*The Midnight Unicorn* Alice Hemming, 2019-09-05 A magical unicorn fairy tale filled with adventure, enchantment and a fight like no other... In a faraway kingdom, two girls live completely different lives. They've never met, but they have been bound together since birth. Danger, mystery and enchanted unicorns await them. Their story began once upon a time. But how will it end?

**The Cursed Unicorn** Alice Hemming, 2020-09-03 From Alice Hemming, the bestselling author of *THE MIDNIGHT UNICORN*, comes a brand-new unicorn fairytale. In the faraway kingdom of Elithia, a powerful king holds the throne, with ten Royal Knights under his trusted command. Fearsome warriors and talented fighters, the knights are led by Samara, the most exceptional of them all. Samara's brother, Hero, also works for the king, and his role as the king's advisor gives him a privilege unrivalled by most. So when he falls ill, the king sends for the wisest healers in the kingdoms. Many healers answer his call, but none are able to discover the reason for Hero's failing health. In desperation, Samara seeks out a wizard called Ardis who practices dark magic. Ardis promises Samara the chance to save her brother's life, but the cost is her soul. When Samara refuses, Ardis curses her in rage. Weaving his magic, he forces Samara to take the form of a unicorn and Samara becomes an outcast—and a legend: the Cursed Unicorn becomes well-known in the surrounding kingdoms, though where the unicorn came from nobody could say. Will Samara remain a unicorn forever, or will she break the magic that traps her? Her story started once upon a time, but who knows how it will end...

*The Darkest Unicorn* Alice Hemming, 2020-03-05 Some bad unicorns steal away magic, and some steal away precious memories. There are even some that steal away people - and those are possibly the most dangerous unicorns of all. In the usually peaceful city of Arvale, people are going missing. Men, women - even children. The palace makes an urgent decree: all royal subjects must abide by a strict curfew for their own safety. But for Thandie and her friends, a curfew means more adventure. They dare each other to sneak about the city at night - although Thandie is the only one brave enough to actually do it. One night, as an eerie fog sets in, Thandie is startled by a strange boy - a boy she's never seen before. He looks about her age but there's something unsettling about him, leaving Thandie to wonder if he's someone she should trust. Little does she know that this meeting will force her life wildly off-track, pushing her towards an unexpected danger and a fearsome unicorn who is at the very heart of the terrible disappearances she's heard so much about.

**The Last Black Unicorn** Tiffany Haddish, 2017-12-05 NEW YORK TIMES BESTSELLER "An inspiring story that manages to be painful, honest, shocking, bawdy and hilarious." —The New York Times Book Review From stand-up comedian, actress, and breakout star of *Girls Trip*, Tiffany Haddish, comes *The Last Black Unicorn*, a sidesplitting, hysterical, edgy, and unflinching collection of (extremely) personal essays, as fearless as the author herself. Growing up in one of the poorest neighborhoods of South Central Los Angeles, Tiffany learned to survive by making people laugh. If she could do that, then her classmates would let her copy their homework, the other foster kids she lived with wouldn't beat her up, and she might even get a boyfriend. Or at least she could make enough money—as the paid school mascot and in-demand Bar Mitzvah hype woman—to get her hair and nails done, so then she might get a boyfriend. None of that worked (and she's still single), but it allowed Tiffany to imagine a place for herself where she could do something she loved for a living: comedy. Tiffany can't avoid being funny—it's just who she is, whether she's plotting shocking, jaw-dropping revenge on an ex-boyfriend or learning how to handle her newfound fame despite still having a broke person's mind-set. Finally poised to become a household

name, she recounts with heart and humor how she came from nothing and nowhere to achieve her dreams by owning, sharing, and using her pain to heal others. By turns hilarious, filthy, and brutally honest, *The Last Black Unicorn* shows the world who Tiffany Haddish really is—humble, grateful, down-to-earth, and funny as hell. And now, she's ready to inspire others through the power of laughter.

**Black Unicorn** Tanith Lee,1991 With her talent for mending things, sixteen-year-old Tanaquil reconstructs a unicorn which, brought to life, lures her away from her desert fortress home and her sorceress mother to find a city by the sea and the way to a perfect world.

**Black Unicorn** Terry Brooks,2009-02-19 A year had passed since Ben Holiday bought the Magic Kingdom from the wizard Meeks, who had set a series of pitfalls against him. Ben survived, by the aid of three loyal friends: Questor Thews, and ill-trained wizard; Abernathy, a talking dog, the Court Scribe; and the lovely Willow, who sometimes had to be a tree. But Ben had been troubled by dreams of disaster to his former partner, Miles Bennett. Yet when he returned to Earth, Ben found Miles doing splendidly. Unknown to Ben, the dreams had been a trap by Meeks, who had returned to the Magic Kingdom as a tiny insect hidden in Ben's clothing. That first night back in Landover, Ben awoke to see Meeks gloating over him, claiming to have the medallion that could summon the mysterious knight-protector, the Paladin, and that he had cast a spell to witch appearances with Ben. Ben found himself outcast, no longer recognized by any friend, though all his powerful enemies seemed to know him. Without the medallion, he couldn't seek the help of the Paladin against Meeks. There was only the prism cat—whatever that might be! And where was Willow—and the mysterious black unicorn she'd set out to find?

Even if Wren is cunning, fast, and strong enough, there's a good chance it will still be her. Without the Heart, magic will flee the land faster than the night flees the day. Without the Heart, Spellshallow, and everything in it will cease to exist. As her brother's shameful thievery is uncovered, Wren must swallow her pride and accept help from allies whom she knows she can't trust: - Thackery is the ambitious son of the richest and most powerful councilman--her very ex, scorned lover--and the wounds Wren caused him are still raw. - Calen isn't a boy at all. Trapped in human form after a hideous defeat, Calen may have lost his horn, but is still a unicorn--a self-serving, treacherous scoundrel, as dangerous to any man who crosses him as he is to the innocence of every fair maiden. - Luckily for Wren, she was already doomed. To find the Heart and restore the magic, to retrieve the lost horn, Wren and her unfortunate travel companions must survive three separate realms--each more deadly than the last. Unknown enemies and strange magic hinder their way, and yet the most perilous thing is what lies within their own hearts.
