

Distroyer

Wirt Williams

Destroyer of Worlds Mark Chadbourn,2012-05-22 It is the beginning of the end . . . The end of the axe-age, the sword-age, leading to the passing of gods and men from the universe. As all the ancient prophecies fall into place, the final battle rages, on Earth, across Faerie, and into the land of the dead. Jack Churchill, Champion of Existence, must lead the Brothers and Sisters of Dragons in a last, desperate assault on the Fortress of the Enemy, to confront the ultimate incarnation of destruction: the Burning Man. It is humanity's only chance to avert the coming extinction. At his back is an army of gods culled from the world's great mythologies - Greek, Norse, Chinese, Aztec, and more. But will even that be enough? Driven to the brink by betrayal, sacrifice and death, his allies fear Jack may instead bring about the very devastation he is trying to prevent . . .

The New Destroyer: Dead Reckoning Warren Murphy,James Mullaney,2008-04-01 Death takes no holidays. So small it can't be seen with the naked eye. So deadly it can wipe out millions in minutes. If you breathe it, you're already dead... A daring daylight prison break at a top security federal penitentiary frees the infamous 20th hijacker, the only 9/11 terrorist to miss his flight that September morning. It seems Mustafa Mohammed's been hiding a toxic secret right under the noses of federal authorities. Soon, hundreds start dying throughout the country; the CDC classifies the virus responsible as UNKNOWN. Luckily, Dr. Harold W. Smith always knows the most effective treatment for what ails America, and dispatches Remo Williams and his mentor, the magnificent Chiun, to administer the cure. But this time, the usual prescription might not be strong enough. Remo wants to destroy the bio-weapon. The antiwar crowd wants to steal it, the Iranians want to duplicate it, and poor little Mustafa just wants to use it to obliterate an American city and please his supernatural boss: a sinister figure with a skull-like face hell-bent on eliminating mankind. With millions of lives in the balance, this is one day the Destroyer can't call in sick. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Best of the Destroyer Warren Murphy,Richard Sapir,2007-05 A single-volume collection of three favorite Destroyer novels includes Chinese Puzzle, in which Remo and Chiun thwart an Asian conspiracy; Slave Safari, in which Remo tackles a centuries-old slave trade in Africa; and Assassins Play-off, in which Remo and Chiun are targeted by a rival assassin. Original. 20,000 first printing.

United States Destroyer Operations in World War II. Theodore Roscoe,1953

USN Destroyer vs IJN Destroyer Mark Stille,2012-11-20 This book covers the fierce night naval battles fought between the US Navy and the Imperial Japanese Navy during late 1943 as the Allies advanced slowly up the Solomons Islands toward the major Japanese naval base at Rabaul. During this period, several vicious actions were fought featuring the most modern destroyers of both navies. Throughout most of 1942, the Imperial Navy had held a marked edge and a key ingredient of these successes was their destroyer force, which combined superior training and tactics with the most capable torpedo in the world. Even into 1943 mixed Allied light cruiser/destroyer forces were roughly handled by Japanese destroyers. After these battles, the Americans decided to stop chasing Japanese destroyers with cruisers so the remainder of the battles in 1943 (with one exception) were classic destroyer duels. The Americans still enjoyed the technical edge provided to them by radar, and now added new, more aggressive tactics. The final result was the defeat of the Imperial Navy's finely trained destroyer force and the demonstration that the Japanese were unable to stop the Allies' advance.

The New Destroyer: Killer Ratings Warren Murphy,James Mullaney,2008-07-29 Don't Touch That Dial! In the cutthroat world of evening news, where if it bleeds it leads is the industry's lifeblood, the dead-last BCN network is hemorrhaging viewers. On the chopping block is million-dollar anchor Kitty Coughlin, who is one ratings point away from early termination. But when a group of armed men hijack her plane and stage a spectacular near-miss of one of America's most famous landmarks, Kitty's eyewitness account helps BCN achieve a remarkable ratings rally. Kitty is riding high...until the ratings bubble bursts and her career goes back on life support. Then the next catastrophe strikes. Wherever Kitty Coughlin goes, disaster -- and ratings gold -- follows. Is Kitty's uncanny ability to be at the center of the news storm sheer dumb luck or very bad news? Harold W. Smith of the supersecret agency CURE knows a thing or two about disaster management. He sends in Remo Williams and the remarkable Chiun to tune in, turn off, and pull the plug on whoever is putting Americans at risk. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Enemy Wirt Williams,2020-02-25 The Enemy, first published in 1951, is the wartime account of a fictional U.S. Navy destroyer, the USS Dee (based on the author's experiences while serving aboard the USS Decatur in the North Atlantic). The ships' mission is to locate and destroy German submarines while protecting an aircraft carrier. The book details life aboard the destroyer and the inevitable conflicts that arise between men at sea for long periods. The ship also encounters and engages enemy submarines, receiving slight damage. Following author Wirt Williams' service aboard the USS Decatur, he was transferred to the Pacific theater where he captained a Landing Ship. After the war, Williams worked as a reporter, then became an English professor in California. He continued to write and published six novels, and was nominated for three Pulitzer Prizes, once for his reporting and twice for his novels. The Enemy was his first novel. Williams passed away in 1986 at the age of 64.

The New Destroyer: Guardian Angel Warren Murphy,James Mullaney,2007-05-01 THE DESTROYER NEVER DIES . . . VIVA LA REVOLUCION! When a dozen border patrol volunteers are murdered in New Mexico, apparent victims of Mexican nationals, Dr. Harold W. Smith of the super-secret agency CURE worries the first salvo in a new border dispute has been fired. His worst fears are realized with the appearance of the charismatic Santa Ana, a uniformed, would-be despot with a silver tongue and a thirst for bloody revolution. General Santa Anna has redrawn the border between the U.S. and Mexico to fit his own twisted version of reality, and thousands of illegal aliens are drawn to his message of liberation. The Southwest is on fire, and as the revolution explodes the entire nation is at risk. It seems the brazen general has planned for every eventuality. Except one... Mostly MIA for the past four years, Remo Williams, CURE's one man enforcement arm, has returned to the U.S. just in time to prevent Armageddon. With his Korean mentor Chiun, the Master of Sinanju, at his side, America just might live to see mañana. But it turns out Santa Anna is not the only threat to The Destroyer. Remo not only must save the United States from civil war, he must square off against the only woman who ever killed him... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The New Destroyer: Choke Hold Warren Murphy,James Mullaney,2007-10-30 Pity poor tobacco tycoon Edgar Rawly. Thanks to lawsuits, government meddling and the inexplicable deaths of many of his best customers, his megabucks industry is gasping its last breath. That is, until the introduction of the Cheyenne Smooths, Rawly's latest product. Not quite tobacco, not quite legal, more addictive than crystal meth. Suddenly customers are once more beating a path to his door. That's when the bodies start piling up. Seems people are not only dying to taste the flavor of a Cheyenne Smooth, they're killing for it. Enter Remo Williams, the Destroyer, and Chiun, the deadly Master of Sinanju. They've been sent to kick some butt, but wind up in danger of being snuffed out themselves. Turns out Edgar Rawly is not the only shady character to recognize the value of the Cheyenne Smooths, and things really start to heat up when Remo bumps into a cult of ancient Chinese assassins, an Asian crime lord, and a worldwide addiction that just might send civilization up in smoke...and dump the Destroyer on the ash heap of history. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Destroyer M.H. Milrem,2023-08-03 THE DESTROYER BLURB An exiled immortal. A broken world. A fateful prophecy. Once, Ligan was the most powerful creature in the world. Now, he is reduced to a shadow of his former self, peddling parlor tricks and biding his time. It blackens his immortal soul. Ligan's fate was cast long ago: "A girl of raven hair. A boy touched by fate. And he who sees all. Find them all and reclaim your rightful place in the world." As he seeks to reclaim his lost powers and dreams of vengeance, the three he seeks fall into his lap. One becomes his apprentice, molded in his image. One is set on a wicked path far beyond Ligan's influence. And one is torn from his grasp just as he is ready to make his move. Ligan is forced acknowledge that to reclaim his power he must make the ultimate sacrifice. The Destroyer is the third book of eight in the epic, dark fantasy series The Memorian Prophecies. If you enjoy chosen ones, ruthless immortals, dark secrets and ancient magic, you'll simply love M.H. Milrem's page-turning tale. Buy your copy today and dive head first into the darkness. Warning: Abuse and manipulation of children (not sexual) The Memorian Prophecies reading order: The Warrior The Touched One The Destroyer The Dreamwalker The

Liberator The Resurrected The Avenger

Destroyer Squadron 23 Ken Jones,2018-03-15 Destroyer Squadron 23 is the epic account of Commodore Arleigh Burke and the men and ships under his command in the South Pacific in World War II. Burke's leadership skills and innovative tactics, described in detail in the book, proved crucial to the U.S. defeat of the Japanese navy in the Pacific.

The Destroyer Killer Edwin Palmer Hoyt,1983

Destroyer! M. J. Whitley,1983

The Original Tomcat Jackson Sellers,2004-05-24

Modern U. S. Navy Destroyers Stephen F. Tomajczyk,2001

US Destroyers 1942-45 Dave McComb,2011-03-15 Few if any 20th century warships were more justly acclaimed than the destroyers of the U.S. Navy's Fletcher class. Admired as they were for their advanced and rakish design, it was their record as workhorses of the Pacific War that placed them among the most battle-tested and successful fighting ships of all time. This title describes the Fletchers and their Allen M. Sumnerand Gearing-class derivatives, their machinery, armament, and construction, with a listing of all 343 ships by hull number and builder. It features an operational history of the 287 ships commissioned during World War II, which traces the evolution of night surface action tactics in the Solomon Islands and the parallel development of the Combat Information Center; the drive across the Pacific and liberation of the Philippines with tables showing the rapid introduction of new squadrons; and the radar pickets' climactic stand against kamikaze aircraft at Okinawa. With summaries of losses and decorations and specially commissioned artwork, this is a definitive book on the wartime US destroyer classes.

The Dreadnought Boys Aboard a Destroyer Wilbur Lawton,1911

Victor LaValle's Destroyer Victor LaValle,2018-03-14 From award-winning novelist Victor LaValle (The Changeling) and illustrator Dietrich Smith (Shaft: Imitation of Life) comes an intense, unflinching story exploring the legacies of love, loss, and vengeance placed firmly in the tense atmosphere and current events of the modern-day United States. When the last descendant of the Frankenstein family loses her only son to a police shooting, she turns to science for her own justice... putting her on a crash course with her family's original monster and his quest to eliminate humanity. Collects the complete limited series.

My Brother's Destroyer Clayton Lindemuth,2020-11 When people lie to Baer Creighton their eyes glow red and he experiences a small burst of electricity. It hurts to suffer liars-- and Baer learned long ago that everyone lies. So he sleeps in the woods outside his house, converses with his sole companion, a pit bull named Fred, and distills special blends of fruited moonshine. When Fred is stolen, fought in an illegal fight circle and left for dead, Baer vows to set things right. He has all the skill he needs to find each man present at the fight circle that night and park a pile of hell on his front porch. But when he tips his hand he becomes the hunted, and the war he thought would be settled in a single attack becomes a battle of attrition with violence coming at him from all angles. When the battle escalates to the unthinkable, Baer concots a retribution so horrifying it gives him pause. To implement the ultimate vengeance Baer will have to confront his past, the liars he has loved, and the biggest lie of all. You can be damn sure he does. Evil doesn't come easy for Baer Creighton, but it comes.--Back cover.

Tin Cans and Greyhounds Clint Johnson,2019-02-12 For men on destroyer-class warships during World War I and World War II, battles were waged “against overwhelming odds from which survival could not be expected.” Those were the words Lieutenant Commander Robert Copeland calmly told his crew as their tiny, unarmored destroyer escort rushed toward giant, armored Japanese battleships at the Battle off Samar on October 25, 1944. This action-packed narrative history of destroyer-class ships brings readers inside the half-inch-thick hulls to meet the men who fired the ships' guns, torpedoes, hedgehogs, and depth charges. Nicknamed tin cans or greyhounds, destroyers were fast escort and attack ships that proved indispensable to America's military victories. Beginning with destroyers' first incarnation as torpedo boats in 1874 and ending with World War II, author Clint Johnson shares the riveting stories of the Destroyer Men who fought from inside a tin can—risking death by cannons, bombs, torpedoes, fire, and drowning. The British invented destroyers, the Japanese improved them, and the Germans failed miserably with them. It was the Americans who perfected destroyers as the best fighting ship in two world wars. Tin Cans & Greyhounds compares the designs of these countries with focus on the old, modified World War I destroyers, and the new and numerous World War II destroyers of the United States. Tin Cans & Greyhounds details how destroyers fought submarines, escorted convoys, rescued sailors and airmen, downed aircraft, shelled beaches, and attacked armored battleships and cruisers with nothing more than a half-inch of steel separating their crews from the dark waves.

Eventually, you will very discover a new experience and achievement by spending more cash. yet when? get you acknowledge that you require to acquire those all needs following having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will guide you to comprehend even more going on for the globe, experience, some places, in imitation of history, amusement, and a lot more?

It is your certainly own times to statute reviewing habit. in the middle of guides you could enjoy now is **Distroyer** below.
