The Doghouse Jan Thomas,2018-06-19 Mouse, Pig, Cow, and Duck are playing a carefree game of ball when (horror of horrors!) their ball gets kicked into . . . THE DOGHOUSE. Who will risk a run-in with scary Dog to get it back? Hysterical high anxiety ensues as Mouse volunteers each animal to do the dirty work—but you'll never believe what's really going on in the doghouse! With Jan Thomas's fun, fresh art and priceless animal expressions, this timeless tale of fear and friendship will have readers howling.

A Dog's House Micah Schraft,2015-01-01 THE STORY: On the surface, Michael and Eden are a solid pair with a bright future. When their beloved Rottweiler, Jock, grows unexpectedly violent—killing the neighbors' toy poodle, and then taking a bite out of the neighbor—Michael and Eden must confront darker truths in their relationship that have been ignored for too long.

Dog House Carol Prisant,2010-05-06 Dog House wasn't supposed to be a book about love. It was supposed to be a hugely funny account of the dogs in Carol Prisant's life. And not just the dogs, but that first bird she found at Woolworth's, the monkey that fell in love with her husband's leg, the thankless tiny turtle, and the goldfish her pet- challenged mother flushed down the toilet. Somehow though, this straightforward telling got a little blindsided by things like making marriage work and home- owning and children and a profession and her dear, supportive husband, Millard. Which is why the goldfish will just have to wait for the sequel. This book is still about cold noses, warm bellies, four on the floor, and a snuggler or two. Your basic fur family. It's also about the love of a mother for her son, a wife for her husband, a husband for some dogs, and the love it takes to make a haunted house a home. Your basic family furnisgings. Throw in a lot of antiques, a couple triumphs over adversity, and a more-than-seems-fair share of heartbreaking loss and you have Dog House--the warm, absorbing, and humorous tale of dogs and marriage, love and marriage and life.

Mad Dog House Mark Rubinstein,2012-10-23 Roddy Dolan, a successful suburban surgeon, long ago left behind his past--one that nearly landed him in jail at 17. When he's approached by an old friend about becoming a silent partner in a Manhattan steakhouse, he's understandably wary. So he consults with his lifelong blood brother, Danny Burns. Danny's convinced this vanity project is the perfect trophy to illustrate how far they've travelled. Certain he's buried his checkered past, Roddy joins in this venture with serious reservations. Danny is quickly sucked into the high-energy glitz of the restaurant, but Roddy is suspicious. Amidst the glitter of New York's nightlife, amongst Mafia honchos and Russian thugs, events spin out of control and the lives Roddy and Danny knew are over. Hidden shady dealings drag them and their families into life-threatening terrain. Struggling with a monster he thought he'd buried, Roddy must make momentous choices, and none are good. But he has a daring plan . . .

The Empty Dog House Maggie Tellado,2011-11-28 Eleven different dog stores bring the reader to feel the emotions and do's and don't of pet ownership. Lost pets and abandoned pets cannot always find their way and in the stories, several caring persons help to get them where they belong or else to others who will care for them. Children as well as adults will enjoy and also get lost in the travels of reading the stories. Educational facts will tell the reader about aspects of each breed.

How to Build a Dog House Alan Rushing,2014-08-04 INTRODUCTION There's no question that everybody needs a place of his/her own, and canines are not any exception.

The value of your dog having a comfy quality dog house can't be overestimated. Defense against weather and elements assist to prolong and boost the quality of life for outdoor dogs. Thus, if you wish to provide your dog with the care he deserves, a superb dog house is the proper way to make your dog comfortable in any weather conditions. A number of dog owners are handy with a hammer and saw and they can construct a pet shelter for their dogs based on dog house plans or specs. Other people can buy ready-made dog houses or order to build one to their pet's needs and their own inclinations. The style of the dog house should feature comfort and ease for your dog in both the extreme cold, and hot weather. A dog house must be strong, long lasting, well-built and structurally sound to give your canine friend the most security in any conditions and to provide the best outdoor protection available. Insulated dog houses keep your dogs warm in the winter and cool in the summer. And it's very important to pick the right size of house for your dog. Not surprising, there have been a huge selection of different dog house styles year after year, and some of them being real artworks. The key goal though is to give the comfortable and safe place for your dog and care for his well-being and health.

Out of the Dog House Dick Portillo, Don Yaeger, 2018-11-27 In 1963, Dick Portillo built a 6' x 12' trailer with no running water or bathroom and opened a simple hot dog stand in Villa Park, Illinois. He called it The Dog House. More than 50 years and 50 locations later, his namesake Portillo's restaurants are a Windy City institution, famous for perfect, Chicago-style dogs. In *Out of the Dog House*, Portillo tells the incredible story of his life, sharing the ingenuity and hard-earned wisdom that went into building a beloved restaurant chain. From a modest childhood as the son of Greek and Mexican immigrants, to the core principles that became essential in growing a national business, this is a singular, at times surprising, tale of how one man crafted his own American dream, one hot dog at a time.

Out of the Dog House Stephanie Itle-Clark, Sandy De Lisle, 2020-08-18 Jax used to live a cushy life inside a house with fuzzy blankets and a comfy chair. Suddenly his person can no longer care for him, and he finds himself living in a stranger's backyard and missing his best human friend. He misses his warm bed, squeaky ball, and bowls with his name on them. Most of all, though, he misses his person's gentle scratches under his chin and the way he said, Good boy, Jax. Will the kind animal control officer succeed in helping Jax get out of the doghouse and into the warm home of his new family? Find out in *Out of the Dog House*, perfect for ages 8 and up. *Out of the Dog House* is great for classroom and humane education efforts, too, and includes educational information and questions to provoke classroom discussion.

In the Dog House V. M. Burns, 2018 Lilly may be losing a husband but she's gaining a toy poodle. That could be seen as a win-win, since her new adopted pooch Aggie (named after Agatha Christie) is cute and adorable, and Lilly's dirty dog of a spouse is cheating on her with a blond bimbo -- except for one problem: Albert Echosby's just been murdered, and Lilly is the number-one suspect. With the cops barking up the wrong tree, it's a good thing her best friend Scarlett Dixie Jefferson from Chattanooga, Tennessee, decided to take a break from the dog club circuit to pay a visit, along with her own prize pair of poodles. With help from Dixie, her defense attorney daughter, and a blue-eyed man in blue with a K-9 partner, Lilly is determined to collar the real killer. But when a second murder occurs, it's clear they're dealing with one sick puppy ...--Back cover.

Dog Days at the White House Traphes Bryant,Frances Spatz Leighton,2010 What makes this book worth reprinting is not the canine dogs described in this book but the human female kinds of dogs, the women who slept with the presidents who were not necessarily the wives. This book, nearly forgotten, was the first to reveal numerous presidential affairs. It was the first to report that President Kennedy had an insatiable appetite for women, the human kind. It was the original source for a story that has been repeated many times since. This story is found on page 38 of this book. The story goes: Jacqueline was in the presidential bed in the White House bedroom, when she discovered a woman's panties in between the sheets. She held up the panties she had found with two fingers in much the same way that she would hold up a dead mouse and she said to the president, Would you please find out whose these are, because they are not my size? It is a fact that every president in more than one hundred years has had a dog, with the exception of President Clinton, who had a cat, although even Clinton did finally get a dog near the end of his term. Not all of these presidents were dog lovers. In some cases, the President obviously got a dog just to get the Dog Lover's Vote. President Obama must have read this book, because when he was elected to office, he knew that the first thing he had to do was get a dog. This book starts with the punch line to a joke: This book is dedicated to man's best friend - women.
