Melanie Tem

The Deceiver Melanie Tem, 2003 For years, members of the Harkness family have received helpful advice at key moments in their lives from a mysterious, persuasive stranger. His influence on the family seems slight at first. But before anyone realizes it, the strange man is leading them down a very dangerous--and terrifying--road. Original.

The Deceiver Frederick Forsyth, 1991 'Deft, enthralling and intelligent' Kate Atkinson Lizzie and Evie are inseparable. They walk home from school together, sleep over at each other's houses, even flirt with boys together. And they tell each other everything. Or at least, that's what Lizzie thinks -- until Evie goes missing, and Lizzie suddenly realises their friendship wasn't quite what she thought. A novel about two young girls discovering their sexuality; about fathers and daughters; about family and friendship; about jealousy, secrets and lies, *The End of Everything* is a powerful reminder that things aren't always what they seem. 'A gripping and disturbing novel, a fever dream of adolescent desire and adult complicity' Tom Perrotta

The True Deceiver Tove Jansson, 2012-10-17 Deception--the lies we tell ourselves and the lies we tell others--is the subject of this, Tove Jansson's most unnerving and unpredictable novel. Here Jansson takes a darker look at the subjects that animate the best of her work, from her sensitive tale of island life, *The Summer Book*, to her famous Moomin stories: solitude and community, art and life, love and hate. Snow has been falling on the village all winter long. It covers windows and piles up in front of doors. The sun rises late and sets early, and even during the day there is little to do but trade tales. This year everybody's talking about Katri Kling and Anna Aemelin. Katri is a yellow-eyed outcast who lives with her simpleminded brother and a dog she refuses to name. She has no use for the white lies that smooth social intercourse, and she can see straight to the core of any problem. Anna, an elderly children's book illustrator, appears to be Katri's opposite: a respected member of the village, if an aloof one. Anna lives in a large empty house, venturing out in the spring to paint exquisitely detailed forest scenes. But Anna has something Katri wants, and to get it Katri will take control of Anna's life and livelihood. By the time spring arrives, the two women are caught in a conflict of ideals that threatens to strip them of their most cherished illusions.

Sword of the Deceiver Sarah Zettel, 2012-05-01 For five hundred years, the great southern empire of Hastinapura has flourished, ruling the world of Isavalt with an iron fist. But nothing lasts forever . . . The day of her womanhood ceremony finds Princess Natharie of Sindhu happily celebrating with her family, joyfully awaiting her marriage to a prince of another realm. However, when the empire demands that her family send someone to court, Natharie realizes that she is the only one who can satisfy the emperor's wishes. As Natharie spends time in the Hastinapura court, she learns of the empire's bloodthirsty worship of the Mothers and of the intention of their high priest, Divakesh, to spread their worship beyond the empire - including into neighboring Sindhu - at any cost. These plots threaten to pit Natharie's homeland against Hastinapura in a disastrous war. Appalled by the power and brazenness of the emperor's brother, Pirnce Samudra, she realizes as each day brings war ever nearer, that the powerful prince may be her only hope to prevent a war that could destroy them all.

The Deceiver Frederick Forsyth, Charles J. Keating, 1991

The Master Deceiver David Stitt, 2007-12 (excerpt from book) Lie: You need to experience sin in order to understand the negative consequences so that you can warn others. A favorite among the lies Satan whispers, the illusion that sinning will actually aid us in helping others is a trap many fall into. Yet this trap is only a half-truth. While it is true that helping others is a good thing, the deception comes in convincing us that we

cannot help others without first succumbing to, and therefore understanding, the sin. In this lie the only ones who could effectively help others overcome their sins would be those who have committed that sin themselves. Yet if this were a reality, then Jesus would not have been able to warn or teach anyone a single thing. Society has no shortage of examples of people who have destroyed their lives through sin - but in the end, it is from the one who had no sin that we can learn the most.-----The Master Deceiver:

Understanding Satan's Lies and How to Resist Them is a straightforward guide filled with clear doctrine and tailored tools that will help you develop your personal arsenal in your battles against Satan. Author David Stitt provides specific, customized strategies to help us combat Satan's deceptions, and outlines many of Satan's powerful lies so that you can be prepared to meet them. Let these strategies boost your confidence and help you learn to rely on divine help to triumph over the daily tides of temptation.

The Deceiver [eBook - Biblioboard] Melanie Tem,2015 The Devil, they say, is in the details. The little things. The small decisions we make every day. But for the Harkness family, this expression is all too literally true. For many years the members of this family have gotten seemingly helpful advice at key moments in their lives from a mysterious--and very persuasive stranger. He doesn't always look the same. His name may be different. But he's always around whenever some sort of decision needs to be made. And what he says makes so much sense. His influence on the Harkness family seems slight at first. But before anyone realizes it, the strange man is leading them down some very dangerous--and terrifying--roads indeed.

Beloved Deceiver Margaret Blake,2007-09-01 For Flora a marriage to Mars would save her from her father's machinations - for Mars it would be sweet revenge on the man who had ruined his family. However, even the best laid plans can go wrong! From the author of the Best-Selling books Eden's Child and Fortune's Folly.

Deceiver Robin Lovett,2017-07-11 The plan was to ruin a man's life. Not seduce the man's daughter. But sometimes, the unlikeliest of people becomes the target. And sometimes revenge can make a man vulnerable in ways he didn't know existed... I'm bored. Tired of my meaningless life. The garden parties, the white sundresses, and politely saying "no" to the sliver of cake--it's the life my mother and father wanted for me, worked tirelessly for me to have. And the monotony makes me reckless. But when I go to Blake Vandershall's party, his dark, menacing eyes and his hard, unyielding stare make me want things that have never been offered to me before. He's the type who would ravish you in your father's law office. The kind who would lie without blinking an eye in order to get what he wants. And the repressed bad girl in me wants to give him what he needs. ** Daisy Nowell is nothing to me. I don't care that underneath that blue-blood lifestyle, she's burning to be unleashed. My victim is her father--the one man who had the chance to save my mother from a brutal fate. The coward did nothing, and it's my turn to make

his life a living hell. He's about to lose his precious daughter to me, a man whose sole mission is to destroy him. I'll do anything, say anything, in order to tear this woman from her safe life as I hurtle down my path towards destruction. But I didn't count on her seeing through me. I didn't count on her tapping into my weaknesses, pushing my dark heart in ways I don't want. Ways I hate. I need to find a way to exact my vengeance and leave this all behind. Before this woman ruins me for good. Stranger by Robin Lovett is a dark and intriguing story about the lengths one will go to find love. A page turner from the very beginning, this story makes you question, in the best of ways, what a romance is. A five star read! – USA Today bestselling author Jenika Snow on Stranger “Wowza! I just couldn't put this down. – The Jeep Diva on Stranger Stranger quite boldly goes where many romances don't go...about the blurred boundaries between depravity, pleasure and despair, and how freedom...can be found in the most unexpected places. – Unstuck Pages on Stranger This is a series of standalones by Robin Lovett that can be read separately or in this order: Book 1: Stranger, a dark stalker romance Book 2: Deceiver, a dark revenge romance Book 3: Keeper, a dark captive romance (coming 8/15)
