Death Masque P. N. Elrod, 2015-01-06 With the Revolutionary War making itself felt in his Long Island home, Jonathan Barrett and his sister Elizabeth seek refuge on the distant shore of England. However, Jonathan has yet another reason to make the voyage: he is still searching for Nora, his lost love and the woman responsible for his recently discovered taste for blood. That search takes Jonathan back to the home of his mother's sister, where he discovers a plot against his family that puts him in danger from the most unlikely of suspects. But his new enemies will soon realize that it is very difficult to kill a Barrett—particularly one that is already dead...

The Masque of the Red Death Edgar Allan Poe, 2024-01-25 In Edgar Allan Poe's *The Masque of the Red Death*, Prince Prospero isolates himself and his wealthy guests to avoid a deadly plague. Despite his efforts to escape death, it invades his masked ball, proving that no one can escape fate.

The Masque of the Red Death Poe, Edgar Allan, 2023-08-24 *The Masque of the Red Death* by Edgar Allan Poe -(originally published as *The Mask of the Red Death: A Fantasy*) is a short story by American writer Edgar Allan Poe, first published in 1842. The story follows Prince Prospero's attempts to avoid a dangerous plague, known as the Red Death, by hiding in his abbey. He, along with many other wealthy nobles, hosts a masquerade ball in seven rooms of the abbey, each decorated with a different color. In the midst of their revelry, a mysterious figure disguised as a Red Death victim enters and makes his way through each of the rooms. Prospero dies after confronting this stranger, whose costume proves to contain nothing tangible inside it; the guests also die in turn. Plot summary: The story takes place at the castellated abbey of the happy and dauntless and

sagacious Prince Prospero. Prospero and 1,000 other nobles have taken refuge in this walled abbey to escape the Red Death, a terrible plague with gruesome symptoms that has swept over the land. Victims are overcome by sharp pains, sudden dizziness, and profuse bleeding at the pores, and die within half an hour. Prospero and his court are indifferent to the sufferings of the population at large; they intend to await the end of the plague in luxury and safety behind the walls of their secure refuge, having welded the doors shut to ensure no one enters or leaves. Prospero holds a masquerade ball one night to entertain his guests in seven colored rooms of the abbey. Each of the first six rooms is decorated and illuminated in a specific color: blue, purple, green, orange, white, and violet. The last room is decorated in black and is illuminated by a scarlet light, a deep blood color cast from its stained glass windows. Because of this chilling pairing of colors, very few guests are brave enough to venture into the seventh room. A large ebony clock stands in this room and ominously chimes each hour, upon which everyone stops talking or dancing and the orchestra stops playing. Once the chiming stops, everyone immediately resumes the masquerade. As nightfall approaches, none of the guests enter the final room as it takes on a more eerie display and the additional chimes of the clock make them uneasy.

Masque of the Red Death Bethany

Griffin, 2012-04-24 Everything is in ruins. A devastating plague has decimated the population, and those who are left live in fear of catching it as the city crumbles around them. So what does Araby Worth have to live for? Nights in the Debauchery Club, beautiful dresses, glittery makeup . . . and tantalizing ways to forget it all. But in the depths of the club—in the depths of her own despair—Araby will find more than

oblivion. She will find Will, the terribly handsome proprietor of the club, and Elliott, the wickedly smart aristocrat. Neither is what he seems. Both have secrets. Everyone does. And Araby may find not just something to live for, but something to fight for—no matter what it costs her.

Death Masque George Hiegel,

The Masque of the Red Death Edgar Allan Poe, 2021-09-02 The Masque of the Red Death Edgar Allan Poe - The story is said in the most enthralling manner that it makes it very interesting as well as introspective. Even though it appears to be very literal but the crux of the matter is all about the inevitability of death. The prince thought that with his power and position he could defy the plague that caused death in his kingdom. But eventually even he is not spared because on the figurative level it is not a plague but death itself, that does not spare anyone. Prince Prospero's intentions and preparations did not stand a chance when death decided to take him on.

Dance of the Red Death Bethany Griffin, 2013-06-11 Bethany Griffin continues the journey of Araby Worth in Dance of the Red Death—the sequel to her teen novel Masque of the Red Death. Lauren DeStefano, author of the New York Times bestselling Chemical Gardens trilogy, called Masque of the Red Death luscious, sultry, and lingeringly tragic. In Dance of the Red Death, Araby's world is in shambles—betrayal, death, disease, and evil forces surround her. She has no one to trust. But she will fight for herself, for the people she loves, and for her city. Her revenge will take place at the menacing masked ball. It could destroy her and everyone she loves . . . or it could turn her into a hero. With a nod to Edgar Allan Poe, Bethany Griffin concludes her tragic and mysterious Red Death saga about a heroine that young adult readers will never forget.

The Masque of the Red Death Эдгар Аллан По, 2022-01-29 In The Masque of the Red Death Edgar Allan Poe writes as no one else ever has of creeping, mounting terrors - of the deadly approach of a terrible pendulum, of the awful end of an ancient and noble house, and of the

impossible beating of a dead heart.

Death Masque David McGlone, 2015-08-23 'YOU'RE A MAN. A DEAD MAN, THAT'S ALL' Aldous 'Dr Al' Andrews, his girlfriend Lara and DCI Marlin are brought together again as a series of brutal killings begin, each scene numbered and the victims linked to previous investigations. The

murders escalate in horror as the victims become close friends and colleagues and all three must question the very nature of their relationships. New grudges are created as old scores are settled in a breathless race to find the truth; the ugly, deadly truth.

Death Masque Lee Holz, 2016-01-02 It was a troubled marriage at best. Paul Gallagher, the executive, was tremendously successful, posed to reach the pinnacle of corporate power, and engrossed in his career. Nicole Gallagher, his college sweetheart, insecure since childhood. had become frustrated and angry. Gabrielle Kalonova, the inevitable other woman, was a highly unusual individual, and the eternal triangle wasn't what it seemed. Andrea Gallagher, Paul and Nicole's only child, was deeply affected by the estrangement of her parents. It wasn't surprising that infidelity led to a divorce suit, and yet who could have foreseen it would end in blackmail and death? People wear many masks. There are masks that hide our secrets from the world, masks that hide us from each other and masks behind which we hide from ourselves. Life is a masque, a dramatic performance played behind masks.

Death Masque Dan Andriacco, 2018-09-04 Small town controversies can be murder. When a newcomer to Erin, Ohio, proposes to tear down the historic Bijou Theater and erect in its place a boutique hotel, Sebastian McCabe adds "civic activist" to a long resume that already includes magician, mystery writer, professor, and amateur sleuth. With the strategic help of brother-in-law Jeff Cody, Mac launches a far-reaching campaign to "Save the Bijou." The issue becomes highly political when three eccentric mayoral candidates stake out their positions - which one of them switches after a hefty campaign contribution. "The plot machinations of grand opera seem positively guileless by comparison!" Mac cries. Can homicide

be far behind? The opera comparison is a natural one, for the new Erin Opera Company is staging an original work with a Mardi Gras theme. As murder strikes again, this time back stage, Sebastian McCabe becomes aware that many of the actors in this real-life drama are wearing metaphorical masks as well. Lynda Teal, Jeff's wife, records much of Mac's sleuthing for a podcast series, never imagining that the most dramatic audio of the concluding episode will come from the murderer.
