David Guymer

The Descent Jeff Long, 1999-11-12 We are not alone. Some call them devils or demons. But they are real. They are down there. And they are waiting for us to find them. In a cave in the Himalayas, a guide discovers a self-mutilated body with a warning: Satan exists. In the Kalahari Desert, a nun unearths evidence of a proto-human species and a deity called Older-than-Old. In Bosnia, something has been feeding upon the dead in a mass grave. So begins mankind's most shocking realization: the underworld is a vast geological labyrinth populated by another race of beings. With all of Hell's precious resources and territories to be won, a global race ensues. Nations, armies, religions, and industries rush to colonize and exploit the subterranean frontier. A scientific expedition is launched westward to explore beneath the Pacific Ocean floor, both to catalog the riches there and to learn how life could develop in the sunless abyss. But in the dark underground, as humanity falls away from them, the scientists and mercenaries find themselves prey not only to the savage creatures, but also to their own treachery, mutiny, and greed. One thing is certain: Miles inside the earth, evil is very much alive.

Descent Tim Johnston, 2015-01-06 The Rocky Mountains have cast their spell over the Courtlands, who are taking a family vacation before their daughter leaves for college. But when Caitlin and her younger brother, Sean, go out for an early morning run and only Sean returns, the mountains become as terrifying as they are majestic. Written with a precision that captures every emotion, every moment of fear, as each member of the family searches for answers, *Descent* races like an avalanche toward its heart-pounding conclusion. "Read this astonishing novel . . . The magic of his prose equals the horror of Johnston's story." —The Washington Post "A compelling thriller that is both creepy and literary . . . *Descent* is not just a mystery. It is an emotional story of evil, fear, acceptance and irony." —The Denver

Post “What makes the novel unforgettable is its sense of character, its deliberate, unadorned prose and Johnston’s unflinching exploration of human endurance, physical and psychological.” —Miami Herald “A super-charged, addictive read.” —The Missourian “An original and psychologically deep thriller.” —Outside magazine “Outstanding . . . The days when you had to choose between a great story and a great piece of writing? Gone.” —Esquire “[A] dazzling debut . . . Exquisitely crafted.” —The Dallas Morning News “Incredibly powerful, richly atmospheric.” —Minneapolis Star Tribune “ [An] engulfing thriller-cum-western.” —The New York Times Book Review “Brilliant . . . As gripping as any Everest expedition.” —Peter Heller, author of *The Dog Stars*

The Shield of Dagan David Guymer, 2021-02-02 Mighty warriors fight to save the realm from blood magic and evil, in this battle-soaked epic fantasy novel, from the hugely popular *Descent* games. The once-glorious Barony of Kell is a ruin of its former self, assailed by banditry and famine; its noble Baron Frederic is caught between saving his people and defending his borders. Yet worse is to come... for a new Darkness is rising. Sadistic warrior-priestess, Ne’Krul, spying an opportunity to wreak bloody vengeance on behalf of her demonic masters, leads her Uthuk warband into a brutal invasion. Kell’s only hope lies in holy warrior, Andira Runehand, and legendary hero, Trenloe the Strong, both drawn to Kell to defeat an alliance of evil unprecedented in Terrinoth. They must not fail.

The Descent Jeff Long, 2001-11-01 We are not alone...In a cave in the Himalayas, a guide discovers a self-mutilated body with the warning--Satan exists. In the Kalahari Desert, a nun unearths evidence of a proto-human species and a deity called Older-than-Old. In Bosnia, something has been feeding upon the dead in a mass grave. So begins mankind’s most shocking realization: that the underworld is a vast geological labyrinth populated by another race of beings. Some call them devils or

The Descent Alma Katsu, 2022-01-25 The author of *The Hunger* delivers a “daring, soaring, and ultimately gut-wrenching” (The New York Times) conclusion to her critically acclaimed Taker Trilogy, bringing Lanore McIlvrae to a final encounter with Adair, her powerful nemesis. Dismayed by Adair’s otherworldly powers and afraid of his passionate temper, Lanore has run from him across time, even imprisoning him behind a wall for two centuries to save Jonathan, her eternal love. But instead of punishing her for her betrayal, Adair declared his love for Lanore once more and set her free. Now, Lanore has tracked Adair to his mystical island home to ask for one last favor. The Queen of the Underworld is keeping Jonathan as her consort, and Lanore wants Adair to send her to the hereafter so that she may beg for his release. Will she honor her promise to return to Adair? Or is her true intention to be reunited with Jonathan at any cost?

Descent Peter Telep, Interplay Prod, 1999-01-01 YOU’VE FOUND YOUR WAY IN. . .NOW DIE GETTING OUT! Lunar Outpost MN 0012 is in the grips of techno-cataclysm. The most complex off-world mining operation in the solar system is in danger of total annihilation, Programmed flying drones have gone berserk, turning on their masters and spreading a hideous plague of devastation and death. An unseen alien force has corrupted the powerful machines as a terrifying first act of war. The moon will fall first. And after that, the Earth. The Post Terran Mining Corporation needs one man to lead a suicide mission into the labyrinthine depths of MN 0012, to take the battle to the white-hot core of the rebellion. That man is Benjamin St. John--a veteran Maine flyer with nothing left to lose, teamed with a beautiful company flak and his most hated enemy. A stranded computer scientist trapped in the bowels of the moon holds the key to human survival. Her rescue is essential, and St. John is the only man good enough--and crazy enough--for the job.

Blind Descent James M. Tabor, 2011-02-15 “Heart-stopping and relentlessly gripping. Tabor takes us on an odyssey into unfathomable worlds beneath us, and into the hearts of rare explorers who will do anything to get there first.”—Robert Kurson, author of *Shadow Divers* In 2004, two great scientist-explorers attempted to find the bottom of the world. American Bill Stone took on the vast, deadly Cheve Cave in southern Mexico. Ukrainian Alexander Klimchouk targeted Krubera, a freezing nightmare of a supercave in the war-torn former Soviet republic of Georgia. Both men spent months almost two vertical miles deep, contending with thousand-foot drops, raging whitewater rivers, monstrous waterfalls, mile-long belly crawls, and the psychological horrors produced by weeks in absolute darkness, beyond all hope of rescue. Based on his unprecedented access to logs and journals as well as hours of personal interviews, James Tabor has crafted a thrilling exploration of man’s timeless urge to discover—and of two extraordinary men whose pursuit of greatness led them to the heights of triumph and the depths of tragedy. *Blind Descent* is an unforgettable addition to the classic literature of true-life adventure, and a testament to human survival and endurance. “Holds the reader to his seat, containing dangers aplenty with deadly falls, killer microbes, sudden burial, asphyxiation, claustrophobia, anxiety, and hallucinations far underneath the ground in a lightless world. Using a pulse-pounding narrative, this is tense real-life adventure pitting two master cavers mirroring the cold war with very uncommonly high stakes.”—Publishers Weekly (starred review) “A fascinating and informative introduction to the sport of cave diving, as well as a dramatic portrayal of a significant man-vs.-nature conflict. . . . What counts is Tabor’s knack for maximizing dramatic potential, while also managing to be informative and attentive to the major personalities associated with the most important cave explorations of the last two decades.”—Kirkus Reviews Includes a 16-pg black and white insert

The Descent of Man Grayson Perry, 2017-05-30 What does it mean to be male in the 21st Century? Award-winning artist Grayson Perry explores what masculinity is: from sex to power, from fashion to career prospects, and what it could become—with illustrations throughout. In this witty and necessary new book, artist Grayson Perry trains his keen eye on the world of men to ask, what sort of man would make the world a better place? What would happen if we rethought the macho, outdated version of manhood, and embraced a different ideal? In the current atmosphere of bullying, intolerance and misogyny, demonstrated in the recent Trump versus Clinton presidential campaign, *The Descent of Man* is a timely and essential addition to current conversations around gender. Apart from gaining vast new wardrobe options, the real benefit might be that a newly fitted masculinity will allow men to have better relationships—and that's happiness, right? Grayson Perry admits he's not immune from the stereotypes himself—yet his thoughts on everything from power to physical appearance, from emotions to a brand new Manifesto for Men, are shot through with honesty, tenderness, and the belief that, for everyone to benefit, updating masculinity has to be something men decide to do themselves. They have nothing to lose but their hang-ups.

The Descent Alma Katsu, 2014-01-07 A conclusion to the trilogy that includes *The Taker* and *The Reckoning* finds Lanore tracking Adair to a mystical island to request his help securing Jonathan's release from imprisonment by the Queen of the Underworld, a favor that involves a dubious promise.

Descent Tim Johnston, 2015-12-01 Don't miss Tim Johnston's new novel, *The Current*, coming January 22, 2019! "Read this astonishing novel . . . The magic of his prose equals the horror of Johnston's story." —The Washington Post The Rocky Mountains have cast their spell over the Courtlands, who are taking a family vacation before their daughter leaves for college. But when Caitlin and her younger brother, Sean, go out for an early

morning run and only Sean returns, the mountains become as terrifying as they are majestic. Written with a precision that captures every emotion, every moment of fear, as each member of the family searches for answers, *Descent* races like an avalanche toward its heart-pounding conclusion. The Gates of Thelgrim Robbie MacNiven, 2021-10-05 A reluctant trio are forced to investigate a mystery city, but in doing so find themselves fighting a demonic atrocity, in this staggering action novel set in the epic fantasy *Descent* games. When three separate adventurers are hired to investigate the recent sealing of Thelgrim, the great Dunwarr dwarf city, all three have misgivings. One is a wanted criminal and the other two have no wish to work together - but when the money is this good, it's hard to refuse. As the three head to Thelgrim by secret path, none of them know what awaits them. Terrinoth is in upheaval: new threats are rising, and this one comes from the dark.

Descent Brad Matsen, 2007-12-18 In *Descent: The Heroic Discovery of the Abyss*, Brad Matsen brings to vivid life the famous deep-sea expeditions of Otis Barton and William Beebe.

Beebe was a very well-connected and internationally acclaimed naturalist, with the power to generate media attention. Barton was an engineer and heir to a considerable fortune, who had long dreamed of making his mark on the world as an adventurer. Together, Beebe and Barton would achieve what no one had done before--direct observation of life in the blackness of the abyss. Here, against the back drop of the depression, is their riveting tale.

Humanity's Descent Richard Potts,1996 Discusses recent theories of human evolution, and looks at how changing ecology has shaped human development.

The Descent of Anansi Larry Niven,Steven Barnes,1991-04-15 It's the American Revolution all over again. But this time it's a ragtag band of space colonists vs. the United States. And the fate of the world hangs by a thread--200 miles above the earth.

Descent Roland Smith,2020 In a thrilling novel from the best-selling author of *Peak*, mountain-climbing prodigy Peak Marcello faces his toughest challenge yet as he descends into Tibet and goes head-to-head with an old enemy.

The descent, a poem ,1903

Descent Helen Hardt,2020-10-20 The end to his story has already been written... Brad Steel made a promise to his wife and children—to create a legacy born from his love for them and his desire to protect them from harm. It was a worthy ambition... But along the way, something went terribly wrong. Daphne Steel loves her husband beyond measure and will stand by him no matter what, even when it's more than she can deal with. She escapes when she must, still always putting Brad and their children first. Mysteries deepen, secrets are unveiled, and Brad vows to continue to protect his family at all costs. But is the price too high? The lies and misdeeds get easier and easier, until he descends to a place he swore he'd never go. There's no turning back, though, and his actions have consequences—for those he

did everything to protect.

The Long Descent John Michael Greer, 2008-09-01 Americans are expressing deep concern about US dependence on petroleum, rising energy prices and the threat of climate change. Unlike the energy crisis of the 1970s, however, there is a lurking fear that, now, the times are different and the crisis may not easily be resolved. *The Long Descent* examines the basis of such fear through three core themes: Industrial society is following the same well-worn path that has led other civilizations into decline, a path involving a much slower and more complex transformation than the sudden catastrophes imagined by so many social critics today. The roots of the crisis lie in the cultural stories that shape the way we understand the world. Since problems cannot be solved with the same thinking that created them, these ways of thinking need to be replaced with others better suited to the needs of our time. It is too late for massive programs for top-down change; the change must come from individuals. Hope exists in actions that range from taking up a handicraft or adopting an obsolete technology, through planting an organic vegetable garden, taking charge of your own health care or spirituality, and building community. Focusing eloquently on constructive adaptation to massive change, this book will have wide appeal.

The Descent Series Complete Collection SM Reine, She was destined to be a weapon. Elise Kavanagh is good at one thing: killing demons, angels, and gods. For years, she was the death that supernatural creatures feared. More myth than woman, she walked the Earth as the embodiment of vengeance. But Elise doesn't want anything to do with destiny. She wants time off to spend with the man who has long protected her body and mind. James Faulkner is a powerful witch, and the only one she trusts to protect her identity. Together, they try to become normal people...whatever that means. Destiny hasn't forgotten her. It's not easy to retire when you were born to be a killing machine. Old enemies still hold bitter grudges against Elise. The

demon overlord of her new home isn't happy to have the Godslayer hiding out in her territory. And there are still gods that need to be killed... There's only one way out of this. Elise must descend into the infernal to become the very thing she's spent most of her life fighting: a powerful demon that feeds upon human flesh. A creature that might survive slaying God. This collection contains all seven books of The Descent Series, as well as three short stories interspersed with the books. Deep Descent Kevin F. McMurray, 2002-07-09 On a foggy July evening in 1956, the Italian cruise liner Andrea Doria, bound for New York, was struck broadside by another vessel. In eleven hours, she would sink nearly 250 feet to the murky Atlantic Ocean floor. Thanks to a daring rescue operation, only 51 of more than 1,700 people died in the tragedy. But the Andrea Doria is still taking lives. Considered the Mt. Everest of diving, the Andrea Doria is the ultimate deepwater wreck challenge. Over the years, a small but fanatical group of extreme scuba divers have investigated the Andrea Doria, pushing themselves to the very limits of human endurance to explore her -- and not all have returned. Diver Kevin McMurray takes you inside this elite club with a hard, honest look at those who go deeper, farther, and closer to the edge than others would ever dream. Deep Descent is the riveting true story of the human spirit overcoming human frailty and of fearsome, mortal risks traded for a hard-core adrenaline rush. Chronicling these adventures in his page-turning narrative and in dozens of dramatic photos, McMurray draws us deeper into the cold heart of the unforgiving sea, giving us a powerful vision of a place to which few will ever have the skills -- or the courage -- to go.
