Humphrey Wynn

Desert Eagle 1 Ken Wakui, 2022-07-05 Ichigo Washio is a young man with a bright future—a bright future, that is, within the gangs of Shinjuku. When he meets Ringo Takamizawa, a fellow student hell-bent on revenge on those who took everything from his mother, the gregarious Ichigo doesn't think twice about helping Ringo—even when it means it'll pit Ichigo against men he's looked up to his whole life. But Ichigo knows he's in the right, and with his new friends and a healthy dose of stupidity to guide him, he's ready to return justice to Shinjuku's streets! From the author of *Tokyo Revengers*!

Desert Eagle Ken Wakui, 2022-08-02 The Kabukicho neighborhood of Shinjuku, Tokyo is a chaotic mixture of everything at once—beauty, ugliness, justice, and injustice. Into this town was born a child with just one dream—to protect his friends Ringo and Sakura. Whether it's the Kaburagi gang, the Ten'ichi Union, or the mysterious Grimm, Ichigo Washio is ready to struggle among all these evil giants to win a future for himself!

The Desert Eagle Rides Again John W. Finney, 1939

Desert Eagle 3 Ken Wakui, 2022-09-06 Assault, robbery, arson, murder... In the dark neighborhood of Shinjuku, there's an outlaw

security firm that protects the people the law can't help out. From nightclub security to guarding restaurants and keeping VIPs safe, it provides everything a red-light district needs to survive. And when Ichigo encounters its president Kuromitsu Shishigami, it changes his entire life!

Desert Eagle 5 Ken Wakui,2022-11-29 A shadowy organization looms large over the Kabukicho neighborhood-a red-light district Ten Kunimiya's attempting to seize for himself! With the previous balance between the area's underground gangs demolished, only one man can stop him now. Reunited with his friend Apple, Ichigo Washio-once all alone in the world-now has a small army on his side as he prepares for the final confrontation!

Desert Eagle 4 Ken Wakui,2022-10-04 Ichigo's taken on an under-the-table bodyguard job for a woman who's about to default on a huge amount of money! Through all his trials and tribulations at the illegal security firm Li-On, he's learned a thing or two about what it means to protect someone...but the Ten'ichi Union is about to hatch a conspiracy that could rock not only Shinjuku, but all of Japan!

Desert Eagle Alan Lee,2022-10-31 Deputy US Marshall Manny Martinez may be up to his ears in personal aggravations, but Lady

Liberty calls anyway--Sinatra is needed once again. An American living in Abu Dhabi has been targeted by a terrorist group hellbent on damaging geopolitical relations in the Middle East. The American is in the wrong place at the wrong time, and is destined to die a grisly death unless Sinatra and Noelle Beck get there first. Like a fish out of water, Sinatra finds himself in a culture not his own, relying on people he can't understand, and working in a makeshift team on foreign soil. New faces and old collide in the race against time, and if Sinatra wants to preserve the sanctity of American life, he'll have to decide which sacrifices are worth it and which are not. --from page [4] of cover.

Kat and the Desert Eagle: the Declassified History of World War II Michael Beals, 2019-06-22 Commander Fleming of Britain's Naval Intelligence is sent on temporary assignment to the SOE (Special Operations Executive) (AKA Churchill's Secret Army) and charged with bringing together a team of Commandos to kidnap an aeronautics engineer in Italy who is developing jet engines for the Germans. Commander Fleming recruits Kat and her team of Commandos to capture that aeronautics engineer and bring him to London. But Kat never seems to follow orders and ends up in Algeria for something more grand than just a aeronautics engineer.

What the team finds instead is more than they had bargained for. But Kat, like all good Commandos, when they find they are in stuff over their heads... They concoct a preposterous plan and pray they live thru it... The next book in the series has Kat and her team joining forces with David Sterling's SAS (Special Air Service). Commander Fleming believes the SAS could use her special talents by assisting the SAS in their hit and run raids on German air bases. The first chapter at the end of Kat And The Desert Eagle. If you like my book cover art, you can download the artwork at deviantart. More books with Kat's Adventures. The Adventures Of Kat's Commandos, Apocalypse In Time, Civil War 2: President For Life. The Favorable Wild Master Dong Fangshaoshuai,2019-12-02 Crazy! The one who caught him was his fiancée, and the one who called him a beauty was his old classmate. Even the beautiful landlady who was with him everyday was a pawn planted by someone else! Humph! Playing tricks? It's my forte to play dumb and play the pig to eat the tiger. Competing on courage and insight? Fighting, saving the beauty, that is my specialty! It was a combination of handsome and strong, tyrannical and rogue. This was the most qualified prince consort in the modern city ...

The Life of Dexter K. King Dekevin Arscott,2015-04-30 Ever felt that you were always destined for something bigger? Well, that enigmatic feeling is the epitome of eighteen year old Dexter K. King. With a father who has mysteriously been missing for eight years and a mother barely ever seen at home, Dexter is an aspiring anomaly, yet forced to live a mundane and orthodox life thronged with attending high school classes he despises, silently observing his unrequited love from afar with no avail and no signs of progression, and practicing martial arts with a dream of using his strength to impact the world for the better and leave his legacy for history to teach the many generations to come. Suddenly, Dexter's perception of the world as well as his perception of himself violently crumbles before him when a couple of intimidating men in expensive suits visit his home, demanding that he reveals where his mother is. What would these kinds of men want with Dexter's

mother? Well, it turns out that Dexter's father was really the leader of a powerful and ruthless criminal gang, and after recently dying, his remaining family must also be eradicated so their secrets can continue to be concealed-as noted in their organization's creed. So what does Dexter do to avoid the death of himself and his mother? He takes the place of his father and joins the gang of course! And thus, Dexter's metamorphic journey into the deep abyss known as fate begins. This road into oblivion is grave, instilled with murder, grief, regret and betrayal, and yet, this path is also infused with life, love, happiness, and the truth-two sides of the same coin.

Welcome to the Okami, a pack of bloodthirsty wolves that reign over the underworld with staggering authority, a merciless band of warriors that claim power as their only divine ruler, a triumphant troupe of soldiers that create an orchestra of chaos and destruction wherever they choose to roam, and the leader of them all, Dexter King.

The Complete Encyclopedia of Pistols and Revolvers A.E.

Hartink,2013-01-03 This extensive and useful encyclopedia is specially written for sport shooters, weapons collectors, and government officials. Inside readers will find: an extensive glossary of technical terms and types of ammunition, complete with full color

illustrations Information on arms manufacturers and makes of pistols from around the world; detailed descriptions of each weapon, often accompanied by its history and development Information on handguns of the nineteenth, twentieth, and twenty first centuries; an extensive index to help readers find specific weapons or subjects; and hundreds of color photographs of pistols and revolvers. Listed in alphabetical order by manufacturer, the principal data for individual guns is given, along with extensive information on the development of each weapon. The book addresses all the technical terminology, such as the locking and safety systems of pistols and revolvers, as well as information on handgun ammunition. Readers will find all the important models listed in this reference book.
