The Eye of Syl Michael Agüero, 2023-02-06 A chance discovery could not have come at a worse time... Diplomats running from one war stumbled across the ghost of another. Deep within a remote ruin lies a forgotten treasure, an eye plucked from a god, brimming with the power of a collapsing star. With war still raging, the Triple Crown can spare little to investigate such rumors and decides to wait. The College of Wintermoore and the Church of Builders are not so patient. Rivals for centuries, each desires the knowledge of such forgotten relics for themselves. The College puts together one team, of an arrogant mage, an expendable con man, and a wiry ranger, while the Church puts together another, of a famed paladin running from his past, and a young chaplain with a secret of her own. A race is on, to win a danger none are prepared to face, with the will of the gods as their trophy, and the fate of the world hanging in the balance. Eye of Syl is the first book of the Sylmanara trilogy, but can be read as a standalone novel. Filled with rich characters, deep worldbuilding, and a sprawling, episodic plot, Eye of Syl is a hidden gem waiting to be discovered. □□□□□□

Prophecy of the Kings - Book 3 David Burrows, 2010-01-14 Astalus has returned. He has found an Eldric spell book and, in particular, a spell to summon dragons. The allies march north to confront the Trosгарthâ's growing might. Warrior priests can now communicate across the battlefield using their

shaol, death knights have been resurrected, and in the air grakyn are supported by a new threat â a demon/dragon hybrid. To make matters worse, Astalus discovers that the power that Kaplyn recovered so long ago can open a permanent gateway to the demon world. Drachar is finally free and his minions will march from the very depths of hell. Astalus knows all of this through a demon that has possessed him. The army marches to its fate, unaware of the trap awaiting them. Prince Fiad leads them. Will he be the armyâs salvation or damnation? The men mutter, uncomfortable in the knowledge that, at the final battle, a king will not lead them against the tides of evil. Drachar is poised, his death knights ready to tear the army apart.

Dragons of the Hourglass Mage Margaret Weis, Tracy Hickman, 2009-08-04
Between Chronicles and Legends, what made Raistlin aspire to godhood? Raistlin Majere has become a Black Robe wizard and travels to Neraka, the lord city of the Dark Queen, ostensibly to work for her, though in reality he means to further his own quest for power. But Takhisis finds out that the dragon orb has entered her city and sends her draconians to find and destroy the wizard who has it in his possession. Before her agents can strike, though, Raistlin finds out that Takhisis means to take control of all wizardly magic. She has ordered Kitiara to set a trap for the Gods of Magic on the Night of the Eye, when all the high-ranking wizards will be in Neraka to celebrate. As the forces of light, with help from the good dragons, are turning the tide of battle, Raistlin is forced to flee, for his foes are

closing in on him. As the Dragon Highlords vie for the Crown of Power in the Temple of the Dark Queen, Raistlin Majere wages his own desperate battle against Takhisis in the dungeons below and meets again the brother he betrayed. The fate of the world hangs in the balance.

Identity and Collaboration in World of Warcraft Phillip Michael Alexander, 2018-03-25 Electracy and Transmedia Studies | Series Editors: Jan Rune Holmevik and Cynthia Haynes. IDENTITY AND COLLABORATION IN WORLD OF WARCRAFT tells the story of what happens when a Cherokee gamer, using a storyteller's perspective and a methodology built from equal parts Indigenous tradition and current academic field knowledge, spends a year in what was at-the-time the largest online video game in the world. Following from work by James Paul Gee and Bonnie Nardi, Phillip Michael Alexander ventured forth into the game world to see what someone who was a gamer long before he was an academic might see in this same fascinating virtual space. In working with, playing with, and sharing the stories of a ten-person "raid" group—players performing at the highest level within the game—he set out to determine how those gamers most invested in success built identities and communities. The resulting work is a reader-friendly, theory-informed, virtual-boots-on-the-virtual-ground look at how gamers craft in-game identities, find like-minded gamers to form group identities, then organize to do staggering amounts of work in a virtual world. For anyone who ever wondered what the appeal of World of Warcraft is, Phillip Michael Alexander illustrates how some of the

most active, most engaged, and most talented players spend their time in that virtual world.

Skeleton with a Heart Michael Chatfield, 2020-01-27 He went by many names, Guardian Legion Commander, the Tree Knight, A member of the Order of Light. The Clan Spirit Champion, the Dragon Tamer, Phoenix Rider, shadow Whisperer and Friend of the Fairies, oh, and Anthony. He died in a war forgotten, removed from the history books. So he has rested for centuries in the dark. And then. Someone had the audacity to wake him up from his nap! Come on, is nothing sacred anymore? Aila Wranoris is a princess of the Underdark in the Northern reaches of the Stoha Mountains. The Dark Elves have remained out of the war that has ground to a halt between the Humans and the Beast-Kin. Now, in their research they have found signs of mysterious 'doorways'. She is sent to the Deepwood in the South, between the lands of Radal in the West held by the humans and Selenus in the East, controlled by the Beast-Kin. And she just woke up a Death Knight, though this one looks like he might have hit his skull a few times and a heart beats within his chest. Their adventure has only begun. Anthony! Put on your armor dammit! Stop using your ribs as a Xylophone! You're freaking out the Dark Elf. Lets see if they can make it?

Mina, as enigmatic as ever, escapes imprisonment to set off on a quest that will test even her considerable will. All the while, evil spreads across the land, gaining ground with each new day. Black Blooded Heart Joseph Barresi, 2011-06-13 Valdimir...The Butcher of Antamor...the First Dark Knight...Morith's Chosen. These are all titles of the villainous Valdimir, a once proud and just knight of Arathor that had once believed in protecting the innocent and punishing the wicked. The first and only barbarian that ever became a knight, Valdimir had gained both fame and respect during his time as knight. All that changed when tragedy struck his life and he began to question his beliefs as a knight and began to turn towards the Death Gods for guidance...most notably, the God of Death himself, becoming his most devoted follower in life. Having been killed over 300 years ago during the events of the novel The Curse of Silver Blood, Valdimir is

brought back to life as a death knight, once again under the service of the dreaded Death God. Valdimir's long absence from a hugely different world then when he had once lived begins to cause him to question his faith once again, even in death. In this gripping and emotional story, Valdimir's life as a knight is fully described, as well as how he was raised from death itself to once again serve the will of Morith. From his joining the knighthood, all the way up to his grief stricken turn to the Death Gods, to the present time in Arator where Valdimir awakens, Black Blooded Heart is a dark and moving tale of a man who's soul has been tainted through life's brutal circumstances. Will Valdimir once again bow down before Morith, or will he take his own path...forging his own destiny in a new world that still freshly remembers the atrocities and horrors he acted on in his former life?

Jumping off the top floor of a hotel, Zhang Yang seemed as though he was soaring like a phoenix. Little did he know that the end of his life also signified his rise from the ashes!

Soul Hunter J. W. Walton,2011-08

Knights of Dark Renown David Gemmell,2011-06-08 Once the legendary knights of the Gabala defended the nine duchies. Their hearts were beautiful; their armor was beyond compare. They were greater than princes, more than men. But they were gone, disappeared through a demon-haunted gateway between worlds. Only one held back -- Manannan, whose every instinct told him to stay. Now he was the coward knight, and in torment. Murder and black magic beset the land. Rumors circulated that the king was enchanted, changed, that his soul was dead . . . and that a reign of terror was about to begin. Now Manannan realized he would have to face his darkest fears: he had no choice but to ride through that dreaded gate and seek out his vanished companions. And the secret he would learn there would tear his soul apart . . . A sharp, distinctive medieval fantasy. Dramatic, colorful, taut. -- Locus
