Tactics of Interfacing Ksenia Fedorova,2020-08-11 How digital technologies affect the way we conceive of the self and its relation to the world, considered through the lens of media art practices. In *Tactics of Interfacing*, Ksenia Fedorova explores how digital technologies affect the way we conceive of the self and its relation to the world. With the advent of ubiquitous computing, the self becomes an object of technological application, increasingly defined by data received from tracking technologies. Subtly, these technologies encourage versions of ourselves that are easier to interpret computationally. Fedorova views these shifts in self-perception through the lens of contemporary media art practices, examining a range of artistic tactics that enable embodied and intimate experiences of machinic operations on our lives. At the center of Fedorova's analysis are the mechanisms that structure the relations between the self and the world at the level of the interface; she considers “interfacing” a process in which interrelation happens and different agencies play off against each other. She discusses such topics as interfaciality and the face as a medium; self-image and the boundaries of the self, understood through technological mediation of an embodied experience; the relation between the self and the other, reshaped by algorithmic technologies; and the augmentation and alteration of spatial perception. The artworks Fedorova discusses present scenarios of interfacing that range from responsive environments to artificial intelligence conversational agents. She shows that art and aesthetic experience offer fruitful ways to reflect on the effects of contemporary technological culture, enabling encounters that shift our perspectives on the boundaries of the self and challenge the very capacity to feel human.

Masterstroke Debabrata Ghosh,2022-07-12 It has taken me two and a half years to write this book. But give me a few seconds to persuade you to read it. It is not possible for someone to taste the success of life without proper knowledge of some subjects like sports, entertainment, history, geography, etc. This proper knowledge not only makes a person successful but also makes them mentally strong enough to face the challenges of this competitive world. Keeping these things in mind I bring this treasure of knowledge “Masterstroke Vol. 1” in front of you. In this book, you will get more than 900 questions on various subjects such as Advertisements, Flags, Cricket, Entertainment, History, Cartoons, and many more along with interesting facts and photos. I hope this book definitely helps you in your future life. Thank you.

Class on Screen Sarah Attfield,2020-09-07 This book provides an analysis of the global working class on film and considers the ways in which working-class experience is represented in film around the world. The book argues that representation is important because it shapes the way people understand working-class experience and can either reinforce or challenge stereotypical depictions. Film can shape and shift discussions of class, and this book provides an interdisciplinary study of the ways in which working-class experience is portrayed through this medium. It analyses the impact of contemporary films such as *Sorry To Bother You*, *This is England* and *Le Harve* that focus on working class life. Attfield demonstrates that the global working class are characterised by diversity of race, ethnicity, gender, religion and sexuality but that there are commonalities of experience despite geographical distance and cultural difference. The book is structured around themes such as work, culture, diasporas, gender and sexuality, and race.

Neo-Baroques ,2016-10-18 This anthology examines the phenomenon of the Neo-Baroque through interdisciplinary perspectives. Understanding the Neo-Baroque as transcultural (between different cultures) and transhistorical (between historical moments) the contributors explore its slippery nature of the Neo-Baroque.

Morphologien Claudia Blümle,Horst Bredekamp,Matthias Bruhn,2017-04-24 Die (sichtbare) Welt ist geprägt von einer unermesslichen Vielfalt von Formen, Mustern und Strukturen. Deren Betrachtung und Bewertung hat zu Methoden der Beschreibung, Darstellung, Analyse und Klassifikation geführt, welche für die Frage nach den Ursachen und Mechanismen von Formentstehung und Formwandel grundlegend wurden. Dabei steht die Form selbst auch für Funktionen, Prozesse und Konzepte, die über das bloß Sichtbare hinausweisen. Morphologie wurde zu einem Schlüsselwort für die Bezeichnung dieser Zusammenhänge. Der Themenband behandelt die unterschiedlichen Formen der Auseinandersetzung mit Phänomenen der Natur und Kultur, die von der Übersetzung sichtbarer Erscheinungen in die Sphäre der Sprache bis hin zu Verfahren der visuellen Übertragung reichen, welche den Zugang zur Form mitgestalten, etwa Zeichnungen, optische Instrumente, Modelle und Diagramme. Dabei zeigt sich, wie eng Objekt- und Konzeptforschung, Natur- und Geisteswissenschaften ineinandergreifen können, ohne ihre disziplinäre Präzision und Identität zu verlieren.

Cantattori Daniele Benvenuti,2019-02-03T00:00:00+01:00 Un approfondito “viaggio a tappe” tra le stelle del cinema, della televisione e del teatro che si sono ritagliate, tra badilate di colleghi talvolta insulsi ma esaltati da astute e costose campagne commerciali, anche una credibile e sincera carriera parallela tra sala d’incisione e palcoscenico. Dai trionfi del Rat Pack alla dedizione pianistica di Hugh Laurie e alla carica selvaggia di Juliette Lewis; dai lodati tour di registi come Woody Allen, Emir Kusturica e John Carpenter fino a insospettabili virtuosi come il pluripremiato Steve Martin o il talentuoso della sei corde Billy Bob Thornton; da Judy Garland e

Jayne Mansfield fino a Ilona Staller, Whoopy Goldberg o Scarlett Johansson. Solo per fare qualche nome. Niente operazioni da ascensore o da corridoio di centro commerciale (benché, per amor di completezza, vengano qui citate anche queste figure secondarie), ma soltanto artisti realmente dotati “anche” nel ruolo di musicisti, autori e/o cantanti, protagonisti di incisioni di indubbio valore e motivati da autentica passione. Decine e decine di nomi, stranieri e italiani (a questi ultimi viene riservata un’apposita sezione: da Alberto Sordi, Renato Rascel e Totò passando attraverso il poliedrico Bud Spencer e il batterista professionista Massimo Boldi per arrivare fino al rocker Claudio “Greg” Gregori, all’intimistica Violante Placido, al devoto Marco Giallini o al massiccio compositore Stefano Fresi), dei quali viene ripercorsa la carriera artistica dietro al microfono e sui palchi, aggiungendo anche elementi relativi alla discografia e alla storia personale. Vogliate gradire!

Sparkers Eleanor Glewwe, 2014-09-30 A magical world that will captivate fans of Kate DiCamillo and Diana Wynne Jones. Marah Levi is a promising violinist who excels at school and can read more languages than most librarians. Even so, she has little hope of a bright future: she is a sparker, a member of the oppressed lower class in a society run by magicians. Then a mysterious disease hits the city of Ashara, turning its victims’ eyes dark before ultimately killing them. As Marah watches those whom she loves most fall ill, she finds an unlikely friend in Azariah, a wealthy magician boy. Together they pursue a cure in secret, but more people are dying every day, and time is running out. Then Marah and Azariah make a shocking discovery that turns inside-out everything they thought they knew about magic and about Ashara, their home. Set in an imaginative world rich with language, lore, and music, this gripping adventure plunges the reader into the heart of a magical government where sparks of dissent may be even more deadly than the dark eyes.

Action Amy Rose Spiegel, 2016 With whip-smart prose, reminiscent of Roxane Gay and Meghan Daum, ACTION interweaves Spiegel's own sexual autobiography with loving advice on one-night stands, relationships, and everything in between. ACTION is a book about sex that people won't feel embarrassed about owning. There are absolutely zero provocatively shaped fruit on the cover, for one. In ACTION, Amy Rose Spiegel exhorts you to trust yourself and be respectful of others--and to have the best possible time doing the things you search for on the Internet, except in reality. The book covers consent, safety, group sex, gender, and the best breakfast to make for a one-night stand. Spiegel also includes dissections of threesomes, how to pick people up without being a skeezer, celibacy as a display of autonomy, and, of course, how to clean your room in 10 minutes if a devastatingly lovely side-piece is about to stop by. All told, ACTION totally doesn't think it's weird that you want to try that thing together. In fact, ACTION is very into it--

Making & Being Susan Jahoda, Caroline Woolard, 2020-01-23 Making and Being draws on the lived experience of Susan Jahoda and Caroline Woolard, visual arts educators who have developed a framework for teaching art with the collective BFAMFAPhD that emphasizes contemplation, collaboration, and political economy. The authors share ideas and pedagogical strategies that they have adapted to spaces of learning which range widely, from self-organized workshops for professional artists to Foundations BFA and MFA thesis classes. This hands-on guide includes activities, worksheets, and assignments and is a critical resource for artists and art educators today--Page 4 of cover.

Utopia Pipe Dream Memory Anna Gurton-Wachter, 2019-12 Poetry. Women's Studies. UTOPIA PIPE DREAM MEMORY builds upon impossible imagined intimacies, relishing the pleasure of slow, attentive learning. In an unfolding of rhythms, repetitions, and distended narratives it envisions a space of play and ecstatic influence, drawing characters such as Gertrude Stein, Bernadette Mayer and Maya Deren into dialogues and visions that articulate the tension between embodiment and voice, identification and materiality. These narratives push towards a unified dispersal, a complex act of exultant feminine chaos, letting slip the boundaries between what is animal, what is describable, and what can be made to appear. UTOPIA PIPE DREAM MEMORY is a plethora of wonder and exuberance. Anna Gurton-Wachter, 'in her woman treasure form,' has conjured a lush and evocative new wave of feminist thinking where subject and object are erotic enablers and the spell cast by narration is our ecological surround redoubled, brimming with potent and unbounded fascination. She rethinks from inside the juggernaut what a sociology of the imagination can look like. I adore the perverse transparency of mesmerizing similitudes and divergences that tug at each other, at perception and at the reader's third eye, fixated on desire's embodied visions. Anna's capacity for a theatrics of iconoclastic reverie is in a league of its own.--Brenda Iijima

Wildings Eleanor Glewwe, 2016 Rivka, one of the magical elite, embarks on a quest to find her twin brother, Arik, who was sent away when he failed to develop his own magical abilities--

Acorn Yoko Ono, 2013-11-19 “It’s nearly 50 years ago that my book of conceptual instructions Grapefruit was first published. In these pages I’m picking up where I left off. After each day of sharing the instructions you should feel free to question, discuss, and/or report what your mind tells you. I’m just planting the seeds. Have fun.” —Yoko Ono Legendary avant-garde icon Yoko Ono has inspired generations of artists and performers. In *Acorn*, she offers enchanting and thought-provoking exercises that open our eyes—and all of our senses—to more creative and mindful ways of relating to ourselves, each other, and the planet we cohabit. Throughout this beautifully designed book are 100 black-and-white line drawings by Yoko. Like this legendary woman herself, the book is wildly original, stimulating, and hard to label: Call it purposeful play, call it brain poetry, call it guided

motivation, call it Zen-like incantations, call it whatever you want. But read it. Acorn may change the way you experience the world.

Seven Days in the Art World Sarah Thornton,2008-11-17 A fly-on-the-wall account of the smart and strange subcultures that make, trade, curate, collect, and hype contemporary art. The art market has been booming. Museum attendance is surging. More people than ever call themselves artists. Contemporary art has become a mass entertainment, a luxury good, a job description, and, for some, a kind of alternative religion. In a series of beautifully paced narratives, Sarah Thornton investigates the drama of a Christie's auction, the workings in Takashi Murakami's studios, the elite at the Basel Art Fair, the eccentricities of Artforum magazine, the competition behind an important art prize, life in a notorious art-school seminar, and the wonderland of the Venice Biennale. She reveals the new dynamics of creativity, taste, status, money, and the search for meaning in life. A judicious and juicy account of the institutions that have the power to shape art history, based on hundreds of interviews with high-profile players, Thornton's entertaining ethnography will change the way you look at contemporary culture.

Lou Reed Mick Wall,2013-12-09 'This sincere speed-written, blood-spattered tribute strings together the raciest anecdotes...and does it rather well' SUNDAY TIMES 'Mick Wall has written in a rough and unsentimental style that suits his subject' THE TIMES Lou Reed died in 2013. This is the critically acclaimed biography of the songwriter, Velvet Underground member and musician. Rock 'n' roll was Lou Reed's life. From recording one of the most critically acclaimed albums of all time with THE VELVET UNDERGROUND & NICO (1967), to heavy drug abuse and performing in front of the Pope, Lou Reed's story is one of great peaks and deep lows. Forever dedicated to his art, he became one of modern music's most legendary and seismic figures. Although a controversial, outspoken and undoubtedly misunderstood musician, Lou Reed's influence on popular culture cannot be overstated. He brought avant-garde to the mainstream with the Velvet Underground and his solo work was pronounced a revelation. Hit albums such as TRANSFORMER, SALLY CAN'T DANCE and BERLIN have cemented his name in the rock pantheon. A testament to his strength of character and true spirit, he was a creative and performer until the end, playing benefit gigs, featuring on new releases and, most poignantly, declaring that he was looking forward to 'being on stage performing, and writing more songs to connect with your hearts and spirits and the universe well into the future.' A true icon of rock 'n' roll - his legacy will live on in this book.

Kama Xcitra Elizabeth Coldwell,2013-07-18 This spiral bound book contains 69 illustrated sexual positions that become interactive 3D holograms using free smartphone apps. -Discreet - the couples illustrated in the book are wearing underwear but this is removed when viewed through the smartphone app -POV - images can be rotated 360 degrees to explore each position for maximum enjoyment -Choice - skin colour can be changed to reflect the reader's preferences Xcite Books has gained a strong reputation for enhancing readers' sex lives by publishing books that celebrate sexuality in all its forms and helping them gain body confidence. This book takes that to a whole new level using state-of-the-art technology to help couples explore interesting sexual positions.

Seeing Is Forgetting the Name of the Thing One Sees Lawrence Weschler,2008 Robert Irwin, perhaps the most influential of the California artists, moved from his beginnings in abstract expressionism through successive shifts in style and sensibility, into a new aesthetic territory altogether, one where philosophical concepts of perception and the world interact. Weschler has charted the journey with exceptional clarity and cogency. He has also, in the process, provided what seems to me the best running history of postwar West Coast art that I have yet seen.—Calvin Tomkins

An Object of Beauty Steve Martin,2010-11-23 Lacey Yeager is young, captivating, and ambitious enough to take the NYC art world by storm. Groomed at Sotheby's and hungry to keep climbing the social and career ladders put before her, Lacey charms men and women, old and young, rich and even richer with her magnetic charisma and liveliness. Her ascension to the highest tiers of the city parallel the soaring heights--and, at times, the dark lows--of the art world and the country from the late 1990s through today.

Sugar Factory Emily Wallis Hughes,2019 These poems make me so glad. I don't think I've ever seen such a charming use of the exclamation point. And there is such a vastness to these little poems - the way Joanne Kyger or Larry Eigner were able to write like brushstrokes. Matthew Rohrer
