Diana Bill Adler,2010-12-28 In between her fairy-tale wedding and her premature death, there lived the most beloved royal presence of our century, surely as multifaceted as any celebrity of our time. The radical twists and turns in her brief life drew the fascination of millions. Yet the most photographed woman in the world was also the least quoted--her actual words were seldom heard, and never gathered, until now. This unique book is the result of a scrupulous worldwide search for every one of Diana's significant quotes. Upon reading this collection, one will find that behind her shy veneer dwelled a woman of extraordinary resourcefulness, stamina, and, perhaps above all, vulnerability. In fact, her open frankness about the events and people around her is both disarming and startling. The reader will discover the sharp clarity, endless warmth, and ready wit that she brought to her legendary life in this intimate self-portrait. This is the closest we will ever get to an autobiography from the People's Princess.

Diana, A Cultural History J. Davies, 2001-06-11 This book intervenes in debates over the significance of Diana, Princess of Wales by offering a critical account of her media iconicity from 1981 to the present. It outlines the historical development of representations of Diana, analysing the ways in which the Princess has been understood via discourses of gender, sexuality, race, economic class, the royal, national identity, and the human. The book then goes on to assess the issues at stake in debates over the 'meaning' of Diana, such as the gender politics of cultural icon-making and deconstruction, and conflicting notions of cultural value.

Diana Martyn Gregory, 2010-10-31 Was Diana murdered? Was the British Royal family involved? Was she pregnant and engaged to Dodi? Did the paparazzi or 'a blinding white flash' cause the crash? Was driver Henri Paul really drunk or were his blood tests switched? Since Princess Diana died in Paris on 31 August 1997 there have been more questions than answers about the crash that killed her, despite lengthy official French and British investigations. This is the authoritative and up-to-date study into the death of Diana, Princess of Wales, which includes unique access to Diana's close friends and bodyguards, French and British detectives who probed the crash, and the official French investigation's dossier into the crash.

The Lady Di Look Book Eloise Moran, 2022-07-19 Through a rich and beautiful series of images, British fashion journalist Eloise Moran decodes Princess Diana's outfits in this smart visual psychobiography of an icon. From the pink gingham pants and pastel-yellow overalls of a sacrificial lamb, to the sexy Versace revenge dresses, power suits, and bicycle shorts of a free woman, British fashion journalist Eloise Moran has studied thousands of pictures of Princess Diana. She soon discovered that behind each outfit lay a carefully crafted strategy: What Lady Di couldn't express verbally, she expressed through her clothes. Diana's most show-stopping—and poignant—outfits are all here in *The Lady Di Look Book*, incisively decoded. Moran sees things no one has before: Why, for example, did Diana have a rotating collection of message sweatshirts? Was she mad for plaid, or did the tartan have a deeper meaning? What about her love of costume jewelry on top of the tiaras and oval sapphire engagement ring? With new interviews from some of the people who dressed Diana, Moran's book is both a record of what Diana wore and why she wore it—and why we are still obsessed with Lady Di. From 1980s Sloane Ranger cottagecore Diana, to athleisure and Dynasty Di Diana, *The Lady Di Look Book* is both compulsively delightful and a full biography of the world's most beloved royal.

Diana, a Spencer in Turmoil Deb Stratas, 2018-08-31 A royal Princess is trapped in a loveless marriage. A relentless paparazzi stalks her every move. Explosive secrets about bulimia, suicide attempts, a cheating husband and a disintegrating fairy tale are about to be revealed to a stunned world. Can Princess Diana find a way to escape her gilded cage? *Diana, A Spencer in Turmoil* explores the extraordinary events of 1992 as they unfolded to that fateful moment when the British Prime Minister announced: It is announced from Buckingham Palace that, with regret, the Prince and Princess of Wales have decided to separate. My first novel, *Diana, A Spencer in Love* was published by Indigo Sea Press in April 2017. It told the story of the Princess's first extraordinary year of royal life as she met and married the Prince of her dreams. Or did she? This second book is a historical fiction novel that brings us to the year of the Andrew Morton book, affairs, eating disorders, and ultimately a marital separation. The third book in the series - *Diana, A Spencer Forever*, concludes the tale of the Princess of Wales in her final year of life. Why another book about Princess Diana? You can easily pick up dozens that chronicle her life in dates and events. That's not enough. *Diana, A Spencer in Turmoil* gives Diana a voice. I combine well-researched historical facts with a compelling storyline that makes the story of the Princess come to life for an ever-hungry international fan base. The recent resurgence of series like *The Crown* confirms the ongoing global interest in all things royal. Step back into 1991 and relive the troubled yet influential life of Princess Diana as she headed towards the end of her marriage, and life as she knew it as a royal Princess.
