

Deities

Xueting Christine Ni

Encyclopedia of Ancient Deities Charles Russell Coulter, Patricia Turner, 2013-07-04 The history of the divine is the history of human thought. For as long as men and women have pondered the mysteries of their existence, they have answered their own questions with stories of gods and goddesses. Belief in these deities shaped whole civilizations, yet today many of their names and images lie buried. The Encyclopedia of Ancient Deities makes those names available to the general reader as well as the scholar. This reference work lists all the known gods through recorded history. Alphabetically arranged entries provide the name of each deity (with alternate spellings), as well as notes on names that may be linguistically or functionally related. The tribe or culture that worshiped the deity is identified, and the god's origins and functions are explained. An extensive bibliography provides opportunities for further research and an exhaustive index provides access to the entries through virtually all names, forms and kinds of deities.

Encyclopedia of Ancient Deities Charles Russell Coulter, Patricia Turner, 2020-11-12 Throughout history, humans have pondered the question of their existence. In nearly every society, part of the answer has included some form of god or goddess. For the Mayans, one such deity was Ajtzak, who tried to create humans from wood; for the Yorubas of Africa, Shango controlled the thunder and lightning. The Chinese of the Shang dynasty era worshipped Shang Ti. Evil deities were also part of the answer, as in the case of the Kuvera, the Hindu chief of evil in the Vedic period, and Tu, the Persian or Islamic demon of fatal accidents. All of the known ancient gods, many heretofore obscure or known only from mythological literature, are included in this exhaustive reference work. The focus is on their origins, histories, and functions. The people who believed in each deity are identified, along with alternate names or spellings both old and modern. The descriptions that follow

are of the functions, origins and physical nature of the deities. Extensive cross references are provided for alternate spellings and names.

Dictionary of Deities and Demons in the Bible Karel van der Toorn,Bob Becking,Pieter Willem van der Horst,1999 The Dictionary of Deities and Demons in the Bible (DDD) is the single major reference work on the gods, angels, demons, spirits, and semidivine heroes whose names occur in the biblical books. Book jacket.

Encyclopedia of Gods Michael Jordan,2022-12-27 This reference book offers a comprehensive survey of gods and goddesses from cultures across the globe, with each entry covering specific cultures, dates of worship, the role the god played, and defining characteristics and symbols.

Gods and Goddesses Elizabeth M. Hallam,1996 Provides information on the gods and goddesses of a wide range of cultures, from the ancient Sumerian to the modern Haitian.

The Book of Gods & Goddesses Eric Chaline,2004-10-26 Discover a host of gods and goddesses, some of them familiar, others forgotten or unknown. Drawn from cultures around the globe, divided by region and fully illustrated. From Tiamat (the great mother goddess of the ancient Mesopotamianst) to Olorun (the Owner of the Heavens for the Yoruba people of Nigeria).

The Routledge Dictionary of Gods and Goddesses, Devils and Demons Manfred Lurker,2004-08-02 This dictionary covers, in one volume, over 1,800 of the most important deities and demons from around the world. From classical Greek and Roman mythology to the gods of Eastern Europe and Mesopotamia, from Nordic giants to Islamic jinns and Egyptian monsters, it is packed with descriptions of the figures most worshipped and feared around the world and across time. Fully cross-referenced and featuring two handy guides to the functions and attributes shared by those featured, this dictionary is the essential resource for anyone interested in comparative religion

and the mythology of the ancient and contemporary worlds.

Genealogy of the South Indian Deities Daniel Jeyaraj, 2004-09-23 For the first time, the work *Genealogy of the South Indian Deities* of the first Protestant missionary to India, Bartholomaeus Ziegenbalg (1682-1719), is made accessible to an English readership.

Encyclopedia of Gods Michael Jordan, 1993

From Kuan Yin to Chairman Mao Xueting Christine Ni, 2018-06-01 “Luminous and detailed, this is an encyclopedic treasure trove that now renders the gods and goddesses of Eastern lore accessible to the West.” —Benebell Wen, author of *Holistic Tarot China* is an immense land with a history spanning thousands of years, and its needs and problems are perhaps too many for a single deity to watch over. This book begins to explore the veritable army of gods, immortals, and deities to whom the Chinese have turned for help, support, and intervention—not just in the annals of history but also in the bustling modern world. *From Kuan Yin to Chairman Mao* offers fascinating insight into the complex interweaving of China’s main religions and folklore and the way the gods themselves have evolved to meet changing challenges, finding their way from scriptures and statues to vouchers and videogames. Author Xueting Christine Ni recounts the stories of sixty Chinese gods and goddesses, selected from across the spectrum of China’s mythical beings, deified heroes, gods, goddesses, and immortals. They derive from Taoism, Buddhism, Confucianism, and folklore, as well as revered sages and protective deities from other traditions. Get to know Kuan Yin, the goddess of mercy; Zhong Ku, the demon slayer; Tian Hou, the goddess of the sea; the beloved Monkey King, and a host of other Chinese deities, both ancient and modern. In addition to exploring the origins and rituals of this eclectic pantheon, this book also looks at how, in a country that has undergone a myriad of changes and upheavals, its gods and goddesses have never been more than a whisper away.

The Little Book of Hindu Deities Sanjay Patel, 2006-10-31 Pixar animator and Academy Award-nominated director Sanjay Patel (Sanjay's Super Team) brings to life Hinduism's most important gods and goddesses—and one sacred stone—in fun, full-color illustrations, each accompanied by a short, lively profile. The Little Book of Hindu Deities is chock-full of monsters, demons, noble warriors, and divine divas. Find out why Ganesha has an elephant's head (his father cut his off!); why Kali, the goddess of time, is known as the "Black One" (she's a bit goth); and what "Hare Krishna" really means. "Throw another ingredient in the American spirituality blender. Pop culture is veering into Hinduism."—USA Today

The Routledge Dictionary of Egyptian Gods and Goddesses George Hart, 2005-03-31 The Routledge Dictionary of Egyptian Gods and Goddesses contains one of the most comprehensive listings and descriptions of Egyptian deities. Now in its second edition, it provides: a new introduction updated entries and four new entries on deities names of the deities as Hieroglyphs a survey of gods and goddesses as they appear in classical literature an expanded chronology and updated bibliography, together with a list of relevant websites drawings of the gods and emblems of each district a map of ancient Egypt and a time chart Presenting a vivid picture of the complexity and richness of imagery in Egyptian mythology, students studying Ancient Egypt, travelers, visitors to museums and all those interested in mythology will find this an invaluable resource.

Wicca Magical Deities Lisa Chamberlain, 2016-06-29 Everything You Need to Know to Start Connecting with the God and Goddess Perhaps the biggest difference between Wicca and other religions is the belief that individuals can do more than simply pray to a supreme, all-powerful deity and hope that things will work out to their benefit. Wiccans understand that individuals can actually co-create with the forces of nature by linking their own personal energy with the divine through ritual

and magic. But what is the divine when it comes to Wicca? Who are the Goddess and the God, and where did they come from? Why do they have different names in different Wiccan traditions, and how do you begin to work with them in your personal practice? *Magical Deities*, by best-selling author Lisa Chamberlain, answers these questions and more. Going beyond the usual brief introduction to the God and Goddess found in many beginner guides to Wicca, Lisa covers the origins of the Wiccan deities, as well as their varying manifestations among different Wiccan traditions. What's more, she explains the difference between traditional duotheism and more eclectic polytheistic practices, both of which are found among the diversity of forms within this dynamic religion. You'll find advice for learning to forge your own spiritual connection with the divine masculine and feminine, and introductions to sixteen ancient deities who often function as aspects of the God and Goddess within Wiccan practices. Finally, you'll find ideas for honoring and working with these deities in your magical practice-and make no mistake, having the assistance of the gods and goddesses of the Universe is an enormous boon in the magic department! Foundations in Wiccan Concepts of Divinity and Magic For many practitioners who keep to the traditional duotheistic concept of Wicca, the ancient deities are aspects of the supreme Goddess and God and don't have a role to play on their own. For those who fall into the category of eclectic Wiccans, the inclusion of ancient deities is more polytheistic. Eclectics often have personal relationships with patron gods and/or goddesses, who may be included in ritual practice alongside the God and Goddess. In both approaches, deities may be called upon for assistance with specific magical aims. But it's not simply a matter of speaking a god's or goddess' name in your spellwork-you need to develop an understanding and personal relationship with your chosen deities. *Magical Deities* will help you to do just that, with valuable information including: - The history of the Wiccan Goddess and God and their evolution through various traditions - An

introduction to the Triple Goddess and her three aspects: Maiden, Mother and Crone - Introductions to the Sun God, the Horned God, the Green Man, and the Holly and Oak Kings - How to represent the God and Goddess on the Wiccan altar - The mythology, cosmology, and magical practices of the ancient cultures that gave rise to Wicca - The most popular deities of the Egyptian, Roman, Greek, and Celtic pantheons - Advice for choosing deities to work with, and magical goals and methods specific to each one The paths to connection with the God and Goddess, or to any of the deities borrowed from other cultures are as multiple and varied as the people who worship them. Ultimately, your intuition and your heart are your best guides along your journey. But the more you know about the gods and goddesses you seek to work with, the more authentic and astounding your connection with them has the potential to be. As you make your way deeper into the realm of Wicca, Magical Deities will be a trusted travel guide! Scroll to the top of the page, hit the buy button, and you'll receive an exclusive free gift!

Qi Men Dun Jia: The Deities Joey Yap, 2016-07-01 The Ideal Source for Everything in Qi Men In Qi Men Dun Jia, the aspects of the subconscious mind or High Intelligence (or Divine Spirit) are recognised as the 10 Deities. Through the practice of Qi Men, insights can be gained into the interactions between the Spirit Realm and the Natural World to understand how the former affects our lives. The Spirit Realm exists within the highest level above that of Earth, Man and the Heavens, and to access this higher realm is to call upon the support and guidance of the deities, thus leading to a deeper understanding of life's aspects and events. From Qi Men Forecasting to Qi Men Warcraft, the 10 Deities hold considerable influence over the energies present at any given occasion. Qi Men Dun Jia: The Deities for the first time, brings together a wealth of information on the 10 Deities for the versatile application of Qi Men Dun Jia. Discover how to recognise and interpret the guides and

wisdom presented by these Deities, and through this process gain a deeper understanding of the self and the physical world.

The Gods of the Nations Daniel I. Block,2013-10-01 Daniel I. Block here explores the relationship between ancient Near Eastern nations and their respective deities. He demonstrates how this relationship was expressed in everyday life, national identity, and history . Israel's theocratic culture is illuminated in comparison to other Near Eastern cultures.

Representation of Deities of the Maya Manuscript Paul Schellhas,2014-05-22 The three manuscripts which we possess of the ancient Maya peoples of Central America, the Dresden (Dr.), the Madrid (Tro.-Cort.) and the Paris (Per.) manuscripts, all contain a series of pictorial representations of human figures, which, beyond question, should be regarded as figures of gods. Together with these are a number of animal figures, some with human bodies, dress and armor, which likewise have a mythologic significance

Hindu Mythology: Vedic and Puranic W. J. Wilkins,1882-01-01 BEFORE speaking of the Vedic Deities, it is necessary that something be said concerning the Vedas themselves, the source of our information concerning them. The root of the word is vid, "to know;" hence the term Veda signifies knowledge; and as these books were not written for centuries after they were originally composed, it signifies knowledge that was heard, or orally communicated. The Vedas are not the work of a single person, but, according to popular belief, were communicated to a number of Rishis or saints, who in their turn transmitted them to their disciples. The Seer Vyasa is styled the arranger, or, as we should now say, the editor, of these works. The instruction contained in these writings is said to have been breathed forth by God Himself. Other writers teach that it issued from Him like smoke from fire. Sometimes the Vedas are said to have sprung from the elements. The accounts of their origin, though

differing in form, agree in teaching that they were the direct gift of God to man; and hence they are regarded with the greatest veneration. They are the special property of the Brahmans. As early as Manu, the nominal author or compiler of a law book probably not more than two or three centuries later than the Vedas, though some suppose it to have been no earlier than A.D. 500, it was regarded as a grave offence for a single word of these divinely given books to be heard by a man of a lower caste. The Vedas are four in number; of these the Rig-Veda is the oldest, next in order was the Yajur-Veda, then the Sama-Veda, and last of all the Atharva-Veda. Each of these Vedas consists of two main parts: a Sanhita, or collection of mantras or hymns; and a Brahmana, containing ritualistic precept and illustration, which stands in somewhat the same relation to the Sanhita as the Talmud to the Law. In these are found instructions to the priests who conduct the worship of the gods addressed in the hymns. Attached to each Brahmana is an Upanishad, containing secret or mystical doctrine. These are regarded as of lesser authority than the Mantras and Brahmanas. For whilst they are spoken of as Sruti, i.e. heard, the Upanishads are Smriti, learned. Though based on the older compositions, if there is any discrepancy between them, the teaching of the later ones is rejected. The Sanhita and Brahmana are for the Brahmans generally; the Upanishads for philosophical inquirers. Yet, strange to say, whereas the older portions had, until recent years, been almost entirely neglected, with some parts of the Upanishads there was considerable acquaintance amongst the learned pundits of Benares and other places. In many parts of India not a man could be found able to read and interpret them. Of the Sanhitas, the "Rig-Veda Sanhita—containing one thousand and seventeen hymns—is by far the most important; whilst the Atharva-Veda-Sanhita, though generally held to be the most recent, is perhaps the most interesting. Moreover, these are the only two Vedic hymn-books worthy of being called separate original collections;" the others being almost entirely made up of extracts from the

Rig-Veda. Between the time of the composition of the Rig-Veda and that of the Atharva, considerable changes in the religious faith of the people had come about. The childlike trust of the earlier hymns has disappeared, and the deities now seem more cruel, and there is greater need of propitiatory offerings. Probably the old religion of the people whom they had conquered had begun to tell on that of the Aryans.

Female Deities in Buddhism Vessantara, 2003 Queens and old crones, Buddhas and goddesses, mothers and wild women. Female deities in Buddhism take many forms to inspire, beguile, rouse and protect us. Enter the magical realm of gently compassionate Kuan Yin from China, meet the elusive golden goddess from India representing Perfect Wisdom, and tangle with the energetic embodiments of freedom, the fearless sky-dancing dakinis of Tibet. Respected Western Buddhist teacher Vessantara invites us to learn more about ourselves as women and men by reflecting on these figures, for within us lie the seeds of love, wisdom and freedom that these figures symbolise in their fullness, qualities we can nurture through contemplating the beauty of these enlightened beings. Engage not just with your head but with your heart. Follow your intuition ... enrich your life. My thanks to Vessantara for a treasure trove of fascinating information, explanation, and anecdote on the feminine divine. This is an invaluable introductory source book. Sandy Boucher, author of Discovering Kwan Yin, Buddhist Goddess of Compassion.

The Brhad-Devata Arthur Anthony Macdonell, 1994 Brhat-devata is an index of the 'many gods', a much more extensive work than any of the other Anukramanis, as it contains about 1200 slokas interspersed with occasional tristubhs. It is divided into eight adhyayas corresponding to the astakas of the Rg-veda. Following the order of the Rg-veda, its main object is to state the deity for each verse. But as it contains a large number of illustrative myths and legends, it is of great value as an early

collection of stories. A peculiarity of this work is that it refers to a number of supplementary hymns (khilas) which do not form part of the canonical text of the Rg-veda. Part I is critically edited in the original Sanskrit with an introduction and seven appendices and Part II contains English translation and notes.

Hindu Gods and Goddesses W. J. Wilkins, 2003-11-21 The Hindu pantheon comprises such a multitude of gods and goddesses that even the most devout can find it difficult to remember their names and characteristics. This self-contained volume presents a comprehensive picture of the gods and goddesses commonly worshiped in India; their origins, and their related myths and legends. It covers the deities from both the Vedic and Puranic literature, as well as demons, sacred birds, and other lore, all accompanied by excellent illustrations from traditional sources.

Deities Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Deities**," published by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound affect our existence. Throughout this critique, we shall delve to the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Deities Introduction

In today's digital age, the availability of Deities books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Deities books and manuals for download, along with some popular

platforms that offer these resources. One of the significant advantages of Deities books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Deities versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Deities books and manuals for download are incredibly convenient. With just a computer or smartphone and

an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics.

Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Deities books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Deities books and

manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making

them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Deities books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open

Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Deities books and manuals for download and embark on your journey of knowledge?

FAQs About Deities Books

1. Where can I buy Deities books? Bookstores:

Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google

Play Books.

3. How do I choose a Deities book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Deities books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with

clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and

managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Deities audiobooks, and where can I find them?
Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or

independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Deities books for free? Public Domain Books: Many classic books are available for

free as they are in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
