*Dark Rising* Christopher Lapides,2019-09-09 Nothing stays buried forever. For centuries, the dwarves of Thoriddon have lived in relative peace. They work without fear, drink without care, and toil happily in their underground kingdom. If only they knew what lay beneath their feet. Most of them have no knowledge of the ancient evil that is plotting against them, of the vile threat that has planned for generations to bring revenge down upon their heads. Imprisoned by an ancient king, this new threat needs only freedom to bring death and destruction to those whose ancestors had it shut away from the world of Terrial. It has waited. It has hungered. It has learned. And now, it is free. When the dwarven kingdom is besieged from all sides by both friend and foe alike, two companions—one dwarf, one human—must calm the flames of chaos before they consume millions of lives. If they are to have any hope of saving their friends and repairing an already damaged relationship, they must shed light on what is causing the rising tide of darkness.

Dark Prince David Gemmell,2011-06-08 The chaos spirit had chosen the child Alexander to be its human host. But Parmenion, most powerful warrior of ancient Greece,

had won a small victory over the darkness that sought to rule through Alexander. The boy's soul had not been destroyed by evil, but instead had merged with it -- and now Parmenion aided Alexander in the battle between light and dark that constantly raged within him. But there was another world, where the creatures of Greece's legends still flourished. There, the chaos spirit already ruled, through a demon king. In this Greece, there was a prophecy that a child of great power, the legendary golden child, would come and restore the fading magic of the land to the creatures of myth. The demon king believed also that devouring the heart of this fabled child would give him immortality. He believed Alexander, with the power of the chaos spirit within him, to be that child. And so he called Alexander into his world . . . Only Parmenion, guided by the seeress Derae, his lost love from another life, could hope to save Alexander from the demon king. But who could save the young prince from the chaos spirit that threatened to conquer his soul?

This omnibus edition includes all 4 novels of The Fallen King Chronicles: Dragonsphere The Fallen King The Valiant King The Restored King PRAISE FOR THE SERIES: I would definitely recommend Dragonsphere. It was an impressive, classic fantasy read. There were quite a few nice twists and turns, several of which resulted in a story shift I didn't see coming. At times, I had no idea where the author might go next and that is a big plus for me. The world building is nicely done. The plot is solid. There is plenty to expound on and I'm looking forward to seeing what the next installment will bring. - C.L. **Blood Demon** N. P. Martin,2018-12-04 We all have our demons...and some of them kill. Creed here again. A bloodthirsty demon has possessed me, and he's wearing my body like a cheap suit as he leaves a trail of dead across the city. Of course, people think I'm the murderer, which is probably why I now find myself locked up in a Division prison cell, with only the demon inside me for company. A demon called Max, of all things... To get rid of Max, I told him he could ride along with me on my ill-advised journey to the Realm of the Dead, where I intend to rescue my family members, who are all in trouble there. Max wants to know how they escaped his domain in the Underworld. Once he finds that out, he'll leave me alone...or so he says. With demons, things are never that simple... I'm in balls deep this time, and I have no choice but to go along with the demon to the Realm of the Dead, and hope that I get out alive...just so the demon can probably kill me anyway. But before I can go rushing toward my death, I need to find a way out of this prison cell...
