn't expect to enjoy it, but between laddish anecdotes are passages of

sudden tenderness. . . Lineker opens up, dislodging memories and reflections, not just about football but his whole life.' THE TIMES

'Football is a simple game. 22 players chase a ball for 90 minutes, and at the end the Germans always win.' This book is inspired by the stories Danny and I have shared with each other about what life in football is really like: in the dressing room, in the commentary box, on the pitch and - with the appropriate pixellation - in the showers afterwards. What's it really like to play with Messi? I wouldn't know, but I have starred alongside him in an advert for Walkers crisps. And, well, his performance was world-class. And what is a life in football really like? You won't learn much from the dull-as-dishwater post-match interviews - it's a world of secrets, superstitions, laughs and personalities, and let me tell you, half of it you won't believe. I've looked back at my playing days, from England to Leicester, Everton to Barcelona, Tottenham to, er, Nagoya Grampus Eight, and shared the chaotic behind-the-scenes secrets of Match of the Day - and Danny has chipped in with stories from a lifetime following the game as a fan. From Italia '90 to Leicester's Premier League fairytale, from yellow cards to World Cup trophies (I've never been awarded either), from Gascoigne to Maradona, you'll find it all here - everything you always wanted to know about football, but didn't realise that you did. Inspired by the No.1 podcast Behind Closed Doors

his friends on as they bravely attempt to break the World Record for Jelly Belly Flopping, Custard Pie Flinging and Picking Up Baked Beans While Wearing Boxing Gloves! The competition is tough, but Danny is determined to hop, skip and boing his way to a gold medal (and a new World Record!).

Lucie Goose Danny Baker, 2017-10-05 A magnificently funny first picture book by Danny Baker, the popular comedy writer, journalist, radio DJ and screenwriter. Illustrated by rising star Pippa Curnick. Lucie Goose lives all alone in a house at the edge of the woods. She has never met or spoken to another animal of any sort until... a wolf, bear and lion turn up on her doorstep and go Rraaaarrrrrr! She should start screaming. She should run away. But Lucie Goose isn't very good at being scared. What will she do? Introducing a wonderfully charming and funny new picture book from two remarkable talents.

I Will Not Kill Myself, Olivia Danny Baker, 2015-05-25 First love never dies, but can depression bury it alive? Like most young adults, Jimmy Wharton is trying to carve out a happy, successful life for himself. It's hard enough to do under any circumstances, but

when he starts suffering from depression, becoming the person he wants to be feels overwhelmingly unachievable, as his illness seems destined to shatter his world. Olivia, Jimmy's high school sweetheart and long-term girlfriend, initially tries to support him in every way she can. But as Jimmy spirals downwards, their relationship begins to break at the seams, and they are forced to face the devastating reality that as strong as they know their love is, the force of Jimmy's depression could be even stronger. Set against the backdrop of Sydney's iconic Manly Beach, *I Will Not Kill Myself*, Olivia is a tale about the intoxicating, heartbreaking, unforgettable experience of first love; about all the mistakes we make on the road to adulthood; and about an illness that afflicts 350 million people worldwide. You'll find this book appealing if: You're a fan of gritty, passionate love stories You want to relive the highs, the lows and the intoxicating rush that's unique to first love You're a young adult wanting to read about another young adult striving for the same things you are You're interested in understanding depression better; you suffer from depression yourself and you want to feel like you're not alone; or you want to see how you can better support a loved one with depression You're a parent of a young adult wanting to understand how easily your child can tumble into depression, and wanting to prepare yourself to be able to recognise the symptoms if they ever do (tragically, depression strikes about 20% of teens). You're unlikely to enjoy this book if you: Despise swearing Are put off by explicit sex scenes Are after a light-hearted story Editorial Reviews Centred around Jimmy and Olivia's heartfelt, passionate and troubled love, *I WILL NOT KILL MYSELF*, OLIVIA is a painfully honest, authentic and provocative novel ... one that presents a mesmerising portrayal of the all-consuming force of depression that dominates the main character ... one

that takes the reader on a highly emotional journey ... and one that achieves a perfect balance of emotions, action and drama. The Columbia Review A modern day Romeo and Juliet - a powerful, heartwrenching story that takes you on an emotional rollercoaster ride as Jimmy and Olivia try to hang on desperately to love in the face of Jimmy's mounting depression. Nick Bleszynski, bestselling author An explicitly realistic, absolutely intriguing and stunningly gritty novel ... one that snatches the reader's attention right from the start ... and one that provides fantastic food for thought for all young adults. Pacific Book Review A romance story that tugs at the heart, and entices readers with pure raw emotion ... from steamy, unadulterated throes of passion to being tossed into the deepest, darkest depths of despair, Baker creates an immersive world for Jimmy and Olivia ... you will feel their love, experience their torment, and empathize with their pain. San Diego Book Review While the protagonist's story can help people with depression to face their own problems and help non-sufferers understand the illness, I WILL NOT KILL MYSELF, OLIVIA will also appeal to a much broader audience - including young adults, who can view typical young adult behaviour from a different perspective; and parents, who after reading this book, may choose to become more attentive to their children. Portland Book Review One of the most singularly powerful books about depression on the market. Midwest Book Review

The Depression Is a Liar Series Danny Baker, 2018-11-07 A long time ago ... I felt like I was drowning, when everyone around me was breathing. I was terrified I'd always be miserable. I kept relapsing, and relapsing, and relapsing, and I didn't know why. I hated my life so much that I wanted to die. Hi, my name's Danny Baker, and for four years, I suffered from life-threatening bouts of depression that led to alcoholism, drug abuse, medicine-induced psychosis and multiple hospitalizations. Fortunately however, I was able to recover, and in my bestselling Depression is a Liar series, I'll show you exactly how you too can beat your depression and transform yourself into the happy, healthy person you want to be. Here's exactly what's included in this series: Depression is a Liar (Book 1): This is a memoir that recounts my struggle and eventual triumph over depression. It's a #1 international mental health bestseller, and is highly recommended for the following people: People who don't believe it's possible to recover from depression and be happy again (I will show you that it is); People who want to feel understood (you'll likely be able to relate to my story,

and thus feel far less alone after reading it); People who keep relapsing again and again, and thus believe they'll never be free of depression (I'll explain why you keep relapsing, and tell you what I did to ensure that my relapses ceased); People who are close to someone with depression and want to understand the illness better (I'll tell it exactly how it is). This Is How You Recover From Depression (Book 2): In this book, I'll break down the exact three step blueprint I followed to recover, and show you how you can do the same. It is highly recommended for the following people: People who are not following a clear, step-by-step plan to recover from depression; People who don't understand why they keep on relapsing; People who are depressed because they spend too long doing things they don't enjoy; because they love themselves for unhealthy reasons; because they're not surrounded by the right people; because they're a prisoner of what others think; because they always take other people's actions personally; because they live an unbalanced life; because they're perfectionists; because they live an unhealthy lifestyle; because they think negatively; because they worry too much; or because they're unable to trust someone again after being hurt in love (I will show you how to overcome each of these demons so that they stop triggering your depression). Hold On, Pain Ends (Book 3): This book is comprised of my favorite 365 encouraging, uplifting quotes, which will give you some extra support to get through each day. Actually, I'm Not OK (Book 4): In this one, I'll teach you the skills you need to be able to talk openly about your depression, and thus develop a caring network of supporters. It is highly recommended for the following people: People who are afraid to talk about their depression (I'll show you how to overcome these fears); People who are unsure who exactly to talk to about their illness, how much to tell them, when to tell them and

where to tell them (I'll help you answer each of these questions); People who are unsure how to begin a conversation about their depression (I'll show you the most effective ways of doing so); People who are unsure how to handle another person's response after telling them about their depression (I'll show you how to handle the most common responses you're likely to hear).
