*The Ravaged* Norman Reedus,2022-05-10 New York Times bestseller Los Angeles Times bestseller USA Today bestseller The highly anticipated debut novel from Norman Reedus, acclaimed star of The Walking Dead “This country wasn’t built on good—only fought for with good intentions.” Jack’s dying mother told him, “Run and never look back.” He spent his life amassing wealth, but after losing his family, he has no one to share it with. Alone with his demons and a backpack, he heads to South America, where people with nothing teach him what matters. After thrashing his dog-abusing boss, Hunter learns of his father’s death in a mysterious fire. Biker buddies Nugget and Itch ride with him from North Carolina to California. Stories from his father’s life help ease the struggles of small-town Americans. Hunter discovers a secret past. Seventeen-year-old Anne flees Tennessee after her older brother attacks her. Norman Reedus: True Tales of The Walking Dead’s Zombie Hunter Mc Shapiro,2015-09-10 Where does reality stop and fantasy begin? In the case of The Walking Dead superstar Norman Reedus, the question is still very much up in the air. His Daryl Dixon is a very flawed, psychologically scarred character in a zombie-infested world. And there is much in his portrayal that is informed by a real life that is equally flawed and equally scarred. In Norman Reedus: An Unauthorized Biography: True Tales of the Walking Dead’s Zombie Hunter, the first detailed look at Norman Reedus’ life and times, you will get it all. The good, the bad and the ugly. This book chronicles his days as a defiant young man in a fractured but ultimately liberating family life, allegations of physical abuse from Reedus himself, to his struggles in the Los Angeles art underground, alcohol problems that saw him in AA and, for a time, homeless, his breakthrough in acting, modeling and the slow, steady and never boring journey through love, fatherhood and his often truly odd professional choices. You’ll discover why Reedus said thanks but no thanks to an offer to play opposite a reigning superstar, how he became Daryl Dixon and how The Walking Dead changed his life. Oh yes, there is that penchant for roadkill. New York Times Bestselling author Marc Shapiro has dug deep, tracking down people who knew him way back when as well as in the here and now for original interviews. They were willing to talk and they revealed stories about Reedus that even the most fanatic fans won’t know. The author’s research was relentless, digging into deep, dark and obscure corners. Norman Reedus’ world is about real life wrapped around a world of fantasy. Norman Reedus: The Unauthorized Biography: True Tales of the Walking Dead’s Zombie Hunter pulls no punches, tells only the truth and leaves the rest up to the reader. Which ultimately is the way Norman Reedus would want it.
