

Daring Dos Safari Hat

L. A. Banks

Gorilla Dating Kristen Ethridge, 2021-04-28 A Workplace Romantic Comedy -- USA Today Bestselling Contemporary Romance Author Kate Cormick is at a crossroads. She's ended both her long-term relationship and her long-term career and is trying to rebuild her life among the hills of Austin, Texas. Kate feels like her new co-workers are a pack of zany animals who all receive primate-themed nicknames, and it's not just because her team is managing the opening of the new Capitol of Texas Zoo. When consultant Jack Cooper joins the team, Kate knows a good word from him to her boss will solidify the career path she's now on. But the word she doesn't count on is love. When the up-and-comer that Kate has dubbed the Queen Chimp tells the entire office a secret, Kate's new career path is at risk. Will Kate put her life back in a cage or find the faith in herself to take a stand and create the future she's dreamed of? *Gorilla Dating* is a standalone Christian romance novel with a workplace romantic comedy twist and a guaranteed happily-ever-after. KEYWORDS: happily ever after, love books, love stories, romantic novels, city romance, workplace romance, enemies to lovers, guaranteed HEA, new beginnings, no cliffhangers, Christian romance ebooks, sweet romance, small town romance friends to lovers, romantic comedy, romcom, chick lit, Christian chick lit, sweet romantic comedy, new romance book releases, best selling authors new releases, Austin, Texas romance, summer romance

Kay Francis: I Can't Wait to be Forgotten: Her Life on Film and Stage 2nd Edition Scott O'Brien, American stage and film actress Kay Francis moved quickly from a brief run on Broadway during the late 1920s to her film debut in *Gentlemen of the Press* (1929) and the Marx Brothers film, *The Cocoanuts* (1929). Kay starred in nearly two dozen important films between 1929 and 1931, yet today she is largely forgotten, yet when author Scott O'Brien gained access to Kay's personal diaries, he discovered the woman behind the mask: Kay's compassionate nature, her concern for others, her great contributions on behalf of those serving in the armed forces during World War II, and the financial legacy she contributed to The Seeing Eye, an organization that trains dogs for the blind. Discover her godson's portrait of a woman who lived in the moment and generated a great deal of loving warmth, amplified by many rare unpublished photos, interviews from co-workers, friends, and family. The face behind the fame finally emerges in a complete the picture of one of Hollywood's most glamorous and intriguing stars. "I cannot tell you how thrilled I am with this book that author Scott O'Brien did on a magnificent lady that I was fortunate enough to have played her daughter in two movies . . . Mr. O'Brien's book shows what lengths he goes to substantiate his stories and facts without filling in with apocryphal tales." -Sybil Jason, author of *My Fifteen Minutes* and *5 Minutes More* "A superb biography . . . a sympathetic look at a complicated woman and a talent actress. Yet while the biographer looks at his subject sympathetically, he doesn't make Kay Francis a saint. He brings forth a flesh and blood well-rounded human being with faults and foibles like everybody else, but who was essentially kind-hearted and misused by the studio in the later part of her film career. In the end Kay triumphs, and so does this well-written and researched book!" - Charles Tranbergm, author of *I Love the Illusion - The Life and Career of Agnes Moorehead* "Extensively researched, considered, well-written. He talked to everybody. He nailed down facts, such as her real birthday—she was actually younger than some books have said—and he did right by his subject." -Mick LaSalle, film reviewer for the San Francisco Chronicle

Hard Times and Survival; the Autobiography of an African-American Son William A. James Sr., 2018-10-19 *Hard Times and Survival: The Autobiography of an African American Son* is my story. It is how I overcame all the heartbreaking, brutal, and horrendous circumstances that I was born into in 1947. I saw it all in my first sixteen years: unbridled lust, gross immorality, damning lies, and terrible brutality by my father against me and my mother. He tried to kill me once but kept up a constant campaign of horrible abuses of my mother until I left home at sixteen. However, success is the best revenge!

After three years of alcoholism, I pulled myself together and went back to school on my own. That was after I spent a year in Job Corps from 1966 to 1967. From 1975 to 1977, I went to Piedmont Virginia Community College in Charlottesville. From 1977 to 1980, I attended Virginia State University in Petersburg. I earned my BA and MA degrees. I studied above a master's at the University of Virginia at Charlottesville from 1980 to 1983. I did not graduate, but I learned valuable life lessons. I started to write in 1993 about what had happened to me over the years and how I used my dire circumstances as motivation to pick myself up and make my life better. I hope I am an example that will help others who are suffering through similar atrocities to be motivated to not give up but persevere and that they will, as I did, overcome anything they are being faced with.

BOLD NEW WORLD and THE POTENTIALIST MOVEMENT Dr. Freeman Rader Ph.D.,2019-10-30 This very large 465 page book is actually 2 separate but closely related books bound together as one — an inspirational novel and a thought-provoking philosophy book. Together they tell the story of a bold and visionary group of people creating a highly advanced prototype community and way of life based upon applying a philosophy that believes in human potential rather than supernatural forces, helps individuals self-actualize, promotes values and responsibility for SELF, SOCIETY, & ENVIRONMENT; and creates harmonious communities in which human potential flourishes. This results in happy people doing great things and achieving a tremendous sense of enjoyment and accomplishment in the process (something we all seek). As the story unfolds, a bright progressive group of people in Colorado adopt this new philosophy, become part of the Potentialist Movement, and focus on how to fund and develop this highly advanced community. To meet the challenge, the founder (Freeman Valor Smith) convinces the Hollywood producer (Steven Spielman) that the story would make a good film, thus ingeniously getting the producer to make the development of the project possible by funding its construction as part of the cost of production. So the project gets underway. But the powerful editor of the local newspaper (Norman Sully) has a deep grudge against the founder and plans to totally disrupt the group's efforts — so he hires an attractive undercover reporter (Serene St. Haven) to infiltrate the group and dig up as much dirt as possible. But a romance ensues between the reporter and the founder that changes the situation dramatically. So the editor takes drastic measures on his own to sabotage the project. What results is an intricate web of romance, treachery, intrigue, and inspiration. With great courage, this resourceful group of Potentialists overcomes all obstacles and a BOLD NEW WORLD is created which shows what people with the right values in the right environment can accomplish.

"These Currents of Life " or Dating in the Times of Pandemic Nina Krasikoff,2022-01-26 The book is written in a crisp and dynamic language with sophisticated narratives , framing compelling cast of the well-conceived characters . It is enjoyable exploration of hilarity and frustration of digital dating in a current climate of pandemic, concocted by anonymous heroine , yet representing a collective image of a single and lonely women , trapped in a small space in front of a glowing screen, whose longings were tempered down to the culture of site-dating, in search for a virtual rendezvous . The heroine is drown in a realm of flowing fantasies , where she is vocalizing rather speechless cornucopia of suitors by loud and attractive narratives , encapsulating the essence of each suitor in compactly written vignettes. Some of them are softly charged with sensuality and others are written in a lyrical scrap , to expose their originality and triviality as well. The abundance of hilarious humor creating a pitch-perfect moment to compensate deteriorating loneliness of lockdown. The structure of the book does not require to know what comes before or follow after , just a smoothly flowing colorful paragraphs , exploring love, sex, vulnerability , emotional void , mystery of imagination, materialism , and rationality of digital dating .

Kiyo's Story Kiyo Sato,2009 When her father left Japan, his mother told him never to

return: there was no future there for him. Shinji Sato arrived in California determined to plant his roots in the Land of Opportunity even though he could not become a citizen. He and his wife started a farm and worked in the fields together with their nine children. At the outbreak of World War II, when Kiyo, the eldest, was 18, the Satos were ordered to Poston Internment Camp. Though they had lived the US for two decades and their children were citizens, they were suddenly uprooted and imprisoned by the government.

Blood Covenant Lisa Harris,2011-01-04 From the explosive first pages, Lisa Harris weaves a tale of heart-stopping suspense and adventure with her second book in the Mission Hope Series. When fighting erupts between government forces and renegade Ghost Soldiers deep within the Republic of Dhambizao, thousands are forced to leave their homes. Dr. Paige Ryan, who works with Volunteers of Hope International, is sent to lead a team to set up a refugee transit site—where the immediate needs for shelter, water, sanitation, and food are critical. Nick Gilbert, a bush pilot for Compassion Air, joins the team to help fly supplies in and out of the area. With the refugee camp already experiencing overcrowding, raids, and uprisings, a group of American mountain climbers is attacked by the Ghost Soldiers. Paige's medical team responds immediately, rescuing survivors and taking them into the camp. When it's discovered that one of the trekkers is carrying an infectious disease, the harrowing conditions of the camp are forgotten. In desperate need of vaccines and the Ghost Soldiers blocking the only road out until their demands for amnesty are met, it won't be long before the disease is out of control ... and there is nowhere to run.

Texas Poker Wisdom Johnny Hughes,2007-10 Scrolling the pages of a Hughes narrative is like lighting a lantern into the darkest recess of poker's subculture. [Hughes] brings the legends of the past and present to life and often provides the very best portrait of these unique, real-life characters of anyone on record. -Nolan Dalla, media director, World Series of Poker, best-selling author and columnist for Card Player Johnny Hughes's poker stories are a national treasure . hilarious stories and colorful characters . timeless classics . the stuff of history . one of my all-time favorite poker writers. -Iggy, a.k.a. Ignatius J. Reilly, the Blogfather of Poker, GuinnessandPoker.com Told with authenticity and the knowledge that only a true road gambler could possess . a book that you will love . a highly enjoyable read. -Anthony Kelly, editor-in-chief, Player Europe magazine. Dublin. Cryptic, dark. Irrefutably unique. Elliptical euphemism and metaphor are (Hughes's) tools. Gambling folklore and parables abound. All told with a twinkle in the eye and one finger on the trigger ... Johnny writes evasively, challenging us to refute, compelling us to believe. -James Dodd, a.k.a. Tetuso, Bet-the-Pot.com. London.

Visible City Tova Mirvis,2014 While spying on her neighbors with her son's toy binoculars, Nina becomes entranced with the subjects of her secret vigils until she encounters them in the real world and must decide whether to let them into her life or not. 30,000 first printing.

A Day For The Animals Barbara Howard,2008-06-20 The story: What if you said a prayer and then changed your mind. But before you could take it back, God answered it? When Roger Grayson said the animals should rule the world, God was listening. And his family will never be the same again. For one day the Graysons live among the animals and learn the meaning of love, courage and commitment. 80 pages; 3rd grade reading level.

The Doctor's Family Reunion Mindy Obenhaus,2013-09-01 His Instant Family Family means everything to Dr. Trent Lockridge. Growing up without a father, he always yearned for a family of his own. One long-ago summer in Ouray, Colorado, he thought he might build a future with beautiful Blakely Daniels. But when he abruptly fled town, he broke her heart and left behind more than memories. Years later, Trent is shocked—and overjoyed—to learn he's a father. He'd like to earn back Blakely's love and trust— but it won't be easy. And the clock is ticking. He's got only a few weeks to prove that, this time, he's here to stay...forever.

Sun Never Rises Ani Tom Maria, 2014-12-30 The book comprises five stories: He has done it well remarkably and brilliantly. *Sun Never Rises*. It is a story surely unputdownable. Three children are going into the forest in pursue of unleashed wild animals from a circus, but the dangers they confronted put themselves in menace. *You Too Eva*, tells us life of slaves in America during 1865. *Blood And Caste*, tells us story of religion and caste systems in India, it is still dwelling in India shamelessly. *The Dilemma of Gandhi*, is a story materializing afore Gandhi sculpture, indeed he is in a quandary, what is he facing and seeing. A melancholic work. *The Mist of Kashmir*, is an evocative and resplendent work and it will remain in our heart.

Taliban Safari Paul Darling, 2019-04-17 "We aren't home yet," Major Paul Darling reminds his team at the end of a sixteen-hour day. "Two more miles and we are done. We have pissed off a lot of Taliban today, and they are going to want payback." Shortly, the major will find himself sitting on a concrete basketball court next to the bunker where the day started so long ago, talking by satellite phone to his wife on the other side of the world. When she asks, "What happened?" there is too much to say. But one day, he promises himself, he will put into words what it was like—one day in the life of a combat soldier in Afghanistan in 2009. This is the story of that day. In crisp prose and sharp detail Darling offers a moment-by-moment account of a one-day mission to track down and kill Taliban insurgents in the Zabul Province of southeastern Afghanistan. A rare day-in-the-life narrative that is also a page-turner, his story captures the mundane realities of deployment—the waiting, the heat, the heavy gear, the 0345 wake-up—along with the high-octane experience of crossing foreign terrain where every turn, every decision might have life or death consequences. The living accommodations, reporting up the chain of command, the bureaucracy, and the almost insurmountable challenges of functioning effectively in two cultures—all become intimately real in Darling's telling as he balances the imperatives of his mission and the skills of his men against the ever-multiplying unknowns, the unpredictable and dangerous Afghan "allies," and the elusive enemy: the unseen IED and the possibility of fatal miscalculation. In the midst of the soldier's everyday drama of never quite knowing what comes next, Darling's moments of humor and reflection put the chaos and uncertainties of combat into a larger perspective. The story is about one man and the ethical choices and compromises he has to make as a leader—a man who has promises to keep: to family; to country; to his soldiers, both Afghan and American; and, ultimately, to himself.

Passion and Prejudice Sallie Bingham, 1991 A member of the moneyed Bingham family recounts her family's rise to power over several decades and their subsequent downfall amidst family infighting and rumors of a family murder

Birnbaum's Disneyland Resort Birnbaum, 2005-10 Official guide to the Disneyland Resort for the year 2006. Contains up-to-the-minute information on all new attractions, plus updated listings for the established favourites. Because Birnbaum is the only syndicated guide to the Walt Disney theme parks and resorts, it is the only one guaranteed to take note of last minute price changes and altered information. Includes tips and tricks for stretching every pound to its full potential, extensive entries grouped by area of the resort and sample itineraries for trips out in Orlando and surrounding areas.

Across the World with the Johnsons Lamont Lindstrom, 2017-07-05 During the interwar period Osa and Martin Johnson became famous for their films that brought exotic and far-off locations to the American cinema. Before the advent of mass tourism and television, their films played a major part in providing the means by which large audiences in the US and beyond became familiar with distant and 'wild' places across the world. Taking the celebrity of the Johnsons as its case study, this book investigates the influence of these new forms of visual culture, showing how they created their own version of America's imperial drama. By representing themselves as benevolent figures engaged in

preserving on film the world's last wild places and peoples, the Johnsons' films educated US audiences about their apparent destiny to rule, contributing significantly to the popularity of empire. Bringing together research in the fields of film and politics - including gender and empire, historical anthropology, photography and visual studies - this book provides a comprehensive evaluation of the Johnsons, their work and its impact. It considers the Johnsons as a celebrity duo, their status as national icons, how they promoted themselves and their expeditions, and how their careers informed American expansionism, thus providing the first scholarly investigation of this remarkable couple and their extensive output over nearly three decades and across several continents.

We Dared to Win Hannes Wessels, Andre Scheepers, 2018-04-19 A memoir from a Special Forces fighter about his experiences in the Rhodesian War and how combat has shaped his life. Andre Scheepers grew up on a farm in Rhodesia, learning about the bush from his African childhood friends, before joining the army. A quiet, introspective thinker, Andre started out as a trooper in the SAS before being commissioned into the Rhodesian Light Infantry Commandos, where he was engaged in fireforce combat operations. He then rejoined the SAS. Wounded thirteen times, his operational record is exceptional, even by the tough standards that existed at the time. He emerged as the SAS officer par excellence—beloved by his men, displaying extraordinary calm, courage, and audacious cunning during a host of extremely dangerous operations. Here, Andre writes vividly about his experiences, his emotions, and his state of mind during the war, and reflects candidly on what he learned and how war has shaped his life since. In addition to Andre's personal story, this book reveals more about some of the other men who were distinguished operators in SAS operations during the Rhodesian War. "Andre was the best of the best and the bravest of the brave." —Capt. Darrell Watt, ex-SAS and subject of *A Handful of Hard Men*

Murder on Safari Peter Riva, 2023-09-05 In this action-packed thriller series opener, a producer and his crew uncover a deadly terrorist plot while filming a nature show in East Africa. Film producer Pero Baltazar and his team have arrived in Kenya to shoot footage for a nature television show. Showing them around is Pero's friend and expert safari guide Mbuno. It's just another adventure expected to be like all the ones they've loved before. That is until one of the crew vanishes only to be found dead. Further investigation reveals terrorists are likely behind the murder . . . Hoping to evade further danger, Pero and his crew head to their next location. But the sinister villains follow, revealing their plan to kill thousands. But how? And where? And does it have anything to do with Pero's secret work for the US State Department? No matter the answer, Pero and his crew must now put down their cameras and pool their skills before anyone else falls prey to the terrorist threat . . .

The Hunted L. A. Banks, 2004-06-19 A vampire civil war has been averted, but now Damali Richards must stop bloodthirsty were-demons from putting a nefarious plan in motion, pitting The Covenant, The Guardians, and The Vampire Council against each other.

Death Is Not "The End" Mandy Berlin, 2015-06-04 On December 23, 2003, as death released her beloved husband, Max, from the ravages of cancer, Mandy Berlin's life also changed. Soon after her husband passed away, Mandy began to experience uncanny, even miraculous happenings. As a retired scientist, she approached the mystery the way she had been trained to do--through empirical observation and analysis. She kept meticulous records of the astounding sights and sounds she witnessed. Her documentation also included the stories of stunned loved ones who called her in the days after Max passed. The result is *Death Is Not "The End"*, the detailed account of her journey from grief to hope and faith. An agnostic in the years before her husband's death, she knew that these amazing experiences challenged her lack of belief. Time and again, a synchronistic melody would play as an uncanny episode presented itself to awestruck Mandy and others. Here, she invites readers into detailed accounts of more than fifty experiences beyond natural

explanation. On the one-year anniversary of her beloved Max's departure, another life-changing event opened Mandy's eyes to a startling promise, and a new way of living/being. Was Max really gone forever? One year after he died, just minutes before the time recorded on her husband's death certificate, Mandy witnessed a mind-numbing event that had the effect of solidifying her awe-inspiring experiences. She now embraces a new understanding of life, death, and the subtle boundaries between, and shares it all in this memoir.

This is likewise one of the factors by obtaining the soft documents of this **Daring Dos Safari Hat** by online.
