Dazzle Judith Krantz, 2012-07-01 Blessed with beauty and talent, Jazz Kilkullen is an internationally acclaimed photographer and the owner of DAZZLE, a fashionable studio in Venice Beach, California. Successful and sexy, she is pursued by three exciting yet vastly different men, who have one thing in common, a passion for Jazz. But Jazz has enemies and, when her father dies suddenly on his vast estate in Orange County, she discovers a family plot to sell the land to developers who are determined to exploit its fabulous wealth. Jazz realizes that she must fight with guts and determination to safeguard her heritage and to secure her future happiness.

Dazzle Judith Krantz, 1994-10-01 “Captivating. Krantz’s latest tome . . . is her most erotic yet. Dazzle sizzles.”—Los Angeles Daily News Now, Judith Krantz, best-selling author of *Scruples*, *Mistral’s Daughter*, and *Till We Meet Again*, invites you into the luscious, monied world of Jazz Kilkullen, her most daring, provocative, impetuous heroine yet. Inside the fun-filled photographers’ studio in California known as Dazzle, Jazz Kilkullen reigns supreme. At twenty-nine, this playful, gifted, and

thoroughly sexy woman has become one of the most successful celebrity portrait photo in the world. But her charmed career and her dashing private life, which includes three fascinating-and fascinated-men, are rocked when an unexpected tragedy leaves jazz to battle her father's vengeful ex-wife and the machinations of her half-sisters. At stake is the Kilkullen family ranch, a three-billion-dollar paradise of unspoiled California land that developers all over the world would do anything to possess . . . and Jazz will do anything to protect. Absolutely anything. Praise for Dazzle "Enjoyable . . . Jazz is one of the most likable free souls to emerge from the novel industry."—The Pittsburgh Press "Deliciously sexy."—Cosmopolitan "Judith Krantz's best novel since *Scruples*."—Associated Press "Steamy."—Los Angeles Times "Hot . . . bubbling with sex, intrigue, and-most of all-money. Krantz is at the height of her form here."—Booklist

A Dazzle Of Dragonflies Forrest Lee Mitchell,James Lasswell,2005 This is a passionate look at a ubiquitous group of insects.

Dazzle Ships Chris Barton, 2017-09-01 A visually stunning look at innovative and eye-popping measures used to protect ships during World War I. During World War I, British and American ships were painted with bold colors and crazy patterns from bow to stern. Why would anyone put such eye-catching designs on ships? Desperate to protect ships from German torpedo attacks, British lieutenant-commander Norman Wilkinson proposed what became known as dazzle. These stunning patterns and colors were meant to confuse the enemy about a ship's speed and direction. By the end of the war, more than four thousand ships had been painted with these mesmerizing designs. Author Chris Barton and illustrator Victo Ngai vividly bring to life this little-known story of how the unlikely and the improbable became just plain dazzling.

Dazzle the Dinosaur Marcus Pfister, 2009-03 A delightful story of friendship and bravery, and a must for any dinosaur lover!

Razzle Dazzle Stella Stevens, William Hegner, 1999 Actress Stella Stevens reveals the dazzling world of a public relations maven, profiling the rise to fame of a sizzling teenage singer with a

The Dazzle of Day Molly Gloss,2019-03-12 Leaving a dilapidated Earth behind, Quakers across the globe pool funds and resources as they select colonists to send to a newly discovered planet to start life anew in this “miraculous fusion of...science fiction with unsparing realism and keen psychology” (Ursula K. Le Guin). In this “carefully conceived and deeply affecting” (The New York Times) novel, award-winning author Molly Gloss turns her attention to the frontiers of the future. A group of Quakers band together to abandon the ailing Earth, and travel to a settle a whole new world. The Dazzle of Day is their story. “The Dazzle of Day is a heartbreakingly good book...a rare dream of

a book, passionate and lyric. The Dazzle of Day allows us to see our own world, our own present, more profoundly” (San Jose Mercury News).

Dazzle 'Em With Style Robert RH Anholt,2010-07-26 Mastering the art of communicating scientific information is more critical than ever for a successful career in science and technology. Scientists today must be able to effectively convey sophisticated information to a broad audience that may include students, colleagues around the world, regulatory bodies, granting agencies, legislators, and the lay public. In this engaging and lively book, the author provides a step-by-step guide to the complete process of making a scientific presentation from preparation to delivery. It offers numerous examples highlighting what to follow and what to avoid. This revised edition covers the effective use of PowerPoint™ and other computer-based presentation programs. It also includes a handy checklist, new illustrations, and tips on handling an audience in a foreign country.

Dazzle Gradually Lynn Margulis,Dorion Sagan,2007-08-15 At the crossroads of philosophy and science, the sometimes-dry topics of evolution and ecology come alive in this new collection of essays-

-many never before anthologized. Learn how technology may be a sort of second nature, how the systemic human fungus *Candida albicans* can lead to cravings for carrot cake and beer, how the presence of life may be why there's water on Earth, and many other fascinating facts. The essay *Metametazoa* presents perspectives on biology in a philosophical context, demonstrating how the intellectual librarian, pornographer, and political agitator Georges Bataille was influenced by Russian mineralogist Vladimir Vernadsky and how this led to his notion of the absence of meaning in the face of the sun--which later influenced Jacques Derrida, thereby establishing a causal chain of influence from the hard sciences to topics as abstract as deconstruction and post-modernism. In *Spirochetes Awake* the bizarre connection between syphilis and genius in the life of Friedrich Nietzsche is traced. The astonishing similarities of the Acquired-Immune-Deficiency-Syndrome symptoms with those of chronic spirochete infection, it is argued, contrast sharply with the lack of evidence that HIV is the cause of AIDS. Throughout these readings we are dazzled by the intimacy and necessity of relationships between us and our other planetmates. In our ignorance as civilized people we dismiss,

disdain, and deny our kinship with the only productive life forms that sustain this living planet.

Dazzle Judith Gould,1989 The Boralevi women rose from the depths of a Russian ghetto to the heights of wealth and power in St. Petersburg, Hollywood and the Middle East. Dazzle is the story of these amazing women, a racy, scintillating novel packed with all the blockbuster potential of Gold's earlier bestsellers, Sins and Love-Makers.

Razzle Dazzle Michael Riedel,2015-10-06 A revered and provocative theater observer presents a grand history of the producers, directors, actors, and critics battling for creative and financial control of Broadway--Front jacket flap.

Dazzle ,2000

The Dazzle Robert Hudson,2014 Sex, drugs, and tuna... The inter-war fast set gathers in 1930s Scarborough to hunt giant tuna. It's going to be murder. Scarborough, 1934. John Fastolf, rakish heir to a Dukedom, has sponsored a glamorous tunny fishing contest. He has his reasons. The young journalist Martha Gellhorn is covering the event for the London gossip papers. She has hers. And quiet

little Henny Rosefield has arrived in town with Zane Grey, bestselling author and expert mountain man of the Wild West. The international craze for hunting giant tuna has swept the North Yorkshire coast, and huge yachts have transformed the harbour into something like Monte Carlo. Over them all towers the Dazzle, resplendent in jagged stripes of black, white and blue. She looks like a junior sort of ocean liner but she's a very adult sort of yacht. In the harbour, damaged dilettantes will swap beds and swap lies. Far offshore, on the rips and tides of the malevolent North Sea, gallant battle will be done. All the while, something truly dangerous is lurking. But we can't see any of that. Just the Dazzle sitting on the edge of the world, shimmering as the sea glitters, her outline wavering. Wrapped in a gripping adventure story, Robert Hudson's second novel is a deliciously witty tale of wilderness, vengeance and the death of love.

The Dazzle of the Light Patrick Hegarty, 2002-05-05

Dazzle Andrew Parr, John Gardiner, 1981

Flash and Dazzle Ronald Anthony, 2007-01-15 Life is a party for Rich Flaster (Flash) and Eric

Dazman (Dazzle). Best friends since college, Flash and Dazzle are taking the New York advertising world by storm. Their creative, lucrative campaigns have generated lots of buzz--enough that Rich is being courted by a prestigious firm that wants him to run their edgy downtown office. The only problem? They don't want Dazzle, just Flash. Flash and Dazzle have sworn to always stay together. Rich decides to keep the job offer a secret--even if that means lying to his best friend--while he sorts things out. But Rich won't get a chance to sort things out. While he's away, being wined and dined by his suitors, Daz finds out he's critically ill. Rich returns to a world he's never faced before--and realizes how little he really knows about his best friend. As with so many male friendships, the things that went unsaid told a story very different from the visible fun and games. And when Daz's beautiful, reserved sister arrives to be with her brother, Rich discovers that life can be more complex and sweet than he ever imagined. As the clock ticks down, Flash and Dazzle search for a way to break through the surface of their relationship, to explore each other's hearts, to communicate at a depth that men rarely reach, and to redefine their futures. A tale of the strength of love and the power of hope even in the

midst of despair, Flash and Dazzle is a marvelous reading experience.
