I'm so glad I picked it up...now can it be June already so I can read more? ~Amazon reviewer \*\*\* In The Witcher meets The Selection... \*\*\* She ran from him... but couldn't escape her heart. Lord Gabriel Phel wants one thing: to rebuild the shattered fortunes of his people and restore his ruined house to its former station in the Convocation's highest tiers of elegant society. Fortunately, through a wild chance of birth, he was born with powerful wizard magic, the first in his family in generations. If he can obtain a familiar to amplify his magic, a highborn daughter he can marry, to be mother to his children, he'll be that much closer to saving his family. With her by his side, he can ascend to such a position of power in the Convocation that he can destroy it forever. Lady Veronica Elal, captive in her tower, has only one way out. To her bitter disappointment, she will never be a wizard. Instead, through a twist of fate, and despite her expensive Convocation Academy education, Nic is doomed to be a familiar like her mother. Forced to participate in the Betrothal Trials, she receives a wizard suitor for one night each month. Whichever man impregnates her will bond her to them forever. With no choice but to serve the one who wins her, Nic has one hope for control over her life: a wizard she can manipulate. Gabriel Phel seems like the perfect choice for Nic's gambit—he's desperate and untutored in wizardry—but within moments of meeting him, she feels the bonds of magic tying them together. Afraid of losing her will to the compelling wizard who touches her heart like no other, Nic does the unthinkable: she runs. Pregnant and alone, Nic eludes monstrous hunters, searching for a safe haven. But when Gabriel catches up to her, their adventure has only begun.

*Spiritual Bind* R.H. Whiteman, 2001-01-09 For the past three hundred years, the medieval realm of Bijulan has been under a subversive attack from an evil wizard named Guerric. Now that the kingdom is ruled by young King Malcolm, Guerric increases his efforts to gain control of the realm, a move which could lead to a destructive war of wizards. In modern El Paso, Justin Moran creates a teleporter which accidentally sends him to ancient Bijulan where he finds himself drawn into the power struggle between Guerric and King Malcolm and his own wizard Redmund. Justin agrees to help capture and transport Guerric to the Wizards' Council if Redmund will help Justin return home afterward. They encounter obstacles and dangers the entire way, and Justin is shocked to discover that he himself may be the most powerful wizard in the alien land. Without fully understanding his magical powers, he discovers that Guerric is determined to destroy the land in order to confront the Creator Himself. Justin must either overcome his doubts about magic and save the land from Guerric or deny his powers and be at the mercy of the dark wizard.

**Dark Wizard's Case** Kirill Klevanski, 2019-10-03 Alexander Dumsky, or Alex Doom, was a dark wizard. At the age of seventeen, he was convicted of a litany of crimes so long that even the seasoned investigators, judges, and prosecutors involved in the case could only shudder. Not a single attorney could be found to defend him in court. But four years later, Alex was released from prison to become the Professor of Dark Magic. They'd thrown him into the deepest hole they could find, one built for the sole purpose of holding wizards, and then they let him back out again...Why him? Why then? Oh, you're not surprised to hear talk of wizardry? Well, then you probably know that the Magic Lens, which was invented in 2032, let humans see and use magic again. Or do you know?

*Pangerath* Warren Clyde, 2022-01-04 Pangerath, a magically hidden continent in the oceans of modern-day man. The Prophecy A land quenched by blood and tears, Begets a child of dark and light A seed nurtured, by witch's white. Four by four does time progress The seed now grown, Then torn from loving breast. Through loving friends and family The lands fate, as does his rest. His soul divided by dark and light. Upon this boy's burdened plight. THE PROPHECY TWO Born of two sides A boy arrives. Unknown his father, His fate; survive. For evils, grip shall be undone By a boy wizard born A witch's son. I've always had this fire inside me—a burning passion for writing and storytelling that's been with me through thick and thin. Now, here's the thing. I've dreamt of being a writer for as long as I can remember, but I carried doubts with me like baggage. I didn't follow the conventional path, and let's be honest, there were times when I wondered if I had what it takes. I've walked a road less traveled, faced my share of struggles, and come from places that weren't exactly sunshine and rainbows. Life led me through different twists and turns. I've had my fair share of jobs, but nothing quite clicked. It wasn't that I didn't try—I just couldn't find that spark, that thing that made me jump out of bed each morning. I kept thinking, Is this it? Is this what life's all about? And then, there was a moment of clarity. I decided to say goodbye to the uninspiring and embrace the enchanting. I found solace in writing, in crafting worlds and characters that danced in my imagination. Pangerath came alive, a place of magic, adventure, and limitless possibilities. But that wasn't all—I was also jotting down Valentine: Memoirs of a Vampire and playing with ideas that floated around in the

recesses of my mind. Writing isn't just something I do; it's a part of who I am. Every day, I pour my thoughts onto the page. Fantasy is my go-to—it's a realm of escapism, of magic and wonder where I can explore different dimensions and be whoever I want to be. Vampires, mystical realms, all of it—I embrace it with open arms, and my imagination runs wild. Now, here's the thing about being a writer: it's a rollercoaster. Doubts and fears can sneak in, making you wonder if anyone will resonate with your words. I've been there, staring at the blank page, my heart racing. But I've realized something crucial—writing is my purpose. Each word, each story is a piece of my soul that I'm sharing with you. So, as you dive into my stories, whether it's the magical lands of Pangerath or the secrets of vampires, know that you're not just reading words on a page. You're stepping into my world, a world crafted with determination and love. My journey isn't conventional, but it's uniquely mine. And as you read, I hope you feel that spark, that connection, and find a piece of yourself within the pages. Here's to us, to adventure, and to the power of imagination. Let's embark on this journey together, shall we? Warmly, Warren K Clyde

**The Evil Wizard Smallbone** Delia Sherman,2016-09-13 In a hilarious tale reminiscent of T. H. White, a lost boy finds himself an unlikely apprentice to the very old, vaguely evil, mostly just grumpy Wizard Smallbone. When twelve-year-old Nick runs away from his uncle's in the middle of a blizzard, he stumbles onto a very opinionated bookstore. He also meets its guardian, the self-proclaimed Evil Wizard Smallbone, who calls Nick his apprentice and won't let him leave, but won't teach him magic, either. It's a good thing the bookstore takes Nick's magical education in hand, because Smallbone's nemesis—the Evil Wizard Fidelou—and his pack of shape-shifting bikers are howling at the borders. Smallbone might call himself evil, but compared to Fidelou, he's practically a puppy. And he can't handle Fidelou alone. Wildly funny and cozily heartfelt, Delia Sherman's latest is an eccentric fantasy adventure featuring dueling wizards, enchanted animals, and one stray boy with a surprising knack for magic.

**The Dark Wizard of Oz** Ozzy Lembo,Michael Taromina,2015-06-03 Exiled from the mafia at a young age, Orazio Ozzy Lembo went on to commit crimes the media declared would make Al Capone blush and Dillinger envious. Until his criminal curtain of deceit suddenly crashed down... This is the fascinating true story of the invisible man the United States Treasury Department credited with masterminding the biggest heist of bank data in United States history. Just as his star was rising in the underground world, Ozzy Lembo, dubbed the collection kid, was unexpectedly ousted by his powerful New Jersey mob boss. Although devastated, he had no intentions of abandoning his criminal aspirations—even after tasting success as a legitimate debt collector. Instead Ozzy expertly combined his underworld street smarts with legitimate debt collection experience to covertly steal over a trillion dollars in financial information from over a million unsuspecting debtors. Narrated with the same caustic wit and bullshit that effectively disguised his illegal operations in the open light of day, Ozzy details how government authorities only scratched the surface of his legendary deceit. For over a decade The Dark Wizard of Oz made millions duping law enforcement and the world's best security measures by blending a hilarious cocktail of fraud, drugs, sex, and payoffs like no ever had before. Or ever will again.
