Avatar Tuner Yu Godai,2017-09-05 In the post-apocalyptic Junkyard, a mysterious religious order known only as the Church watches over the brutal competition between warring tribes as they vie to unify six territories and thereby gain access to Nirvana, the promised land. But the rules of the competition have changed, and the Junkyard has been thrown into chaos after its inhabitants are granted not only demonic transformation powers, but their first taste of human emotion. The Manitou Graham Masterton,2014-05-27 An ancient vengeful spirit attempts to return through the body of a terrified young woman in this horror classic by an award-winning “master of the genre” (Rocky Mountain News). Phony psychic and conman Harry Erskine never really believed in the occult until Karen Tandy approached him with a rapidly growing tumor on her neck, complaining of dark and disturbing dreams. When the mass is revealed by doctors to contain something living, the stakes skyrocket—not only for Karen and Harry but for all humanity. Something terrible is returning from the shadows to which it has been confined for centuries—a Native American monstrosity determined to destroy every vestige of the white race that oppressed and preyed upon America’s Indians. And unless a motley group of ill-prepared defenders can harness an ancient native magic, there will be no stopping the malevolent shaman’s terrible rebirth—and no escaping the wholesale carnage it will engender. The Manitou introduced the great Graham Masterton to the canon of horror, instantly placing him among the genre’s elite. A longtime favorite for its bold originality, unrelenting creepiness, supernatural shocks, and otherworldly surprises that would have made H. P. Lovecraft proud, Masterton’s classic continues to stand tall alongside Stephen King’s Carrie, Peter Straub’s Ghost Story, and other unforgettable literary horror debuts.

Soulless Jim DeRogatis,2019-06-04 The essential account of R. Kelly’s actions and their consequences, a reckoning two decades in the making In November 2000, Chicago journalist and music critic Jim DeRogatis received an anonymous fax that alleged R. Kelly had a problem with “young girls.” Weeks later, DeRogatis broke the shocking story, publishing allegations that the R&B superstar and local hero had groomed girls, sexually abused them, and paid them off. DeRogatis thought his work would have an impact. Instead, Kelly’s career flourished. No one seemed to care: not the music industry, not the culture at large, not the parents of numerous other young girls. But for more than eighteen years, DeRogatis stayed on the story. He was the one who was given the disturbing videotape that led to Kelly’s 2008 child pornography trial, the one whose window was shot out, and the one whom women trusted to tell their stories—of a meeting with the superstar at a classroom, a mall, a concert, or a McDonald’s that forever warped the course of their lives. Soulless: The Case Against R. Kelly is DeRogatis’s masterpiece, a work of tenacious journalism and powerful cultural criticism. It tells the story of Kelly’s career, DeRogatis’s investigations, and the world in which the two crossed paths, and brings the story up to the moment when things finally seem to have changed. Decades in the making, this is an

outrageous, darkly riveting account of the life and actions of R. Kelly, and their horrible impact on dozens of girls, by the only person to tell it.
