

Deva

Jacquelyn E. Lane

Deva Jacquelyn E. Lane, 2020-06-16 An in-depth introduction to the Deva Kingdom and our relationship with Deva • Explores how we partner with Deva in our everyday lives to evolve both our kingdom and theirs • Explains the hierarchy of the Deva kingdom, from elementals and nature spirits to higher angelic Deva and every level in between • Offers suggestions on how to communicate with the Deva of trees and plants as well as the angelic kingdom • Shares the author's personal experiences with Deva around the world Nature spirits, faeries, gnomes, and their higher angelic counterparts who overlight landscapes, mountains, rivers, and plants have held a fascination for people worldwide for countless generations. The Deva kingdom is essentially the world's form builders, the symphony at the heart of Creation, yet Deva is so much more than the joyful beings that animate what we call Nature. We each have a very personal and direct relationship with Deva via our physical, astral, emotional, and mental elementals, but this connection has been forgotten or, at the very least, overlooked. When we partner with Deva in our everyday lives, we can help evolve both our kingdom and aspects of theirs. Exploring the realm of Deva and our relationship with them, Jacquelyn E. Lane introduces us to the hierarchy of the Deva kingdom, from elementals and nature spirits to higher Deva and the levels in between. She examines the metaphysics that underlie their existence and how the energy of Deva is intrinsic to all that we experience. Deva is a Sanskrit word meaning "Being of Light," an appropriate name as Deva sing light out of the primordial darkness to create forms for Being. Sharing her personal experiences with Deva in many lands over four decades, the author investigates our relationship with Deva, in particular via the elementals of our human constitution, and how we can communicate with the Deva of trees and plants as well as the angelic kingdom. Through scientific discoveries and cultural traditions, we discover the impact we have on Deva and how we use and even "create" new forms of Deva via our inventions and collective activity. Jacquelyn also looks at the orchestrating function of higher Deva and the wider implications of our understanding of Deva, including the role of Deva in Pan consciousness--our increasing realization of the intricate matrix of life within and between all the kingdoms on Earth. Offering not only an in-depth introduction to the world of Deva but also a glimpse of their wisdom, humor, and joy, this book reveals how we can begin to hear their complex song, find our own song, and work with the appropriate subtle layers of the Deva kingdom to grow and evolve.

The Deva Handbook Nathaniel Altman, 1995-06 Draws on native traditions around the world as well as modern teachings to explore the significance of the devas often known as angels, orishas and the shining ones. B/W photos.

Wisdom of the Plant Devas Thea Summer Deer, 2011-08-19 Consulting plant spirits for spiritual and psychological guidance and healing • Reveals how, by communing with the deva or spirit of a plant, we can call forth its medicine without even needing to ingest it • Includes wisdom from the devas of 13 herbs, such as rosemary, datura, and uva ursi • Empowers readers with the tools to develop their own inner resources for healing in relationship with the plant devas around them Each plant has a story to share with us, a healing story to guide us in trying times, a spirit medicine for the New Earth that is presently unfolding. Herbs are some of the most powerful allies we have for these transitional times--we just need to learn how to listen as they share their knowledge with us. In *Wisdom of the Plant Devas*, Thea Summer Deer reveals a new dimension of herbal medicine, one where the plant's spirit is consulted for guidance and healing beyond the physical. Examining the botany, modern and traditional uses, history, and folklore of 13 special herbs, such as rosemary, uva ursi, and datura, she shares divinations and messages from their devas, or plant spirits, explaining how these stories carry the herbs into our lives, letting them work their magic on us. Exploring herbal medicine from an energetic perspective, she reveals that by communing with the deva of a plant, we can call on the plant's physical, psychological, and spiritual medicine and guidance--without ingesting it or even being in its presence. Detailing the sacred space of a Medicine Wheel Garden, whether in a backyard or our imaginations, she connects us with the devas and empowers us to seek our own answers with their much-needed spiritual guidance and divinatory advice. Creating a bridge between

botanical medicine and plant spirit medicine, she shows how by coming into community with the devas and co-creating with the world of nature, we can gain tremendous insights to help heal our hearts, our minds, and our spirits and consciously evolve as together we birth the New Earth.

Deva Leela Shunyo Mahom, 2016-05-27 **DEVA LEELA** (Divine Play) is a poetic autobiography, a love story, a delightful insightful window into the luminous world of mystics and a playful spoof on imaginary religious beliefs.

Deva Bhumi, 2020

The Body Deva Mary Mueller Shutan, 2018-03-20 A step-by-step guide to accessing the body deva, your body consciousness, for physical, emotional, mental, and spiritual healing • Details how to dialogue with the consciousness of your body to heal a variety of issues, from physical pains to limiting beliefs • Explains how our bodies, consciousness, and spirit are interconnected and how our physical bodies hold emotions and past traumas • Explores how to work with the body deva to heal spiritual patterns through the physical body, including techniques of ancestral healing, past life healing, and karmic resolution We are not our pain or our disease, nor are we defined by our limitations, restrictions, or the labels given to us. We are a whole body, a consciousness, and a spiritual being. As a holistic, interconnected being, our emotions, beliefs, physical pain, past traumas, and even imbalances created through spiritual issues are held within our physical form. By accessing them through the physical body with the body deva--the spiritual consciousness of our human body--we can heal the continuum of mind, body, and spirit. Understanding this is the true key to healing. In this step-by-step guide to understanding and working with the body deva, the consciousness of your body, Mary Mueller Shutan explains how our bodies hold the traumatic energies, emotions, physical issues, and restricting beliefs that cause us pain and feelings of disconnection. She details how to make contact and dialogue with your body deva to heal a variety of issues, from physical pains to ancestral and past life patterns to limiting ideas about what we can accomplish in this world. By working with the body deva, she shows how we can discover the reasons why our pain, beliefs, or imbalances developed and resolve them to heal mind, body, and spirit, every layer of our being. She explores how to work with the archetypes, labels, limiting beliefs, and myths that underlie our unique history and reasons for being. Shutan also examines how to work with the body deva to heal spiritual patterns through the physical body, including techniques of ancestral healing, past life healing, and karmic resolution. By learning to dialogue with the body deva, you can understand who you are on the deepest levels. You can learn why your pain and imbalances came to be and what lies unhealed within you. You can evolve beyond the limitations and restrictions in your body and your life and evolve into greater health, connection, joy, and consciousness.

The Generic Development Language Deva Matthias Weber, Martin Simons, Christine Lafontaine, 1993-10-28 This book summarizes work done by the authors under the Esprit Tool Use project (1985-1990), at GMD in Karlsruhe and at Berlin University of Technology. It provides a comprehensive description of the generic development language Deva designed by the authors. Much of the research reported in this monograph is inspired by the work of Michel Sintzoff on formal program development; he contributed an enlightening Foreword. Deva is essentially a typed functional language with certain deduction rules. The difference with ordinary languages is, of course, the application domain: the types serve here to express propositions such as specifications or programs, rather than just data classes. Its practical applicability was tested on several non-trivial case studies. The whole book is written using the DVWEB system, a WEB for Deva, being implemented at the Berlin University of Technology.

A rapid sketch of the life of Raja Radhakanta Deva Bahadur, with some notices of his ancestors and testimonials of his character and learning by the editors of the Raja's Sabdakalpadruma, 1859

Fortune's Folly Deva Fagan, 2009-04-14 Ever since her mother died and her father lost his shoemaking skills, Fortunata has survived by telling fake fortunes. But when she's tricked into telling a grand fortune for a prince, she is faced with the impossible task of fulfilling her wild prophecy—or

her father will be put to death. Now Fortunata has to help Prince Leonato secure a magic sword, vanquish a wicked witch, discover a long-lost golden shoe, and rescue the princess who fits it. If only she hadn't fallen in love with the prince herself !

Deva-Dasi A. Mardaan,2011-10-01 The Story Of Laxshima, Temple Dancer And Bride Of The Gods.

The Children of Gaia ,2013 It is a time of great turbulence on the planet the elves call Gaia. Disturbing signs are abroad in the forests. The web of life that gives Gaia its pearly shine are being torn apart and destroyed. Species upon species are disappearing and the elves fear for the survival of their own people they ere created to care for. Payun charges the young elf Khoros to send a song to the farthest parts of Gaia. Far in the south of the world its tantalising strains are heard. Steve and Sarah are grappling with adolescence, with their exceptional ability to see the life behind the trees they love, and with local environmental problems against which they feel helpless. Khoros must contact these two and enlist their aid, despite the barriers of distance and dimension. Their quest takes the three friends on an adventure of body and mind, and through personal struggles as they try to fulfill their mission against seemingly insurmountable odds. (publisher).

Nightingale Deva Fagan,2021-04-20 After twelve-year-old Lark, determined to escape her squalid life, steals a magical sword from the Royal Museum, she reluctantly becomes the next Nightingale, destined to vanquish an ancient evil.
