Like raptors drawn to road kill, demons converge on what's left of civilization, urging it to implode even faster. In this final book of the Soul Storm series, Lara and Trevor's relationship undergoes stresses that threaten to annihilate them. Constantly hungry, besieged by dark forces, they need every resource they've developed as a couple to keep from ripping each other apart. With her mentors snared in a chokehold by Goblins, Lara has only her half-baked magic standing between survival and certain death for herself, her love, and their unborn child. The remote location that was supposed to solve all their problems has done anything but. Though she works diligently, Lara's crash course in magic proves woefully inadequate. Trevor's determined to protect his family, but he's developed a decidedly haunted edge from all the carnage. When he's captured by demons, Lara curses their decision to leave Seattle, risks everything to go after him, and falls headlong into a cunningly crafted trap.
