Death Gun

Michael Janich

Sword Art Online 5: Phantom Bullet (light novel) Reki Kawahara,2017-06-27 READ THE NOVEL THAT IGNITED THE PHENOMENON! Kirito reenters the world of VRMMOs, this time logging in to Gun Gale Online in order to investigate the Death Gun, an in-game item rumored to be responsible for real-world deaths. He immediately runs into trouble when, after transferring his old avatar into the new game, he discovers that he looks a bit more feminine than he'd anticipated! With the help of Sinon the sniper, he enters the Bullet of Bullets tournament and tries to adapt his old skills to the new gun-based combat of Gun Gale Online. He'll need every friend he can get and every trick in the book, though, to learn the truth about the Death Gun!

Death by "gun Control" Aaron S. Zelman,Richard W. Stevens,2001 Analyzes the connection between civilian disarmament and the Genocide Formula, by examining laws and historical experiences in 20th Century China, USSR, Turkey, Cambodia, Rwanda, Nazi Germany,Uganda, Guatemala, Zimbabwe and Japan. Discusses religious and moral basis of right to self-defense.

Blowguns Michael Janich,1993-03 The blowgun is a mysterious tool of silent death. Michael Janich reveals the many secrets of its capabilities and uses: how to buy or make your own blowgun and darts (including special projectiles), shoot the weapon, devise custom targets and customize, maintain and store your gun. This is the best book on this fascinating and deadly device.

Death, Guns, and Sticky Buns Valerie S. Malmont,2000-03-07 When a quaint Pennsylvania town hosts a Civil War reenactment, only the blood will be real.... How does a once-hip New Yorker get used to living in a quaint Pennsylvania town famous for its gooey, oversized sticky buns? For Tori Miracle, it means kissing her diet good-bye, always showing up in the wrong clothes, and struggling with a love life. And now that she's filling in for the editor of the Lickin Creek Chronicle and has the town newspaper to look after as well as her own dear fastidious felines, sometimes it means cosponsoring public events like a Civil War reenactment for the local women's college. But when this charmingly authentic reenactment is done, and each man and woman has played his or her part to the hilt, it's clear that Tori has miscalculated again. Someone used one live bullet in an antique gun. And with a man dead, it's going to be up to the only city slicker in Lickin Creek to unravel a mystery of murder in a town where calories don't count, but murder does....

Another Day in the Death of America Gary Younge,2016-10-04 Winner of the 2017 J. Anthony Lukas PrizeShortlisted for the 2017 Hurston/Wright Foundation AwardFinalist for the 2017 Helen Bernstein Book Award for Excellence in JournalismLonglisted for the 2017 Andrew Carnegie Medal for Excellence in Non Fiction On an average day in America, seven children and teens will be shot dead. In Another Day in the Death of America, award-winning journalist Gary Younge tells the stories of the lives lost during one such day. It could have been any day, but he chose November 23, 2013. Black, white, and Latino, aged nine to nineteen, they fell at sleepovers, on street corners, in stairwells, and on their own doorsteps. From the rural Midwest to the barrios of Texas, the narrative crisscrosses the country over a period of twenty-four hours to reveal the full human stories behind the gun-violence statistics and the brief mentions in local papers of lives lost. This powerful and moving work puts a human face-a child's face-on the collateral damage of gun deaths across the country. This is not a book about gun control, but about what happens in a country where it does not exist. What emerges in these pages is a searing and urgent portrait of youth, family, and firearms in America today.

MURDER IN THE GUNROOM H. Beam Piper,2018-11-02 This eBook edition of Murder in the Gunroom has been formatted to the highest digital standards and adjusted for readability on all devices. The Lane Fleming collection of early pistols and revolvers was one of the best in the country. When Fleming was found dead on the floor of his locked gunroom, a Confederate-made Colt-type percussion .36 revolver in his hand, the coroner's verdict was death by accident. But Gladys Fleming had her doubts. Enough at any rate to engage Colonel Jefferson Davis Rand—better known just as Jeff—private detective and a pistol-collector himself, to catalogue, appraise, and negotiate the sale of her late husband's collection.

The Last Gun Tom Diaz,2013-04-02 Newtown, Connecticut. Aurora, Colorado. Both have entered our collective memory as sites of unimaginable heartbreak and mass slaughter perpetrated by lone gunmen. Meanwhile, cities such as Chicago and Washington, D.C., are dealing with the painful, everyday reality of record rates of gun-related deaths. By any account, gun violence in the United States has reached epidemic proportions. A widely respected activist and policy analyst—as well as a former gun enthusiast and an ex-member of the National Rifle Association—Tom Diaz presents a chilling, up-to-date survey of the changed landscape of gun manufacturing and marketing. The Last Gun explores how the gun industry and the nature of gun violence have changed, including the disturbing rise in military-grade gun models. But Diaz also argues that the once formidable gun lobby has become a paper tiger, marshaling a range of evidence and case studies to make the case that now is the time for a renewed political effort to attack gun violence at its source—the guns themselves. In the aftermath of Newtown, a challenging national conversation lies ahead. The Last Gun is an indispensable guide to this debate, and essential reading for anyone who wants to understand how we can finally rid America's streets, schools, and homes of gun violence and prevent future Newtowns.

The Sixth Gun: Dust to Death Cullen Bunn,Brian Hurtt,2015-12-02 Two tales of The Sixth Gun! Two visions of the wild and weird west! Two stories of shamans, the Spirit World, magic pistols, and bounty hunters! Two quests that shape the lives of the heroes and villains of the greatest Old West Fantasy of all time! First, the reclusive witch Buzzard Wife gathers a Hunting Party for a treacherous journey into the fabled Valley of Death. Then, we follow Billjohn O'Henry on a heartbreaking adventure to save his beloved daughter. From the House of Death to a Wild West Medicine Show, these yarns take aim on heretofore unexplored realms of The Sixth Gun!

Guns and Suicide Michael D. Anestis,2018-01-08 The majority of gun deaths in the United States are suicide deaths, and the majority of suicide deaths are gun deaths. Most people are unaware that suicide, at nearly 43,000 deaths per year, is more common than homicide and other widely publicized tragedies. And yet, suicide is typically absent from discussions of gun violence. As such, the national conversation on gun violence is inadequate and unrelated to the majority of gun deaths in this country. In Guns and Suicide, Michael Anestis reframes our perspective on gun violence by shifting the focus to suicide. Guns play a uniquely profound role in American suicide, and Anestis explains how they have this effect-not by making otherwise non-suicidal people want to die, but by facilitating suicide attempts among suicidal individuals. He reviews the evidence - in suicide and other public health concerns - that focusing on specific means for contracting an unwanted outcome (e.g., HIV) can successfully reduce the frequency of that outcome. With suicide, this could mean the passage of legislation related to firearm ownership and storage, non-legislative encouragement of safe storage of private firearms, voluntary and temporary removal of firearms from the home during times of distress, or a combination of these factors. Importantly, this is not a book about gun control. Anestis does not argue in favor of tighter restrictions on ownership, assault weapon bans, or longer waiting periods for purchase because these will not substantially reduce the staggering gun suicide rate. Rather, Anestis aims for a cultural shift towards suicide-specific safe gun ownership and puts forth unemotional suggestions in hopes of leveraging common ground in the pursuit of a lower suicide rate.

Merchant of Death Douglas Farah,Stephen Braun,2007-07-09 Praise for Merchant of Death A riveting investigation of the world's most notorious arms dealer--a page-turner that digs deep into the amazing, murky story of Viktor Bout. Farah and Braun have exposed the inner workings of one of the world's most secretive businesses--the international arms trade. —Peter L. Bergen, author of The Osama bin Laden I Know Viktor Bout is like Osama bin Laden: a major target of U.S. intelligence officials who time and again gets away. Farah and Braun have skillfully documented how this notorious arms dealer has stoked violence around the world and thwarted international sanctions. Even more appalling, they show how Bout ended up getting millions of dollars in U.S. government money to assist the war in Iraq. A truly impressive piece of investigative reporting. —Michael Isikoff, coauthor of Hubris: The Inside Story of

Spin, Scandal, and the Selling of the Iraq War Douglas Farah and Stephen Braun are two of the toughest investigative reporters in the country. This is an important book about a hidden world of gunrunning and profiteering in some of the world's poorest countries. —Steve Coll, author of Ghost Wars: The Secret History of the CIA, Afghanistan, and bin Laden, from the Soviet Invasion to September 10, 2001 In Merchant of Death, two of America's finest reporters have performed a major public service, turning over the right rocks that reveal the brutal international arms business at the dawn of the twenty-first century. In Viktor Bout, they have given us a new Lord of War, a man who knows no side but his own, and who has a knack for turning up in every war zone just in time to turn a profit. As Farah and Braun uncover and document his troubling role in the Bush Administration's Global War on Terror, his ties to Washington almost seem inevitable. —James Risen, author of State of War: The Secret History of the CIA and the Bush Administration An extraordinary and timely piece of investigative reporting, Merchant of Death is also a vividly compelling read. The true story of Viktor Bout, a sociopathic Russian gunrunner who has supplied weapons for use in some of the most gruesome conflicts of modern times--and who can count amongst his clients both the former Taliban regime in Afghanistan and the U.S. military in Iraq--is a stomach-churning indictment of the policy failures and moral contradictions of the world's most powerful governments, including that of the United States. —Jon Lee Anderson, author of The Fall of Baghdad Two respected journalists tell the incredible story of Viktor Bout, the Russian weapons supplier whose global network has changed the way modern warfare is fought. Bout's vast enterprise of guns, planes, and money has fueled internecine slaughter in Africa and aided both militant Islamic fanatics in Afghanistan and the American military in Iraq. This book combines spy thrills with crucial insights on the shortcomings of a U.S. foreign policy that fails to confront the lucrative and lethal arms trade that erodes global security.

Reducing Firearm Injury And Death Trudy Ann Karlson, Stephen W. Hargarten, 1997-01-30 Two experts in public health & injury control show readers how guns are products, designed to injure & kill, & how changes in the design, technology, & marketing of firearms can lead to reductions in the number of injuries & fatalities. The injury control perspective of the book illustrates how the characteristics of guns & ammunition are associated with their ability to cause injury & death. It also provides options for how guns can be re-engineered to ensure a greater degree of safety. This book teaches basic facts about guns & gun injuries, & by reframing the problem of firearms as a public health issue, offers hope for saving lives. Illustrations.

Have Gun Will Travel Ronin Ro, 1999 Preeminent rap journalist Ronin Ro exposes Death Row Records: an empire built on greed, corruption, murder, and exploitation. 16 photos.

Murder in the Gunroom H Beam Piper, 2021-01-22 Murder in the Gunroom by H. Beam Piper Lane Fleming's collection of early pistols and revolvers was one of the best in the country. When Fleming was found dead on the floor of his locked weapons room, holding a Confederate .36 caliber percussion revolver, the coroner's verdict was accidental death. But Gladys Fleming had her doubts. Enough in any case to involve Colonel Jefferson Davis Rand - better known as Jeff - a private detective and himself a pistol collector, to catalog, evaluate and negotiate the sale of her late husband's collection. There were a number of people who had wanted the collection. The question was: did anyone want him so badly that they killed Fleming? And if so, how had he done it? Here is a mystery, told against the fascinating backdrop of old guns and gun collecting, that is rapid-fire without being hysterical, exciting without losing touch with reason, and that introduces a new, customizable and intelligent private investigator. It's a story that will keep your nerves on edge even if you don't know the difference between a pair of Paterson .34s and a Texas .40 cantilever.

Mutants and Death Ray Guns -Revised Edition andrea sfiligoi, 2014-04-11 MUTANTS AND DEATH RAY GUNS is a fast-paced, skirmish level, post-holocaust miniature system for 2+ players. Based on the popular Song of Blades and Heroes mechanics, the rules are simple and, above all, FUN! After the holocaust, new races compete for supremacy over a scorched Earth. Pit your band of desperadoes against the dangers of a wasted world. Complete a battle in 45 minutes a campaign in one evening! Play with any single-based miniature, in any scale, with as little as four models per player- a 2'x2' table is enough! Use three sticks for movement and ranges. Create characters randomly or with a point system. Characters include: Humans, Androids, Mutants, Robots, Mutated Plants, Mutated Animals, and the Wretched! Six scenarios included; Rules for mutations, power armor, high-tech weapons and psi-powers; Campaign rules: characters gain new mutations and equipment after every battle. This revised, expanded edition is a complete, stand alone product.

Sword Art Online - Light Novel 05 Tamako Nakamura, Reki Kawahara, 2018-11-15 Jetzt fliegen die Kugeln! Gun Gale Online, einem VRMMO der Schusswaffen, gibt es plötzlich tödliche Vorfälle. Spieler, die von einem Avatar mit einer pechschwarzen Pistole erschossen werden, sterben auch in der Wirklichkeit. Kirito erhält den Auftrag, diese unheimliche Angelegenheit zu untersuchen und taucht in die Welt von GGO ein, um den mysteriösen Death Gun aufzuspüren. Alleine kann er das aber niemals schaffen, daher erhält er Hilfe von der hübschen Scharfschützin Sinon!

Gun Mania Bruce Thatcher, 2019-11-12 How can we reduce death and injury caused by guns? is the wrong question. A much better question is how can we reduce the overall rates of suicide and violent crime? Gun Mania brings that question to the forefront by looking at the history of America and four other nations to identify why guns are a core element of only the American culture, and implications for reducing our rate of violent deaths. The United States, Canada, Australia and New Zealand were all settled and developed, initially, by migrants from the United Kingdom. But key differences in the development circumstances led to guns becoming a core cultural element only in America. Because guns are not significant in the cultures of these other countries, they have been able to implement substantial gun control. Because guns are a core element of the American culture, the sorts of gun measures that have been accepted in the other four countries generally will not work in America. When confronted with the problem of gun deaths, many want guns to be the problem. They're easy to see. Dealing with them should be simple and fast; just pass new laws to keep guns away from people who shouldn't have them, or from everyone. However, this approach hasn't, doesn't and won't work in America. A different strategy has far more potential for saving lives.

The Railway Conductor , 1909

Sword Art Online: Phantom Bullet, Vol. 3 (manga) Reki Kawahara, 2017-09-19 With the prelims over, it's time to head into the main event-the Bullet of Bullets tournament! But this fun free-for-all has turned into an IRL death match when a member of SAO's Laughing Coffin raises the stakes. Can Sinon and Kirito figure out who Death Gun is before it's too late?!

Murder in the Gunroom Henry Beam Piper, 2022-08-09 The Lane Fleming collection of early pistols and revolvers was one of the best in the country. When Fleming was found dead on the floor of his locked gunroom, a Confederate-made Colt-type percussion .36 revolver in his hand, the coroner's verdict was death by accident. But Gladys Fleming had her doubts. Enough at any rate to engage Colonel Jefferson Davis Rand--better known just as Jeff--private detective and a pistol-collector himself, to catalogue, appraise, and negotiate the sale of her late husband's collection.

Sword Art Online: Phantom Bullet, Vol. 4 (manga) Reki Kawahara, 2023-01-17 Determined to put a stop to Death Gun's killing spree, Kirito and Sinon are competing in the Bullet of Bullets tournament. With only six players remaining, the stakes are higher than ever, and Sinon knows the only way to put her traumatic past behind her is to take Death Gun down once and for all. But after Kirito starts to suspect a real-world accomplice is involved, the situation gets even more complicated...How can Kirito and Sinon hope to win against two murderers in two different worlds? The action heats up in Phantom Bullet's thrilling finale!
