How to Wash the Dishes Peter Miller, 2020-03-03 Find order and beauty in the kitchen with this delightfully elegant primer on washing the dishes that elevates and illuminates a seemingly routine chore. Washing the dishes is an ordinary, everyday task--but with examination and care, it can become much more. In this reverent guide to the household chore, Peter Miller shows us how washing dishes can become a joy, a delight, a meditative exercise, and an act of grace and rhythm. We pay so much attention to recipes but little attention to maintenance and cleanup. Washing the dishes is as much a part of making a meal as prepping the vegetables, making the sauces, or seasoning the meats. At times it is quite routine, sometimes raucous, other times complex. It is never convenient. Despite its din and clatter, and despite its reputation, washing the dishes is the coda to the meal. It is a bustling musical of water and soap, of flow and surface, and done well, the fragile shall sit as proudly as the cast-iron. There are some who do the dishes for the clarity and privacy of it, and there are some who relish the quiet isolation of putting things in order where they belong. There are some who feel the time and movement is a kind of digestive. In the evening in particular, there is a silence when it is all done. How to Wash the Dishes brings elegance, art, and a bit of mindfulness to the sink. It is the perfect gift for those who love to clean and equally as apt for those we wish would clean a bit more.

The Real Food Cookbook Nina Planck, 2014-06-10 When Nina Planck toured to promote her two earlier books, *Real Food* and *Real Food for Mother and Baby*, the question she heard most was, When are you going to write a cookbook??? At long last, *The Real Food Cookbook* is here. In a dietary landscape overfull with low-carb bread and dubious advice about triglycerides, Planck is revolutionary in her complete embrace of a more old-fashioned and diverse way of eating. Aptly described by the Washington Post as a cross between Alice Waters and Martha Stewart,?? Planck showcases traditional, real foods- produce, dairy, meat, fish, eggs-through tempting and straightforward recipes for the beginner or regular home cook. *The Real Food Cookbook* takes 150 classic dishes, from starters, soups, and salads to the center of the plate, to sweets and the cheese course, and makes them anew, transforming them with Nina's signature approach: using fresh herbs, good butter, seasonal fruits and vegetables, grass-fed and pastured meats, and whole grains. With essays and tips throughout, sharing Nina's own real-food lifestyle, *The Real Food Cookbook* will provide inspiration for any omnivorous cook or eater. Find recipes for every occasion: a cheese plate with drinks, a family Seder, Easter egg salads, a summer barbeque. Learn how Nina stocks her pantry and where she buys real food. Whether you're preparing the meals or simply eating them, everyone will enjoy the stories, feast on one hundred gorgeous full-color photographs, and beg the family cook to make the meals Nina loves.

100 Recipes Every Woman Should Know Cindi Leive, The Editors of Glamour, 2011-04-05 Once upon a time, there was an easy roast chicken recipe, handed down by a fashion editor at Glamour magazine to her assistant, who was in search of a dish to prepare for dinner with her boyfriend. She made the chicken. Her boyfriend loved it. He had seconds. And shortly thereafter, he proposed. But that's not all: Three more young women at the magazine made the chicken for the men in their lives who then, in short order, popped the question. Glamour published the recipe-dubbing it, naturally, Engagement Chicken-and since then, the magazine's editors have heard from more than 60 women who have gotten engaged after making the dish. Commitment-phobes be warned: This bird means business! Of course, there is more to life than weddings. And there's more to this cookbook than Engagement Chicken. 100

Recipes Every Woman Should Know also includes 99 of the magazine's other most-loved, best-reviewed dishes, all designed to get you exactly what you want in life, exactly when you want it. From Prove to Mom You're Not Going to Starve Meat Loaf to Impress His Family Chardonnay Cake, these recipes will help you cook with passion and persuasion. And they're all written with your real life and real needs in mind. Because whether you're a novice or an expert, cooking should never be intimidating-and it should always be fun. Don't miss these easy, essential recipes: He Stayed Over Omelet Skinny Jeans Scallops No Guy Required Grilled Steak Let's Make a Baby Pasta Forget the Mistake You Made at Work Margarita Bribe a Kid Brownies Hers and His Cupcakes Recently I met some beautiful young women from Glamour magazine. They make a roast chicken they call 'Engagement Chicken' because every time one of them makes it for her boyfriend, she gets engaged! How wonderful is that! That's the best reason I ever heard to make a roast chicken. -Ina Garten, Barefoot Contessa cookbooks
