Dark Elf Daniel Rutland Jr, 2019-08-24 At the beginning of the elves creation, all elves were meant to be as pure as the forests they inhabited, the food they consumed, and the light energy they wielded. They were meant to have righteous characteristics, and saw in the form of a light image. They were to triumph over evil, and tabooed to Never Stray Down the Dark Path. But somewhere in their history, the Elven race was cursed and plagued which led to their downfall. There were certain higher powers that manifested themselves around the elves and their choices. But there is one special that has the power to change this curse. His name is Emanon... Will the entire elven race fall victim to these higher powers, or will the entire elven race upkeep their purpose in the world? Find out in this

dark tale of the Dark Elf saga.

Dark Elf Danger David S. Grunwell, 2020-05-20 Menacing flying black ships are attacking the kingdom of Báthan! Ruferto and Bert are caught up in another adventure that flings them across the globe. Dark elves are just one of the many foes that would love to see them dead. Once again, Ruferto and Bert prove that the advanced elder races are NOT just stories designed to scare children. They also scare adults. Ancient races walk among mankind; a few for nefarious reasons, and one, because he has some good human friends, and for the food. Travel often comes with trouble. With Bert and Ruferto, that usually ends up with things blowing up spectacularly, followed by more treats. This IS that kind of story.

The Dark Elf. The Return Of The Queen C. L. Davies, 2022-12-31 C. L. Davies was born on the 23rd of July 1999 in Surry, UK. She grew up with her younger sister, Takara, who was born three years later on the 11th of November 2002 and her younger brother, Jack, who is autistic, who was

born on the 14th of August 2011 shortly after they had moved to Thatcham, West Berkshire, UK. She enjoys spending time with her family and five dogs, listening to music and singing, drawing and playing video games. But most importantly she loves to write. In 2013, she was diagnosed with Anxiety and Depression. With the knowledge of her mental health conditions, in 2018, five years after being diagnosed, the author used writing to cope with them. Four years later, in 2022, with the help from her fiancé, Sharmayne and her father, Lenny, she finally put her book forward for publishing.

Dark Vengeance Ed Greenwood, 2008-08-19 Orivon Firefist was captured as a six-year-old child by the Nilfgaer—the dark elves—who attacked his village by night on one of their surface raids. Fifteen years later, he was a moon-pale, scarred, muscular giant of a man, who spent his days at forgework for a dark elf family. He had been trained (and flogged and ordered about) by the beautiful Tsarnarra, a lash-wielding matron who is icily cruel, but proud of the slaves that she has trained. Through all of this, Orivon's spirit had never been broken and he rose up and opposed his underworld tyrants. He has successfully returned to the surface world home that he thought only existed in his most distant

dreams. But the score is far from settled. Years of oppression and new revelations of the dark deeds of his former captors only fuel his forge of rage. And the fact that their evil still permeates the underworld only intensifies his desire for a dark vengeance. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Burn the World A.G.V. McPherson, 2021-05-20 “It’s time for the world to feel the fire of a Dark Elf’s heart. Shaken and scarred from their deadly encounter with the Dark Elves, Mara and Silmanus embark on a journey south to the Dark Elf kingdom, Vanaria, in an effort to halt whatever plot the Dark Elves have set in motion. Accompanied only by a group of trusted friends, they will have to rely on skill, wits, and shaky alliances if they are to overcome the inescapable dangers and grievous trials of their quest. “You’re a pirate,” Mara said flatly. “And you’re an outlaw,” Calixta retorted. Meanwhile, after their harrowing escape from the Dark Elf cells, Jeddo, Amber, and their fellow escaped prisoners wait restlessly in Fort Vanguard to warn the Fire Dwarves of Pyradia about the Dark Elves and to rescue a friend left behind. But the horrors of the Dark Elf prisons have yet to fade, a grim reality

Amber and Jeddo must face as a series of unforeseeable events pushes them down a path they do not want to travel. Jeddo's stomach started to twist as he realized what had to be done, bile burning its way up his throat behind his pounding heart. As the pieces of the Dark Elves' deadly puzzle finally click into place, a desperate race to stop their cataclysmic plan begins. The four adventurers will be pushed to their limits as they are forced to take the fate of Aeternerras into their hands. And if they fail, the world will burn.

Bound to the Dark Elf Lisa Kumar, 2014-08-16 From award-winning author Lisa Kumar comes a contemporary fantasy romance of a banished dark elf with a torturous past who finds his salvation--and the warming of his heart--in a mortal woman. Liar, murderer, traitor ... these are all names Eamon has been called, and he wears them with pride. Depending on which side one falls, those titles are only too true. But it's all part of his orchestrated manipulations. Up until the day he was banished from the fae land of Eria, he had schemed for millennia to protect his people, even resorting to murder. As punishment, the Erian king exiled him on Earth to live amongst the lowliest creatures of all -- humans. Yet one frustrating and captivating woman shakes his ingrained beliefs to the core. Newly minted physical therapist Caralyn Alberts has been drawing images of a handsome, otherworldly stranger for as long as she can remember. She's chalked it up as a fluke occurrence of life. But when she finds the arrogant Eamon sprawled out on the ice at a local park, her life becomes just as slippery and

dangerous as the hauntingly familiar elf. Enemies, friends, and unwilling partners inundate them from all sides. When Eamon's treacherous past makes a reappearance, they'll have to trust each other in order to keep their hearts — and their very lives — intact. This story is the third book in the Mists of Eria series and contains adult content and mentions past physical and sexual abuse. This book was previously published under the same title and has a new cover and fresh edits. The Mists of Eria series will be a crossover with The Faerin series. Kaiden and Ashlee from Falling for the Driade, the first The Faerin book, appear in this story. Both series are perfect for lovers of elf (fae)/human romance. Keywords: fantasy romance, elf romance, wicked elf, wicked fae, Elise Kova, Grace Draven, Sarah J. Mass, dangerous alliance, elf-human romance, fae-human romance, aristocratic hero, anti-hero, dark hero, human heroine, forced proximity, fae intrigue, morally gray hero, morally grey hero
