The Diadem Saga Books 1–3 Jo Clayton,2018-05-01 A young outcast gains remarkable psi-powers from a mysterious crown in this magnificent blend of space opera and epic fantasy quest. Jo Clayton opens wide the portals into an awe-inspiring galaxy of marvels and terrors with her Diadem Saga—an impressive combination of science fiction world-building and quest fantasy storytelling that rivals the classic works of Mercedes Lackey, Anne McCaffrey, Marion Zimmer Bradley, Andre Norton, and C. J. Cherryh—and introduces a “positive, aggressive, and interesting” heroine, the nomad Aleytys (Popular Culture). Within the breathtaking scope of her unique universe, “Clayton has the gift of creating believable aliens and alien worlds, and a lively, vivid, often lyrical style” (Science Fiction and Fantasy Book Review). Diadem from the Stars: Abandoned by her space-traveling mother and forced to flee her superstitious primitive tribe, Aleytys discovers an alien crown of unimaginable power. Once the diadem’s great energy is transferred to her, it becomes an integral part of who she is and will be. But the diadem is stolen property, taken from a vengeful arachnid race—and Aleytys just became the most wanted woman in a dangerous universe. Lamarchos: On the barbarous planet Lamarchos, Aleytys is determined to do what it takes to survive and protect her infant son, even stealing a cache of powerful poaku stones. But despite the awesome power of the diadem, Aleytys falls victim to a treacherous betrayal and is pursued by a horde of zombie-like aliens. Irsud: Drugged and sold into slavery by the villain who stole her infant son, Aleytys must now serve as the hive queen of an alien insect/humanoid race on the planet Irsud, acting as a host body for the queen’s consciousness in a surgically implanted egg. With an enemy literally inside her, Aleytys must tap the power of the diadem to survive the ordeal and rescue her son.

Diadem from the Stars Jo Clayton,2016-08-09 Abandoned on an alien planet, a young woman gains remarkable powers from a mysterious artifact, in the first installment of a sprawling, unforgettable science fiction saga. A magnificent combination of space opera and epic fantasy quest in the beloved science fantasy tradition of Andre Norton and C. J. Cherryh, author Jo Clayton’s masterful Diadem Saga begins with an unforgettable tale of destiny, self-discovery, survival, and an extraordinary young woman’s coming of age in a world that is not her own. Raised, but never loved, by the barbarian valley people of Jaydugar, a planet of two suns, young Aleytys has always known she did not belong. Abandoned by her space-traveling mother and barely tolerated by a superstitious primitive tribe fearful of divine reprisals, Aleytys is forced to flee for her life following the catastrophic appearance of a fireball in the sky. Guided by her absent mother’s journals, the young outcast must now journey alone across an unfamiliar world of perils in search of an escape from this planet that holds no hope for her future. But her pursuit of a spacecraft and the parent who inexplicably left her behind leads young Aleytys instead to the miraculous device that will determine her destiny. An object of unimaginable power—a magical technology stolen from a vengeful alien arachnid race determined to recover it at any cost—the Diadem instantly becomes an integral part of who and what Aleytys is and will be. Once its great energy is transferred to her she will never be free of it, and mastering the Diadem’s wonders is Aleytys’s only hope for survival now that she has become the most wanted woman in a dangerous universe. In an astonishing feat of science fiction world-building and quest fantasy storytelling that rivals the classic works of Mercedes Lackey, Anne McCaffrey, and Marion Zimmer Bradley, Clayton opens wide the portals into a magnificent galaxy of marvels and terrors with Diadem from the Stars, ushering speculative fiction fans into an unforgettable universe and series.

But if they change anything -- anything at all -- they might wipe out the future ... including themselves--Page 3 of cover.

Diadem: Selected Poems Marosa di Giorgio,2012-10-16 Marosa di Giorgio has one of the most distinct and recognizable voices in Latin American poetry. Her surreal and fable-like prose poems invite comparison to Franz Kafka, Julio Cortázar, or even contemporary American poets Russell Edson and Charles Simic. But di Giorgio's voice, imagery, and themes—childhood, the Uruguayan countryside, a perception of the sacred—are her own. Previously written off as the mad woman of Uruguayan letters, di Giorgio's reputation has blossomed in recent years. Translator Adam Giannelli's careful selection of poems spans the enormous output of di Giorgio's career to help further introduce English-language readers to this vibrant and original voice. Marosa di Giorgio was born in Salto, Uruguay, in 1932. Her first book Poemas was published in 1953. Also a theater actress, she moved to Montevideo in 1978, where she lived until her death in 2004.

Together with a Diluvean team of mighty men and scholars, Hans and Feetz set out on a quest to recover a precious, ancient relic – the Diadem – believed to possess the power to deliver perpetual light to this underground world. But seven deadly perils stand in their way. In facing these challenges, Hans and Feetz lead you on an unforgettable adventure full of mystery, danger and heroism. Will the return of the Diadem bring the incomparable gift of light the Diluveans anticipate, or will it bring darkness and destruction? Ariadne's Diadem Sandra Heath, 2010-09-16 When Ariadne's Diadem disappears, Bacchus blames Gervase, Duke of Wroxford, and a hapless faun called Sylvanus. The Romanov Diadem Cedric Daurio, 2020-04-21 When the Russian Revolution broke out in 1917 and the Bolsheviks assassinated Tsar Nicholas II's family, large sectors opposed the new communist government. By means of the legendary Trans-Siberian Railway the rebels carried the imperial treasure to the heart of Asia and intended to resist from there. The Bolsheviks eventually defeated them but could not find a large part of the treasure including tons of gold bars and the Empress' jewelry. In modern times the descendants of those noble exiles follow certain clues as to the whereabouts of the treasure and turn to the Bluthund Community, a virtual group of scientists in different disciplines, to organize a search expedition in Siberia. However, various powerful groups have their own plans and will oppose their action. Intrigues, mystery and violence in the middle of the wild mountains of East Asia. A travel, suspense and action novel that will catch your breath from the start.

The Queen's Diadem Carl Jonas Love Almqvist, 1992 Almqvist's great novel of 1834 appears at long last in English translation. Although a German translation appeared over 50 years ago, the Swedish classic has been neglected in the English-speaking world. This is all the more remarkable because the novel has rightly been regarded by the Swedish critics as one of the absolute masterpieces of Scandinavian prose, and because the sensational event on which it is centred -- the assassination of King Gustaf III in 1792 -- is familiar to an international opera audience through the Verdi opera *Un ballo in maschera*.

Diadem of the New Jerusalem Daniel F. Owsley, 2012-03-10 1 In the Diadem of The New Jerusalem it shall be clear that the grand city of the clouds will soon be brought forth to our Lord's redeemed, after our Judgement Day has finally passed; But for now, God's quick nearing promise of the ages comes ever so swiftly, upon the real lofty breezes of His most amazing things. 2 For our Giver of Holy Rain will soon open up the windows of heaven very wide, so everyone may then easily see His end-time palatial creation, while it slowly descends upon the awesome billowy clouds of His uttermost appreciation; For Heaven is speedily coming down to our newest earth like a never ending spectacle of spectacular spectacles! 3 And without question, everyone that has followed in the ways of our Master Carpenter shall soon find eternal rest, within His endless shadow of unending peace, that was long ago built with the splintery wood from His excruciating painful cross of greatest burden. 4 For our Living Voice of Prophecy, being our Prince of Liberty, once spoke back in Revelation 3:12, while He stressed, Him that overcometh will I make a pillar in the temple of my God, and he shall go no more out: and I will write upon him the name of my God, and the name of the city of God, which is the New Jerusalem, which cometh down out of heaven from my God: and I will write upon

him my new name. 5 So everything that I'm now writing, is about the unveiled things, that are quickly expected to be plainly seen in the forthcoming infinite eighth day, and way beyond ever after. 6 And that marvellous before mentioned building, that shall stand far above all others, presently floats upon some real thick clouds of banded meteor dust, due to the absence of gravity. 7 But it will soon go without saying, that this long awaited Holy city shall always serve as a stupendous testimony, to the unconfined virtue, that our El Shaddai has always so freely given out to everyone. 8 And just as it was in the very beginning, so shall it be at the tail end! For our beloved Giver of New Wine, that once saved the very best of the grape for last, shall once again do likewise, while He speedily produces His greatest feat of all, after that old roaring black lion Satan has finally been banned evermore. 9 But the newest wine, that our Lord of Affirmations will soon bring through His Father's overflowing wine press of joy, shall then speedily be given to everyone that lives under the ringed nebula of Ursa Major. 10 And everyone will then happily toast that very last new world order, as their goblets of overflowing celebration are raised up real high, to our Father of Billions of Lights. 11 Then all of them shall quickly offer our Almighty some silent prayer of endless thanksgiving, while they joyfully clink their glasses together with some real unbounded enthusiasm. 12 But before that eighth day eventually begins, our kingly Crusader of Freedom shall then unexpectedly lift His eyes up towards the outer spaces of space, while He gently speaks forth some real powerful words of the kind of faith that can even move a whole universe or galaxy. 13 And His most mighty commands will then suddenly recreate our heavens and earth anew for the very last time; For that fact was even attested to within Revelation 20:11, which always declared the futuristic moment when our present earth and the heaven fled away; and there was found no place for them. And so shall it be! 14 But it should also be noted, that while those above things are instantaneously happening, that all of God's living souls will then be waiting in the heavenlies for their brand new home, to be finally established upon our very last new earth by our Glorious Majesty. 15 And with very eager expectations, all of creation shall then be impatiently holding it's breath, due to its real great anticipation of finally seeing our sparkling New Jerusalem. 9 Then the souls of our Lord's redeemed shall be swiftly consumed with some very bubbly excitement, while their reborn spirits steadily cry forth the driest tears of utter joy. 16 Happiness shall then be easily seen on all of the faces of the children of our planet, while they hoot and holler like they always did when they watched the funniest reruns of their favorite cartoons. 17 Even all of the charred inanimate creation shall then be anxiously awaiting the long expected moment, when it can finally receive the handiwork of our most true God, that always taught everyone that sorrow forever looks back, as worry looks around like crazy, while faith endlessly looks up with great expectation. 18 Moreover, the Apostle Peter was also given a vision of that very last transition time: In 2 Peter 3:10 he long ago wrote that the heavens will disappear with a roar, and the elements will be destroyed by fire, and the Earth and everything in it will be laid bare, one very last time. 19 But this forthcoming event of the greatest of events shall actually be the third cleansing, while also being one of total incineration. 20 For creation long ago witnessed the second purification of lesser fires, that came just before this current millennium of our Prince of Love came forth so painstakingly. 21 And most naturally, it also goes without any comment, that the great flood of Noah's day was our planet's very first cleansing, without soap.
