Daybreak Brian Ralph, 2021-04-22 The cult classic zombie graphic novel: now a Netflix original series! You wake up in the rubble and see a ragged, desperate one-armed man greeting you. He takes you underground to a safe space, feeds you, offers you a place to sleep, and then announces that he'll take the first watch. It's not long before the peril of the jagged landscape has located you and your new-found protector and is scratching at the door. What transpires is a moment-to-moment struggle for survival-The Road meets Dawn of the Dead. *Daybreak* is seen through the eyes of a silent observer as he runs from the shadows of the imminent zombie threat. Brian Ralph slowly builds the tension of the zombies on the periphery, letting the threat-rather than the actual carnage-be the driving force. The post-apocalyptic backdrop features tangles of rocks, lumber, I beams, and overturned cars that are characters in and of themselves. Drawing inspiration from horror movies, television, and first-person shooter video games, *Daybreak* departs from zombie genre in both content and format, achieving a living-dead masterwork of literary proportions. When released in 2011, *Daybreak* was a critical success, a YALSA Great Graphic Novel for Teens, and a TLA Maverick Graphic Novel. Now for the first time, *Daybreak* is being adapted into a Netflix Original series, executive produced by Aron Eli Coleite (*Star Trek: Discovery*, *Heroes*), Brad Peyton (*Frontier*, *Rampage*), and Jeff Fierson (*Frontier*, *Rampage*), starring Matthew Broderick. Read the book before it hits the small screen this fall!

Daybreak David Swanson, 2011-01-04 *Daybreak* is a thorough investigation of how Bush/Cheney altered the way American government works and deteriorated the Constitution and Bill of Rights. It includes clear plans for how we may

reclaim democracy, declare our rights, and truly set out for a new America. Shocking and inspirational, Daybreak provides a clear breakdown of all that we have lost, and all that we have to gain.

Daybreak Belva Plain, 2011-03-09 The doctor's office is cool, white, sterile. But the doctor's words are searing: blood tests prove beyond a shadow of a doubt that Margaret and Arthur Crawford's beloved, dying son is not their child. Now they must face Peter's death and the shock of having a son they have never met. Grieving, yet compelled, they begin a search that will tear two families apart. Laura and Bud Rice share an elegant home and two children, brilliant, handsome Tom, and cherished, chronically ill eleven-year-old Timmy. But after nineteen years of marriage, Laura's respectable husband is a stranger—and the reason for Tom's escalating involvement with a group of campus bigots. Suddenly the Crawfords enter their lives and shatter their fragile world. As the Rices' quiet Southern town explodes with hate and violence, the two families must embrace—or be destroyed by—the shattering truth.

Daybreak Zero John Barnes, 2011-03-01 A year has passed since the catastrophic event known as Daybreak began. Seven billion people have died. Washington, D.C., has been vaporized. Daybreak Shelley Shepard Gray, 2013-02-12 In this close-knit Amish family, nothing is as perfect as it seems . . . When Viola Keim starts working at a nearby Mennonite retirement home, she strikes up an unlikely friendship with resident Atle, whose only living relative, son Edward, is living as a missionary in Nicaragua. Viola understands the importance of mission work, but she can't imagine leaving her father in the hands of strangers. Even though her family is New Order Amish, it's not the Amish way, and though she doesn't know Ed, she judges him for abandoning his father. But when Ed surprises his father with a visit, Viola and Ed both discover an attraction they never expected. Despite her feelings, choosing Ed would mean moving to a far-off country and leaving her family behind. She can't do that. Her twin sister, Elsie, is going blind and will need someone to care for her all her life. Her family is reeling with the recent discovery that her grandmother hid her past as an Englisher. Her father seems forgetful and distracted—and to be harboring some secrets of his own. Does Viola dare leave them all behind and forge her own life? Or will family ties mean her one chance at love slips away?

Daybreak Shae Ford, 2015-09-25 Midlan has awoken. Soldiers pour from between the gates and monsters descend upon the Kingdom. When Midlan turns its eye to

Copperdock, Kael quickly discovers that no realm is safe from the wrath of the King. But while he fights to keep Crevan's soldiers away from his friends, other powers rise up behind him – including an army so terrible that it threatens to devour everything. All paths lead to Midlan, every fate hinges upon a final battle, and the bloodshed will bring about a reckoning a thousand years in the making – a plan woven by Fate, herself. There's only one soul she can't cast for: a boy from the mountains who might undo everything, if he isn't stopped. When Kael's journey carries him to the battle's end, he doesn't know that the fate of the Kingdom rests upon his shoulders. The choice he makes will forever change his world ... and bring him to the story's end.

Daybreak in Indiana Carol Walls Howell,2017-10-13 In 1837, the Pattersons of Reeds Crossing are eager to head north to Indiana where they can claim new land and begin farming. Brady Pattersons wife, Anna Marie, along with their children and their friends, Pricilla and Jeremiah, make the difficult journey by covered wagons. They endure challenging weather conditions, mosquitos, and varmints as they travel northward, but they successfully reach their new home. The children, Pat and Tim, grow into teenagers, while other children

are added to the family dynamics. One day, a runaway slave family is discovered hiding on the family farm. The Pattersons acceptance of the family causes ripples throughout the community, and that acceptance brings about violence. Tim loves racing his horse and teasing Pricillas daughter. His daring ways often bring him harm. Pat turns eighteen years old and meets a girl who captures his heart. They fall in love, but as time passes, her father is unwilling to let them continue seeing each other. Pat sees no other resolve than to leave home and strike out on his own. A sequel to Sunset in Kentucky, Daybreak in Indiana tells the story of how a community becomes a town full of good people who help their friends and comfort those who mourn.

Daybreak William Fuller, 2020 Poetry. The title poem in William Fuller's DAYBREAK begins with something abstract. At daybreak one saw receptacles from the day before and in those receptacles lay strings of associations. From such associations eyes emanating soft red light emerge. Practical considerations follow--including the tax consequences of such associations--without weighing down the free flight of metaphor as a vehicle for transparent uninterrupted thought. Definite pronouns without antecedents take on a physical presence too, as real as the history of ideas. Each poem in this collection builds a memory palace for how to forget.

After Daybreak J. A. London, 2013-06-25 After Daybreak brings J. A. London's romantic dystopian Darkness Before Dawn series to a thrilling conclusion. Dawn grew up behind a wall, terrified of the vampires outside who controlled the lives of humans and demanded their blood. But when she became a delegate

for her city and met Victor, she realized that not all vampires were the same, that maybe one could be trusted. Now Day Walker Sin is infecting his followers with a disease that turns them into mindless killers. Dawn and Victor will have to convince humans and vampires to band together to stop him, because alone they will all die. After Daybreak is perfect for fans of the Morganville Vampires or Vampire Diaries series.
