Desert Gold and The Light of Western Stars Zane Grey,2018-07-31 This tall Premium Edition contains two complete novels by the legendary New York Times-bestselling writer of the west. Original.

Father of Money Jason Whiteley,2011 In March 2004, Capt. Jason Whiteley was appointed the governance officer for Al Dora, one of Baghdad's most violent districts. His job was to establish and oversee a council structure for Iraqis that would allow them to begin governing themselves.The nature of persuading Iraqis to support the coalition quickly progressed from simply granting them privileges to ignore curfews to a more complex relationship defined by illicit dealing, preferential treatment, and a vicious cycle of assassination attempts. In these streets of Al Dora,Whiteley was feared and loved as the man they called Abu Floos--or Father of Money.Father of Money is the story of Captain Whiteley's journey into a moral morass, where bribes and blood money, not principle, governed the dissemination of power and possibility of survival. The Iraqi people did not have the patience to withstand daily violence while they waited for the American ideals to crystallize. Captain Whiteley acted to fill this void by allying himself with the leaders who had the best chance of consolidating power, even if they were former insurgents. Eventually, because of these efforts,Captain Whiteley was himself targeted for assassination, signaling an end to his period of extensive influence.Although Captain Whiteley viewed this as a failure, he knew that he needed to reveal a part of Iraqi society that few Americans would ever witness. By delving into the Iraqi culture,Captain Whiteley had dispensed justice, divined futures, and bestowed fortunes in a way the Iraqi people understood and appreciated.This is the story of how change actually occurs in a society devoid of order.

Death Line Gold Eagle,1999 Funny and feisty true-crime writer Dakota Phillips has almost everything she wants. She's still looking for the perfect man: very tall, very educated and very cultured-all wrapped up in rich chocolate brown. So far, her insecurities about her generous curves and her independent streak have kept her searching. Nick is a self-made mogul who works hard, plays hard and loves life's finer things. He's not perfect, but he makes Dakota feel beautiful, desirable-and maybe a little too vulnerable. Dakota can't surrender to a take-charge man, and Nick has worked too hard for everything to give up control. Moving on would be easy-except for a little complication called love.

Reapers of The Grimm Brotherhood: The Complete Series Kel Carpenter,Meg Anne,2020-12-10 A Paranormal Romantic Comedy with Ghosts, Gods, and Grimm Fairytales by USA Today Bestselling urban fantasy romance authors Kel Carpenter and Meg Anne. . . I'm the first female reaper. Ever. It would be cool, if not for the boy's club secret society that would rather silence me than accept me as one of them. Instead, I have to hide my bad*ss magic from the supernatural community like some sort of knock off Clark Kent. My dislike for glasses aside, hiding my newfound reaper identity isn't the easiest when the whole reason I returned home was to find out what happened to my brother. Learning I'm a reaper, like him, wasn't part of the plan. Neither was working with his sinfully attractive best friend. Graves is as arrogant and bad-tempered as they come. As the unofficial leader of the Grimm Brotherhood, he's not exactly my first choice as a partner. But if there's one thing we can agree on, it's that my brother's death wasn't an accident. He was murdered. And the talking stuffed animal I found in his things, might just be my first clue as to how. Together with my brother's best friend, a demonic crocheted sheep, and my bubbly personality--I'm going to get to the bottom of this. Hopefully I won't die, or worse, lose my heart in the process. Author's Note: The boxset contains the complete Reapers of the Grimm Brotherhood series. If you like secret societies, mysterious small towns, and slow-burn urban fantasy romance--you'll probably love this series. Fans of K.F. Breene, Shannon Mayer, Deborah Wilde, and Carrie Pulkinen should one-click right now!

Gold Steven Savile,2018-09-24 The dying begins now. "I am Solomon. Remember my name. How could the world forget? The cardinals were dead, murdered with the eyes of the world watching intently. The people that were supposed to protect them had failed spectacularly. The promise had been for forty days and forty nights of fear. Now the dying has begun with that first burning body in Trafalgar Square. The media speculate that it is an attack on faith, that Solomon is out to destroy all symbols of Christianity. They fear for the holy relics, the Shroud of Turin, the Spear of Destiny, all of the fragments of the true cross, anything and everything sacred to Rome, but it is much more than that. Forty days and forty nights of fear. Can the world survive the nerve-shredding anxiety that kind of fear brings with it without turning on itself? As the first ghost planes falls out of the sky, all of its passengers and crew dead, killed by some toxic nerve agent released by one of Solomon's sleeper agents, the answer seems to be a resounding no. The enemy is too big. Too strong. The stakes too high. But that impossible fight was exactly the kind of threat his team of misfits had been assembled to face down. They were the only ones capable of acting outside the law, no restrictions on how far they can go to protect the Realm, no action too extreme - because they aren't there. They don't exist. Everything they do and have done is deniable. PRAISE FOR STEVEN

Stalking Reapers and Other Failed Dates Kel Carpenter, Meg Anne, 2020-03-09 I found my brother's murderer, by becoming his next victim. The asshole killed me, too. But little does he know—I came back. Again. Now he's going down. But before I can destroy him, I need to resolve the little issue of me not dying. That's twice now I've cheated death. Something's not right. Graves doesn't think I'm a reaper, and the ghosts seem to agree with him. They say that I'm different. That I'm more. All I know is that things are getting real weird in Farrow's Square.

Wish someone would have prepared me for stalking reapers and succubi sorority parties, but apparently that's too much to ask.
