

Demetri Martin

Robert Pryor, Jim Bright

This Is a Book Demetri Martin, 2011-04-25 From the renowned comedian, creator, star and executive producer/multiple title-holder of Comedy Central's Important Things with Demetri Martin comes a bold, original, and rectangular kind of humor book. Demetri's first literary foray features longer-form essays and conceptual pieces (such as Protagonists' Hospital, a melodrama about the clinic doctors who treat only the flesh wounds and minor head scratches of Hollywood action heroes), as well as his trademark charts, doodles, drawings, one-liners, and lists (i.e., the world views of optimists, pessimists and contortionists), Martin's material is varied, but his unique voice and brilliant mind will keep readers in stitches from beginning to end.

19 1/2 Stories Demetri Martin, 2026-11-10 From brainy comedian and New York Times bestselling author Demetri Martin comes a collection of hilarious and high-concept short stories.

If It's Not Funny It's Art Demetri Martin, 2017-09-12 New York Times bestselling author of This Is a Book and Point Your Face at This, Demetri Martin is back with another collection of hilarious drawings: IF IT'S NOT FUNNY IT'S ART Packed with hundreds of new illustrations and one-liners, IF IT'S NOT FUNNY IT'S ART is a peek into the ingenious mind of author/comedian/filmmaker Demetri Martin. Exploring the meaning of art, life, death, ennui and the elegant fart joke with a sensibility all its own, this collection is a perfect gift for word lovers, art appreciators and fans of Demetri's unique brand of comedy. Sure to make you laugh out loud, and if it doesn't, then you know it's art.

Point Your Face At This Demetri Martin, 2013-04-18 Point Your Face At This is a wonderfully entertaining book of cartoons and absurdity from Demetri Martin, the Perrier Award-winning comedian, and author of This Is A Book If you want to laugh, point your face at this. In his first book, This Is a Book, Demetri Martin introduced fans and readers to his unique brand of long-form humour writing. Now Demetri returns with an eclectic volume devoted entirely to his trademark drawings and word play. Point Your Face At This contains hundreds of hilarious drawings and visual jokes, showcasing Martin's particular penchant for brevity. With a sensibility all its own, this is a great gift book and an absolute must-have for fans of the brainy, ambidextrous, comedian, palindromist (and author), Demetri Martin. Praise for Demetri Martin: 'Highly inventive . . . Martin is a genius' Telegraph 'A refined sense of the absurd' Guardian Demetri Martin rose to relative obscurity when he started doing stand-up comedy in New York City at the end of the 20th Century. Later he became a writer at Late Night with Conan O'Brien and then a regular performer on The Daily Show with Jon Stewart. In 2003, Demetri won the Perrier Award at the International Fringe Festival for his first one-man show, If I. He released a comedy album called These Are Jokes and then created and starred in his own television series called Important Things with Demetri Martin. Demetri has brown hair, and he is allergic to peanuts. You can find him at www.demetrimartin.com, at www.facebook.com/demetrimartin, on Twitter @demetrimartin, and in various places in the actual physical world.

Super Serious Mande Johnson, 2020-08-18 An oral history of Los Angeles independent stand-up comedy with a collection of comedian portraits from a decade of the beloved independent comedy show, The Super Serious Show. With a foreword by Demetri Martin, afterword by Reggie Watts, and featuring big-name

stars and up-and-coming indie comics alike, *Super Serious* gives a behind-the-scenes glimpse into the world of Los Angeles independent comedy, as told by the performers, directors, and producers who've helped shape it. Including over 60 intimate interviews and 350 photographs, *Super Serious* is a irreverent, loving portrait of a vibrant—and very funny—community.

Math Jokes 4 Mathy Folks G. Patrick Vennebush, 2010 Professor and Mathemagician, Harvey Mudd College, Claremont, CA --

Egghead Bo Burnham, 2013-10-01 A strange and charming collection of hilariously absurd poetry, writing, and illustration from one of today's most popular young comedians... *EGGHEAD: Or, You Can't Survive on Ideas Alone* Bo Burnham was a precocious teenager living in his parents' attic when he started posting material on YouTube. 100 million people viewed those videos, turning Bo into an online sensation with a huge and dedicated following. Bo taped his first of two Comedy Central specials four days after his 18th birthday, making him the youngest to do so in the channel's history. Now Bo is a rising star in the comedy world, revered for his utterly original and intelligent voice. And, he can SIIIIIIIIING! In *EGGHEAD*, Bo brings his brand of brainy, emotional comedy to the page in the form of off-kilter poems, thoughts, and more. Teaming up with his longtime friend, artist, and illustrator Chance Bone, Bo takes on everything from death to farts in this weird book that will make you think, laugh and think, why did I just laugh?

The Names of All the Flowers Melissa Valentine, 2020-07-14 A “poignant, painful, and gorgeous” memoir that explores siblinghood, adolescence, and grief for a family shattered by loss (Alicia Garza, cocreator, *Black Lives Matter*). Melissa and her older brother Junior grow up running around the disparate neighborhoods of 1990s Oakland, two of six children to a white Quaker father and a black Southern mother. But as Junior approaches adolescence, a bullying incident and later a violent attack in school leave him searching for power and a sense of self in all the wrong places; he develops a hard front and falls into drug dealing. Right before Junior’s twentieth birthday, the family is torn apart when he is murdered as a result of gun violence. *The Names of All the Flowers* connects one tragic death to a collective grief for all black people who die too young. A lyrical recounting of a life lost, Melissa Valentine’s debut memoir is an intimate portrait of a family fractured by the school-to-prison pipeline and an enduring love letter to an adored older brother. It is a call for justice amid endless cycles of violence, grief, and trauma, declaring: “We are all witness and therefore no one is spared from this loss.” “A portrait of a place, a person who died too young, the systems that led to that death, and the keen insights of the author herself. Lyrical and smart, with appropriate undercurrents of rage.” —Emily Raboteau, author of *Searching for Zion* “Eloquently poignant.” —Kirkus Reviews

When It Happens to You Molly Ringwald, 2012-08-09 A stunning novel in stories in the tradition of Jennifer Egan by the iconic actress Molly Ringwald Tales of love, loss, and betrayal are at the heart of *When It Happens to You*, the debut novel in stories from actress and author Molly Ringwald. A Hollywood icon, Ringwald defined the teenage experience in the eighties in such classic films as *Pretty in Pink*, *The Breakfast Club* and *Sixteen Candles*. Ringwald brings the compelling candour she displayed in her film roles to the unforgettable characters she has created in this series of intertwined and linked stories about the particular challenges, joys and

disappointments of adult relationships. Her characters grapple with infertility and infidelity, fame and familial discord in a magnificent debut that will resonate broadly, particularly with fans of Melissa Banks, Meg Wolitzer and Lorrie Moore. 'When It Happens to You is absolutely lovely, a smart, emotionally sophisticated, intricately dovetailed novel of stories. World, I'm telling you now: Molly Ringwald is the real deal' Lauren Groff, author of *Arcadia* 'Molly Ringwald understands how families work and uses her considerable talents to make them come alive on the page' Gary Shteyngart

The Art of Doing Camille Sweeney, Josh Gosfield, 2013-01-29 How does anyone get to the top of their field? We all know it takes hard work, dedication, and the occasional dose of luck, but what separates a wannabe from a winner? *The Art of Doing* brings together an incredible cross-section of individuals who are at the top of their respective fields, from actor Alec Baldwin to New York Times crossword puzzle editor Will Shortz, to and asks them each one question: how do you succeed at what you do? The advice that they share is illuminating, and occasionally surprising, providing their top ten strategies on how to achieve greatness in a variety of ways. From the practical (*How to Open a Restaurant and Stay in Business*, by restaurateur David Chang) to the zany (*How to Live Life on the High Wire*, by infamous World Trade Center tightrope walker Philippe Petit), each interview is a testament to the knowledge and experiences that these risk-taking, barrier-breaking individuals have used to achieve their own success. With its diverse perspectives and variety of opinions about how to be the best in any field, this book will shape readers' views of success and inspire them to carve out their own niche.

I Drink for a Reason David Cross, 2009-08-31 The star and creative force behind *Mr. Show* and *Arrested Development* pens his first and final book, chronicling his meteoric rise and abysmal fall in the literary world. After a decade spent in isolation in the Ugandan jungles thinking about stuff, David Cross has written his first book. Known for roles on the small screen such as never-nude Tobias Funke on *Arrested Development* and the role of David in *Mr. Show With Bob And David*, as well as a hugely successful stand-up routine full of sharp-tongued rants and rages, Cross has carved out his place in American comedy. Whether deflating the pomposity of religious figures, calling out the pathetic symbiosis of pseudo-celebrity and its leaching fandom, or merely pushing the buttons of the way-too-easily offended P.C. left or the caustic, double-standard of the callous (but funnier) right, Cross has something to say about everyone, including his own ridiculous self. Now, for the first time, Cross is weaving his media mockery, celebrity denunciation, religious commentary and sheer madness into book form, revealing the true story behind his almost existential distaste of Jim Belushi (*The Belush*), disclosing the up-to-now unpublished minutes to a meeting of Fox television network executives, and offering up a brutally grotesque run-in with Bill O'Reilly. And as if this wasn't enough for your laughing pleasure in these troubled times, some of the pieces splinter off with additional material being created online in exclusive video and animated web content created solely for the book-a historical first (presumably)! With a mix of personal essays, satirical fiction posing as truth, advice for rich people, information from America's least favorite Rabbi and a top-ten list of top-ten lists, *I Drink for a Reason* is as unique as the comedian himself, and cannot be missed.

The Breakthrough Experience Dr. John F. Demartini, 2002-03-01 This book is

about breaking through the barriers that keep us from experiencing our true nature as light. It presents inspiring science and philosophy in a way that is completely accessible to anyone, to reveal and explore the universal laws and principles that underlie our very existence. Those principles are set forth in extraordinary but true stories of ordinary people having astonishing and moving life experiences, and they make the most profound concepts easily understood. Most important, it is an extremely real and practical manual for understanding why we live the way we do, and how to transform our lives into our highest vision. You will learn a formula to manifest your dreams, discover the secrets of opening your heart beyond anything you have imagined, find out how to increase love and appreciation for every aspect of your life, receive profound insights on how to create more fulfilling and caring relationships, reawaken your birthright as a true genius, transcend the fears and illusions surrounding the myth of death, and reconnect with your true mission and purpose on Earth. That is all true, but mainly, this book will deeply touch and inspire you with respect to your own greatness and potential—and the magnificence of every single human soul. This is not just a book, it is what the title implies—an Experience—and it is impossible to go through it without being moved, challenged, and changed. Welcome to . . . The Breakthrough Experience.

Sources of Modern Eclecticism Demetri Porphyrios, 1982

If It's Not Funny It's Art Demetri Martin, 2017-09-12 !--[if gte mso 9] ![endif]--New York Times bestselling author of *This Is a Book* and *Point Your Face at This*, Demetri Martin is back with another collection of hilarious drawings: *IF IT'S NOT FUNNY IT'S ART* Packed with hundreds of new illustrations and one-liners, *IF IT'S NOT FUNNY IT'S ART* is a peek into the ingenious mind of author/comedian/filmmaker Demetri Martin. Wake Me When It's Over Rob Sacher, 2012-02-01 This is my story; I am a musician and entrepreneur who created and co-owned nightclubs, now part of the history of music and nightlife in New York City. Starting with my first club, Sanctuary, and continuing with Mission in Manhattan's East Village and ending with the highly regarded Luna Lounge, this is the first book to cover a part of the New York rock music scene that came after punk, new wave, and no wave. Musicians and bands including Joey Ramone, The Psychedelic Furs, The Jesus And Mary Chain, Ministry, Nine Inch Nails, The Sugarcubes, The Sisters Of Mercy, and Killing Joke, among others, would party together at Mission. It was the late 1980s, a time of MTV's 120 Minutes, melodic British psychedelic guitar rock, Wax Trax industrial rock records, and a dangerous but exciting Lower East Side. Moving further ahead, my story continues with the sale of the Mission and the opening of Luna Lounge in 1995, possibly the most important venue of its size in New York. Luna was the stage where The Strokes, Interpol, The National, Longwave, stellastarr*, The Bravery, The Hold Steady, and many other bands first performed before friends and early fans of the bands. Also, Luna would host free performances from Marty Willson-Piper (The Church), Black Box Recorder, Sonic Boom, and Kid Rock. This is also a narrative about Elliott Smith as he wrote out his work for the album, *XO*, while sitting at the Luna Loungebar and his subsequent launch

into stardom. In addition, Luna Lounge was a well known Monday night comedy spot where cutting edge comics worked new material in front of a supportive audience as part of the Eating It comedy series, the room where fans could see, among others, Jon Stewart, Janeane Garofalo, Jeff Garlin, Rob Cordry, Greg Fitzsimmons, Lewis Black, Jim Norton, Lewis C.K., and Marc Maron. Finally, this is the story of the forced closing of Luna Lounge, a victim of the rising real estate values which came as a result of the quality of life initiatives set out by the Republican mayors who have controlled the city for the last twenty years. More information is available at the author's website, wakeme.net.

Reborn in the USA Roger Bennett, 2021-06-29 The #1 New York Times Bestseller One-half of the celebrated Men in Blazers duo, longtime culture and soccer commentator Roger Bennett traces the origins of his love affair with America, and how he went from a depraved, pimply faced Jewish boy in 1980's Liverpool to become the quintessential Englishman in New York. A memoir for fans of Jon Ronson and Chuck Klosterman, but with Roger Bennett's signature pop culture flair and humor. Being a teenager isn't easy, no matter where in the world you live or how much it does or doesn't rain in your hometown. As an outsider—a private-schooled Jewish kid in working-class, heavily Catholic Liverpool—Roger Bennett wasn't winning any popularity contests. But there was one idea, or ideal, that burned bright in Roger's heart. That was America—with its sunny skies, beautiful women, and cool kids with flipped collars who ate at McDonald's. When he embraced American popular culture, the dull gray world he lived in turned to neon teal—a color which had not even been invented in England yet. Introduced first through the gateway drug of The Love Boat, then to Rolling Stone, the NFL, John Hughes movies, Run-DMC, and Tracy Chapman, Roger embraced everything that would capture the imagination of a teenager growing up Stateside. When he made a real, in-the-flesh American friend who invited him over for the summer, he got to visit the promised land. A month in Chicago, and a life-changing night spent in the company of the Chicago Bears, was the first hit of freedom, of independence, of the Roger Bennett he knew he could be. (Re)Born in the USA captures the universality of growing pains, growing up, and growing out of where you come from. Drenched in the culture of the late '80s and '90s from the UK and the USA, and the heartfelt, hilarious sense of humor that has made Roger Bennett so beloved by his listeners, here is both a truly unique coming-of-age story and the love letter to America that the country needs right now.

The Chaos Theory of Careers Robert Pryor, Jim Bright, 2011-05-10 The Chaos Theory of Careers outlines the application of chaos theory to the field of career development. It draws together and extends the work that the authors have been doing over the last 8 to 10 years. This text represents a new perspective on the nature of career development. It emphasizes the dimensions of careers frequently neglected by contemporary accounts of careers such as the challenges and opportunities of uncertainty, the interconnectedness of current life and the potential for information overload, career wisdom as a response to unplanned change, new approaches to vocational assessment based on emergent thinking, the place of spirituality and the search for meaning and purpose in, with and through work, the integration of being and becoming as dimensions of career development. It will be vital reading for all those working in and studying career development, either at advanced undergraduate or postgraduate level and provides a new and refreshing approach to this fast

changing subject. Key themes include: Factors such as complexity, change, and contribution People's aspirations in relation to work and personal fulfilment Contemporary realities of career choice, career development and the working world

The History of Stand-Up Wayne Federman, 2021-03-11 Today's top stand-up comedians sell out arenas, generate millions of dollars, tour the world, and help shape our social discourse. So, how did this all happen? The History of Stand-Up chronicles the evolution of this American art form - from its earliest pre-vaudeville practitioners like Artemus Ward and Mark Twain to present-day comedians of HBO and Netflix. Drawing on his acclaimed History of Stand-up podcast and popular university lectures, veteran comedian and adjunct USC professor Wayne Federman guides us on this fascinating journey. The story has a connective tissue - humans standing on stage, alone, trying to get laughs. That experience connects all stand-ups through time, whether it's at the Palace, the Copacabana, the Apollo, Mister Kelly's, the hungry i, Grossinger's, the Comedy Cellar, the Improv, the Comedy Store, Madison Square Garden, UCB, or at an open mic in a backyard.

Classicism is Not a Style Demetri Porphyrios, A. Papadakēs, 1982 From Introduction - The narrative of recent architecture tells how Post-Modernism, was born to disreputable Modernist parents, left home and took to the road, how he went to Shingle-style and Neo-Corbusian American, how he served in the household of Late-Modernism, and how, after more adventures - such as the short-lived affairs he had with Queen-Anne Revival and Collegiate Gothic - he returned to a Classicism that was to be qualified as Free-style.

Ballad of the Whiskey Robber Julian Rubinstein, 2007-09-03 DESCRIPTION: Elmore Leonard meets Franz Kafka in the wild, improbably true story of the legendary outlaw of Budapest. Attila Ambrus was a gentleman thief, a sort of Cary Grant--if only Grant came from Transylvania, was a terrible professional hockey goalkeeper, and preferred women in leopard-skin hot pants. During the 1990s, while playing for the biggest hockey team in Budapest, Ambrus took up bank robbery to make ends meet. Arrayed against him was perhaps the most incompetent team of crime investigators the Eastern Bloc had ever seen: a robbery chief who had learned how to be a detective by watching dubbed Columbo episodes; a forensics man who wore top hat and tails on the job; and a driver so inept he was known only by a Hungarian word that translates to Mound of Ass-Head. BALLAD OF THE WHISKEY ROBBER is the completely bizarre and hysterical story of the crime spree that made a nobody into a somebody, and told a forlorn nation that sometimes the brightest stars come from the blackest holes. Like The Professor and the Madman and The Orchid Thief, Julian Rubinstein's bizarre crime story is so odd and so wicked that it is completely irresistible.

Recognizing the pretension ways to acquire this books **Demetri Martin** is additionally useful. You have remained in right site to begin getting this info. acquire the Demetri Martin belong to that we have the funds for here and check out the link.

You could buy guide Demetri Martin or get it as soon as feasible. You could speedily download this Demetri Martin after getting deal. So, subsequent to you require the ebook swiftly, you can straight acquire it. Its so very easy
