J.S. Morin

House of the Orion Sun J.S. Morin,2018-10-30 Core World problems... Rigel IV glistens beneath a giant, blue-white sun. Its vast surface is covered in tall cities shining like hope itself. Law enforcement protects the people. Or at least... most of the people. Because even core worlds have a seedy side. Esper finds a home of sorts among the endangered, the unprotected, the ones that the law turns a blind eye toward. And when one of her protectees gets kidnapped, Esper will stop at nothing to bring her home. Well, almost nothing. Because Esper's work has pushed her to the edge of a moral precipice. She's clinging by the last of her willpower to avoid the easy path, the one that might lead her to damnation and turn her into the sort of person she's been battling all along. And the voice in her head keeps egging her on. House of the Orion Sun is the third mission of Black Ocean: Mercy for Hire. Set in the Black OceanUniverse, it continues the saga of the galaxy's sweetest bounty hunter and her loyal sidekick (who is NOT a dog!) and introduces a colorful cast for new and returning readers alike. Fans of vigilante justice and heroes who exemplify the word will love this series. Buy your copy its freedom today!

Mass Effect: Andromeda - Strategy Guide GamerGuides,2017-03-01 A Professional Gamers Guide to Mass Effect: Andromeda from

Once Broken Sylvain St-Pierre,2020-02-01 Home, familiar, alien. Answers? Tristan returns to the one place he never expected to go to: Samalia—home, dragged there against his will by Alex, who believes its people hold Tristan's cure. What Alex discovers is that a corporation is taking over the planet, bit by bit, and simply returning a Samalian artifact isn't enough to complete the ritual. Can Alex stand still long enough for Tristan to rebuild the place the artifact belongs? Can Tristan remain sane enough to do the work? And if Tristan does get better, will Alex be able to accept what it means? For once broken, can someone ever be exactly who they used to be?

Cloak of War Rhonda Mason,2016-10-25 The bloody tournament to determine the new empress of the intergalactic empire may be over, but for exiled princess Kayla Reinumon, the battle is just beginning. To free her home planet from occupation, Kayla must infiltrate the highest reaches of imperial power. But when a deadly nanovirus threatens to ravage the empire, it will take more than diplomacy to protect her homeworld from all-out war.

The Star and the Stellae C.A. Nole,2014-05-24 Love, life, and the lifeless death. A spherical city floats in space, inhabited by humans of unknown origins. Those who oppose the power structure are sent through the floor into the vacuum of space to meet the lifeless death. Diana and Vesta are lovers, who share everything, until Vesta's involvement with the resistance shatters their relationship. Diana meets a biohacker fugitive named Janus who is developing a virus that will murder the Stellae, a cluster of human souls, which shine like stars and order the oppression of the living. Diana must decide whether love is worth dying for, and if it is, can there be a death worth living?

Al Clark-Avalon Jonathan G. Meyer,2015-12-08 It appeared to be the perfect planet for colonization. Avalon, a world untouched by man, with clean air and pristine landscapes that begged to be tamed. After a long and difficult journey, the settlers will be required to fight for their lives, and discover there is a price to pay if they want to live in paradise.

Galaxy Outlaws Mission Pack 1 J.S. Morin,2015-10-01 Science to build a starship. Wizardry to take it past light speed. A crew to give it a soul. The Mobius is a cobbled-together ship with a matching crew. Captain Carl Ramsey is an ex-Earth Navy pilot whose crew won't let him fly his own ship. The pilot is his ex-wife, the mechanic is a drunk, and the chief of security is from a predatory species. Instead of a star-drive to travel through the astral space between worlds, the ship's wizard does it by hand. Mission 1: Salvage Trouble A salvage mission turns into a rescue, and no good deed goes unpunished. With two refugees onboard, the Mobius crew is hounded by bounty hunters, border partols, and corporate enforcers. Mission 2: A Smuggler's Conscience "Don't open the package." It's the smuggler's credo for good reason. When the Mobius crew takes a peek at their illicit cargo, the entire job takes an about-face. Mission 3: Poets and Piracy The Mobius crew gets caught in a turf war between a pirate fleet and a galactic criminal syndicate. The trick is getting everyone out alive (and maybe getting paid in the process). Mission 4: To Err is Azrin Sometimes you can't go home again. When a job takes the crew to their security chief's homeworld, she gets dragged into a familial power struggle. Can the rest of the crew bail her out of an old feud gone horribly wrong? Bonus Short Story: Guardian of the Plundered Tomes Mordecai The Brown has been on the run from the Convocation for decades. How does a respectable wizard with a wife and two kids end up crisscrossing the galaxy in the company of outlaws? Black Ocean is a science fantasy series set in the 26th century. Do you wish there had been a second season of Firefly? Do you love the irreverent fun of Guardians of the Galaxy? Have you ever wondered how Star Wars would have turned out if Luke and Obi-wan had ditched the rebellion to become smugglers with Han and Chewie? Then Black Ocean is the series for you! Pick up your copy and aim to misbehave with the crew of the Mobius!

Stowaway to Heaven J.S. Morin,2016-11-15 If you can't beat 'em, hijack 'em. Push a man hard enough and long enough and he's going to push back. Carl Ramsey finally has a plan to deal with transgalactic megacorp Harmony Bay. With the aid of a new ace up his sleeve, the Mobius crew finally have a heist that can put an end to the company's harassment. They're going to steal the ship responsible for Harmony Bay's black ops. Of course, this is no pleasure cruiser they're planning to steal. Armed like a naval ship and with a complement of wizards all its own, the Harmony Bay ship Bradbury is no easy mark. This time, Carl might have picked a foe that's too much for his crew to handle. Stowaway to Heaven is the 12th mission of Black Ocean, a science fantasy series set in the 26th century. Do you wish there had been a second season of Firefly? Do you love the irreverent fun of Guardians of the Galaxy? Have you ever wondered how Star Wars would have turned out if Luke and Obi-wan had ditched the rebellion to become smugglers with Han and Chewie? Then Black Ocean is the series for you! Pick up your copy of Stowaway to Heaven, and aim to misbehave with the crew of the Mobius.

Countdown Joseph R. Pesta,2005-07-25 Journey on a science fiction adventure that spans three worlds, an adventure full of action, mystery, intrigue, thrills, and suspense. A deadly missile has been stolen. A growing terrorist organization has laid down its demands. Millions will die if their deadline isn't met, and a vital economic agreement, created to unite the three habitable worlds of the Ziara system, will never come to pass. Having already mysteriously lost four of its top agents trying to track down the terrorist leader, the Bureau-the most known and feared organization in the charted galaxy-sends out its best agent to stop the terrorist threat before it is too late. Can Agent Jake Keeler put an end to the plans of the terrorists before the lives of millions are lost, or will the countdown begin toward the destruction that will change the face of the Ziara system forever?

Galaxy Outlaws Mission Pack 3 J.S. Morin,2016-12-26 Being a criminal kingpin is more work and less fun than everyone makes it seem. Carl Ramsey is the head of his own criminal Syndicate. With a hundred men and women and the resources of a tiny jungle moon at his disposal, life should have gotten easier, not harder. Infighting, politics, and a lack of income to pay everyone begin to tear the syndicate apart from the inside. And the last thing Carl needs is his father stepping in to try to help. Mission 9: Adventure Capital Carl sets out with some new recruits to earn some startup funds for his new syndicate. But when he discovers that his criminal enterprise doesn't have enough criminals to run it, he goes to recruit some old friends. Mission 10: Collusion Course While Carl and the Mobius are stranded, dead in space, Chuck Ramsey steps in to handle the day-to-day operations of the syndicate. Can Carl get his ship repaired and get home while he still has a syndicate left? Mission 11: You, Robot Wizards are all convinced that any thinking robot would be a threat to life as we know it. Robots are paranoid that wizards are out to get them. When the Mobius comes across a robot claiming to be a wizard, they don't know quite what to do with him. But there's a wizard who does, and he's not planning to play nice. Mission 12: Stowaway to Heaven With the aid of some inside information, the Mobius crew are ready to take on an old nemesis. Their goal: to infiltrate and hijack the Harmony Bay ship Bradbury. Bonus Short Story: Voice of Reason With Carl off being treated like a VIP, a job comes in for the Mobius. Roddy, Archie, and Yomin take on the assignment, but they have to manufacture a convincing impostor of Carl to

do it. Black Ocean is a science fantasy series set in the 26th century. Do you wish there had been a second season of Firefly? Do you love the irreverent fun of Guardians of the Galaxy? Have you ever wondered how Star Wars would have turned out if Luke and Obi-wan had ditched the rebellion to become smugglers with Han and Chewie? Then Black Ocean is the series for you! Pick up your copy and aim to misbehave with the crew of the Mobius!

Tempest: Star Wars Legends (Legacy of the Force) Troy Denning, 2008-04-29 Forty years after the Battle of Yavin a dangerous new era in the Star Wars epic begins— the revelations are shocking, the stakes desperate, and the enemy everywhere. As civil war threatens the unity of the Galactic Alliance, Han and Leia Solo have enraged their families and the Jedi by joining the Corellian insurgents. But the Solos draw the line when they discover the rebels’ plot to make the Hapan Consortium an ally— which rests upon Hapan nobles murdering their pro-Alliance queen and her daughter. Yet the Solos’ selfless determination to save the queen cannot dispel the inescapable consequences of their actions, that will pit mother against son and brother against sister in the battles ahead. For as Jacen Solo’s dark powers grow stronger under the Dark Jedi Lumiya, and his influence over Ben Skywalker becomes more insidious, Luke’s concern for his nephew forces him into a life-and-death struggle against his fiercest foe, and Han and Leia Solo find themselves at the mercy of their deadliest enemy . . . their son. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Planet Hustlers J.S. Morin, 2017-08-18 The hottest card game in the galaxy puts the fates of three worlds at stake. Pirates have taken over and occupied a refugee world, and the exile government turns to the only human they can trust—Carl Ramsey. Trying to make a better man of himself, Carl agrees to help in whatever way he can. Since he's a notorious outlaw, his plan involves a little double-dealing. As Carl unravels the tale of how an entrenched pirate band got displaced from their cushy hideout and found a ripe target to bully, he stumbles across a twisted web of deception, intrigue, and political puppeteering behind the scenes. To get the squabbling factions together, Carl—known by everyone who's met him to be a compulsive gambler and loser at cards—arranges a poker game. They're all coming to the table to rob him blind. Carl's hoping that cheaters can prosper. If he can't pull this one off, millions of alien refugees will remain trapped, and if he gets caught cheating, he's a dead man. Planet Hustlers is the fifteenth mission of Black Ocean, a science fantasy series set in the 26th century. Do you wish there had been a second season of Firefly? Do you love the irreverent fun of Guardians of the Galaxy? Have you ever wondered how Star Wars would have turned out if Luke and Obi-wan had ditched the rebellion to become smugglers with Han and Chewie? Then Black Ocean is the series for you! Pick up your copy of Planet Hustlers, and aim to misbehave with the crew of the Mobius.

Vision of the Future: Star Wars Legends (The Hand of Thrawn) Timothy Zahn, 2011-06-28 Hugo Award-winning author Timothy Zahn brings his epic two-volume series The Hand of Thrawn to an explosive conclusion with a discovery that rocks the New Republic to its foundations—and threatens to resurrect the Empire. The Empire's master plan is under way. The New Republic is on the verge of civil war and the rumor that the legendary Admiral Thrawn has returned from the dead is rallying the Imperial forces. Now Luke Skywalker, Han Solo, Princess Leia, and their allies face the challenge of their lives. They must infiltrate a hidden fortress filled with Imperial fanatics, rendezvous with a double-dealing Imperial commander, and journey into enemy territory to learn the identity of those responsible for an act of unthinkable genocide. But most important of all is the truth about Thrawn. In his hands—alive or dead—rests the fate of the New Republic. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years! © 1998 Lucasfilm Ltd. & TM All rights reserved. Used under authorization.

Astral Tides - Season One: Rimward Nicholas Kory, 2015-03-23 Captain Daltir Stone is up to his eyeballs in problems. If it isn't his ship breaking down, it's his empty pockets, the Council's security forces, or other brigands in the wide open space that are getting him down. His quartermaster, Merrill Rynn, and his loyal friend and crew member, Thad Vanorin, try to keep the balance between Captain Stone's blunders and his money-hungry crew. The amphibious alien Firiz Lehnk keeps the ship in the air and the engines humming, despite the efforts of half-breed Elanas Connor, a roguish engineer who throws caution, and etiquette, to the wind. Amidst all of this, the crew's newest member, the seemingly selfish Sebastian Crell, tries to win the affection, or at least the attention, of the glamorous Allesi Jameur, a beautiful and manipulative former noble. Together, this motley crew makes their way across the stars, following their captain's orders as he plots their course of action and rolls the dice, taking the long shots and the dangerous gambles in an effort to keep credits in their wallets and fuel in their ship. After a lucky escape from incarceration, Daltir and his crew return to their ship to find a mysterious, backwards-talking contact waiting for them. Presenting a vague — but extremely well-paying — job that will bring the crew out to the outer rim of the galaxy and back into the Council-controlled core in a very short amount of time. Discretion, security, and speed are the contact's focus, and sets Stone and his crew on their way to retrieve the lost item and return it to the inquiring party. But old friends, and old debts, catch up to Daltir on their journey, and a short detour to collect some cash and make amends for past acts turns into a detrimental encounter with a band of pirates, costing them precious time and supplies. The crew, now distraught and running more ragged than before, resolves to set their sights on the final prize. Finish the job and get paid. The Council, however, doesn't seem too willing to let Daltir and his crew go. Patrol crafts, space-pursuits, interrogations and intrusive searches are all par for the course with Council entanglements, but when the corrupt Captain Cordo fails to bring in Stone and his crew, his commanding officer calls in another official to do the job; Huntmaster Lizreah, a woman from the core systems with a reputation for finishing hard cases with swiftness and finality. Now it's a race to the Androssi Belt, to find their quarry and get back to the planet Eravice before the Council finds them!

Backlash: Star Wars Legends (Fate of the Jedi) Aaron Allston, 2010-03-09 Locked in a war of wills and weapons, the Jedi Order and the Galactic Alliance must come to terms—before the Sith's army of darkness enacts revenge. Repercussions from the dark side's fatal seduction of Jacen Solo and the mysterious plague of madness afflicting young Jedi continue to wreak galaxywide havoc. Luke and Ben Skywalker are in pursuit of the now Masterless Sith apprentice—a chase that leads to the forbidding planet Dathomir, where the Skywalkers will be forced into combat for their quarry and their lives. Meanwhile, Han and Leia have completed their own desperate mission, shuttling madness-stricken Jedi to safe haven beyond the grasp of Galactic Alliance Chief of State Natasi Daala. Yet no greater threat exists than Abeloth, a being of ravenous dark-side energy who calls out to Jedi and Sith alike. For some it may be the ultimate source of answers for survival. For others it could be the ultimate weapon of conquest. But for all, it is a game-changing encounter of untold magnitude with unimaginable consequences. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Tangle of Need Nalini Singh, 2012-05-29 Discover the exhilarating risks of passion in the breathtaking new Psy-Changeling novel by Nalini Singh, the New York Times bestselling “alpha author of paranormal romance” (Booklist)... Adria, wolf changeling and resilient soldier, has made a break with the past—one as unpredictable in love as it was in war. Now comes a new territory, and a devastating new complication: Riaz, a SnowDancer lieutenant already sworn to a desperate woman who belongs to another. For Riaz, the primal attraction he feels for Adria is a staggering betrayal. For Adria, his dangerous lone-wolf appeal is beyond sexual. It consumes her. It terrifies her. It threatens to undermine everything she has built of her new life. But fighting their wild compulsion toward one another proves a losing battle. Their coming together is an inferno...and a melding of two wounded souls who promise each other no commitment, no ties, no bonds. Only pleasure. Too late, they realize that they have more to lose than they ever imagined. Drawn into a cataclysmic Psy war that may alter the fate of the world itself, they must make a decision that might just break them both.

Red Awakening Janet Elizabeth Henderson, 2019-10-28 Praise for the Red Zone series: Imaginative, totally preposterous and I absolutely loved every word! - Marta, Goodreads In a future where corporations and nanotech implants run the world, Mace Armstrong is in the wrong place at the wrong time... Literally. The mission is simple: find a way into CommTECH's state-of-the-art compound, bug the lead scientist of their bio-engineering team before they release an implant that will kill millions, get out without anyone knowing he's there. For an ex-army ranger, even one out of his element by a century, it should be a walk in the park. Right?

Wrong. Because Mace isn't the only one who breaks into the secure facility. With the building overrun with terrorists, he has to find a way out before he compromises himself and the entire Red Zone team to the enemy. But there's no leaving without the woman who inadvertently helped him get into the building in the first place: Keiko Sato, CommTECH's press secretary. She's brilliant, beautiful, and knows how to hold a grudge. Against him. She has no idea what secrets he and his team are harboring, or that she's calling to the animal that's been locked inside of him for a century. Even as she argues with him about everything, Mace is determined to protect her. He got her into this mess, and he owes it to her to get her out of it. Whether she wants him to or not. Each book in the Red Zone series is STANDALONE: * Red Zone * Red Awakening

Datapad Introduction

In today's digital age, the availability of Datapad books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Datapad books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Datapad books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Datapad versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Datapad books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Datapad books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Datapad books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Datapad books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Datapad books and manuals for download and embark on your journey of knowledge?

FAQs About Datapad Books

What is a Datapad PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating

system used to view or print it. **How do I create a Datapad PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Datapad PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Datapad PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Datapad PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
