**The Vanishing Girl (Daphne and Velma #1)** Josephine Ruby,2020-03-03 It's the classic girl detectives like you've never seen them before! Daphne Blake and Velma Dinkley have a terrifying new mystery to solve - and this time, the culprit is far more frightening than any man in a mask... Popular Daphne Blake and über-nerd Velma Dinkley are not friends. They aren't enemies either, but they don't have any reason to speak to each other, and that's how they prefer it. The two girls grew up together - they'd been best friends since pre-K - but when they hit middle school, Daphne dropped Velma and never looked back. These days, Daphne's deep in the popular crowd, daughter of the richest family in town, while Velma's an outsider, hiding from the world behind her thick glasses. When they run into each other in the halls of Crystal Cove High, they look the other way. But then Daphne's best friend, Marcy - who happens to be Velma's cousin - goes missing. A century ago, there was a wave of disappearances in Crystal Cove, and many local people believe that supernatural forces were behind it. Now the whole town believes those same forces are back . . . and up to no good. Daphne and Velma may be the only ones who can solve the mystery and save Marcy-if they can trust each other enough to try. Especially since the truth might be stranger-and scarier-than either girl can imagine . . .

**The Vanishing Girl** Josephine Ruby,2020 Drifting apart in high school after being best friends in early childhood, popular Daphne Blake and brainy Velma Dinkley team up when Daphne's best friend, Velma's cousin, goes missing amid rumors of unsolved disappearances from a century earlier.

***The Dark Deception (Daphne and Velma #2)*** Morgan Baden,2020-07-07 It's the classic girl detectives like you've never seen them before! Daphne Blake and Velma Dinkley have a terrifying new mystery to solve and this time, the culprit is far more frightening than any man in a mask... Daphne Blake and Velma Dinkley have a reputation to uphold. Despite their differences, the two teens worked together to solve the case of the Vanishing Girl. But there are still a lot of mysteries buried in the town of Crystal Cove. Including one the Vanishing Girl herself (aka Daphne's friend Marcy) asked them to look into-what deep dark secret is their old friend Shaggy Rogers trying to protect?The two teen detectives have barely started investigating that case when another mystery strikes. Hundreds of valuable gems begin washing ashore, and soon everyone is convinced it's a sign from the Lady Vampire of the Bay, a ghostly creature who's said to have haunted the town a hundred years earlier.Daphne and Velma are convinced there's a logical reason the jewels have appeared, and they're determined to find out what it is. But asking questions about Crystal Cove's legends can be dangerous. It seems like everyone in town has something to hide . . . especially the families who've profited off the town's mysterious past. Can the girls discover what's lurking behind all this dark deception?

Lovecraft, and a love of Americana, this is a story filled with rich horror, thrilling twists, outright hilarity, and surprising poignancy. Now, in 1990, the twenty-something former teen detectives are lost souls. Plagued by night terrors and Peter's tragic death, the three survivors have been running from their demons. **The Magic Behind the Voices** Tim Lawson,Alisa Persons,2009-09-28 The Magic Behind the Voices is a fascinating package of biographies, anecdotes, credit listings, and photographs of the actors who have created the unmistakable voices for some of the most popular and enduring animated characters of all time. Drawn from dozens of personal interviews, the book features a unique look at thirty-nine of the hidden artists of show business. Often as amusing as the characters they portray, voice actors are charming, resilient people—many from humble beginnings—who have led colorful lives in pursuit of success. Beavis and Butthead and King of the Hill's Mike Judge was an engineer for a weapons contractor turned self-taught animator and voice actor. Nancy Cartwright (the voice of Bart Simpson) was a small-town Ohio girl who became the star protégé of Daws Butler—most famous for Yogi Bear, Huckleberry Hound, and Quick Draw McGraw. Mickey Mouse (Wayne Allwine) and Minnie Mouse (Russi Taylor) were a real-life husband-and-wife team. Spanning many studios and production companies, this book captures the spirit of fun that bubbles from those who create the voices of favorite animated characters. In the earliest days of cartoons, voice actors were seldom credited for their work. A little more than a decade ago, even the Screen Actors Guild did not consider voice actors to be real actors, and the only voice actor known to the general public was Mel Blanc. Now, Oscar-winning celebrities clamor to guest star on animated television shows and features. Despite the crushing turnouts at signings for shows such as Animaniacs, The Simpsons, and SpongeBob Squarepants, most voice actors continue to work in relative anonymity. The Magic Behind the Voices features personal interviews and concise biographical details, parting the curtain to reveal creators of many of the most beloved cartoon voices.

**The Horror Comic Never Dies** Michael Walton,2019-01-31 Horror comics were among the first comic books published--ghastly tales that soon developed an avid young readership, along with a bad reputation. Parent groups, psychologists, even the United States government joined in a crusade to wipe out the horror comics industry--and they almost succeeded. Yet the genre survived and flourished, from the 1950s to today. This history covers the tribulations endured by horror comics creators and the broader impact on the comics industry. The genre's ultimate success helped launch the careers of many of the biggest names in comics. Their stories and the stories of other key players are included, along with a few surprises.
