A Modern History of the Kurds David McDowall,2021-03-25 David McDowall's ground-breaking history of the Kurds from the 19th century to the present day documents the underlying dynamics of the Kurdish question. The division of the Kurdish people among the modern nation states of Iraq, Turkey, Syria and Iran and their struggle for national rights continues to influence the politics of the Middle East. Drawing extensively on primary sources - including documents from The National Archive and interviews with prominent Kurds - the book examines the interplay of old and new aspects of the struggle, the importance of local rivalries and leadership within Kurdish society, and the failure of modern states to respond to the challenge of Kurdish nationalism. In this new and revised edition, McDowall also analyses the momentous transformations affecting Kurdish socio-politics in the last 20 years. With updates throughout and substantial new material included, this fourth edition of the book reflects the developments in the field and the areas which have gained importance and understanding. This includes new analysis of the Kurdish experience in Syria; the role of political Islam in Kurdish society and Kurds' involvement in Islamist Jihad; and issues surrounding women and gender that were previously overlooked, from the impact of the women's equality movement to how patriarchal practices within the Kurdish community still limit its progress. The foundation text for Kurdish Studies, this book highlights in detail the changing situation of the Kurds across the Middle East.

Iraqi Kurdistan Gareth R. V. Stansfield,2003-08-29 The Iraqi Kurds have enjoyed de facto statehood in the north of Iraq for over a decade but Intra-Kurdish fighting, military incursions by Turkey and Iran and the constant threat posed by Saddam Hussein have plagued this 'democratic experiment'. In this book, Stansfield explores the development of the Kurdish political system since 1991. He examines the difficult and often violent relations between the two dominant powers, the Kurdistan Democratic Party (KDP) and the Patriotic Union of Kurdistan (PUK), and their relationship with the Kurdish Regional Government in order to understand the current state of Iraqi Kurdish politics and the operation of the state. This topical in-depth study identifies the main dynamics of Iraqi Kurdish politics, analyzes the record and potential of the 'Kurdish democratic experiment', and identifies the present and future Kurdish leaders.

After the Violence Ellen Zeldi Kessner,2008-10 A young family-dad, mom, baby-are gunned down in their home by a friend. Dad and baby survive, but the mom does not. Her mom searches for the truth of her daughter's life and murder, while desperately trying to bond with her wounded grandchild. This memoir is both mystery (diamonds, threats, betrayal) and love story: one woman's deliberate re-incarnation of her daughter for her grandchild who would never know her mom. From the Reviews of SAVING BEAUTY FROM THE BEAST: Who can better understand the rage that erupts and the pain that perseveres in the aftermath of murder than a mother who lost her daughter to male violence? A brave and compassionate account. -Dominick Dunne an excellent guide as well as a memoir from the heart. Saving Beauty is both heart-wrenching and healing. Highly recommended. -Library Journal, 2003 Advance Praise for AFTER THE VIOLENCE: This mom's affecting portrait of her long-gone daughter relates the emotional devastation that murder inflicts on an entire family through the generations. Incredibly moving in its honesty and inspiration. -June Ginty, Trustee on Board of the National Organization of Parents of Murdered Children

Sangre guerrera Christian Cameron,2012-03-28 Arímnestos sueña con convertirse en fundidor de bronce, como su padre. Cuando estalla la guerra entre Platea y su poderosa vecina Tebas, luchará por primera vez en la línea de batalla —el muro de bronce—, junto con su padre y su hermano, y tras resultar herido en la refriega, se verá convertido en esclavo. Traicionado por un pariente envidioso y cobarde, Arímnestos pasa a ser propiedad de un acaudalado ciudadano de Éfeso, una ciudad griega gobernada por el Gran Rey persa, y tendrá que afrontar un peligroso camino para recuperar su antigua posición. En un mundo al borde de una épica confrontación entre griegos y persas, Arímnestos descubre que tiene una cualidad especial: como su héroe Aquiles, él es un «matador de hombres». Pero en esta lucha a vida o muerte entre la tiranía y la democracia, la esclavitud y la libertad, a veces no es fácil distinguir las líneas que separan una y otra. Extraordinaria recreación de un mundo en guerra que, dos mil quinientos años después, todavía deja sentir su influencia sobre el nuestro, Sangre guerrera presenta la historia de griegos y persas como nunca se había contado hasta ahora, en la que está destinada a ser una serie verdaderamente clásica. La habilidad de Cameron para evocar lo que Homero llamó “la bruma de la batalla” enorgullecería al antiguo poeta. Toronto Globe And Mail

Killer of Men Christian Cameron,2010-08-05 In the epic clash of Greece and Persia, a hero is forged - a monumental novel from the author of the Tyrant series. Arimnestos is a farm boy when war breaks out between the citizens of his native Plataea and their overbearing neighbours, Thebes. Standing in the battle line for the first time, alongside his father and brother, he shares in a famous and unlikely victory. But after being knocked unconscious in the melee, he awakes not a hero, but a slave. Betrayed by his jealous and cowardly cousin, the freedom he fought for has now vanished, and he becomes the property of a rich citizen. So begins an epic journey

out of slavery that takes the young Arimnestos through a world poised on the brink of an epic confrontation, as the emerging civilization of the Greeks starts to flex its muscles against the established empire of the Persians. As he tries to make his fortune and revenge himself on the man who disinherited him, Arimnestos discovers that he has a talent that pays well in this new, violent world - for like his hero, Achilles, he is 'a killer of men'.
